## **Rape The Ultimate Violation:**

**Language and Liberation** Christina Hendricks, Kelly Oliver, 1999-04-01 Gathers authors with different backgrounds and methods to advance feminist discussions of the relation between language and women's oppression suggesting promising new directions for further research Rape Judith Rowland, 1985 **Rape and Victims of Rape** Vimala Veeraraghavan, 1987 Provide a comprehensive account based on empirical data on the rape phenomenon and rape victims A pioneering work in the field as the rapists victims and the parents of the rape victims have been personally interviewed and their problems views and suggestions have been incorporated in the book A few case studies have been included to show the typical trauma undergone by the rape victims **Women, Crime, and Justice** Elaine Gunnison, Frances P. Bernat, Lynne Goodstein, 2016-05-19 Women Crime and Justice Balancing the Scales presents a comprehensive analysis of the role of women in the criminal justice system providing important new insight to their position as offenders victims and practitioners Draws on global feminist perspectives on female offending and victimization from around the world Covers topics including criminal law case processing domestic violence gay lesbian and transgendered prisoners cyberbullying offender re entry and sex trafficking Explores issues professional women face in the criminal justice workplace such as police culture judicial decision making working in corrections facilities and more Includes international case examples throughout using numerous topical examples and personal narratives to stimulate students critical thinking and active engagement Yale Law Journal Yale Law Journal, 2013-04-26 One of the world's leading law journals is available as an ebook This issue of The Yale Law Journal the sixth of Volume 122 academic year 2012 2013 features new articles and essays on law and legal theory by internationally recognized scholars Contents include an article analyzing rape by deception and the mythical idea of sexual autonomy by Jed Rubenfeld an essay on extortion and the principle of abuse of property right by Larissa Katz and a book review essay on the new generation of civil rights lawyers and the construction of racial identity by Anthony Alfieri and Angela Onwuachi Willig The issue also features extensive student research in the form of Notes and Comments on such cutting edge subjects as mandatory arbitration and contract procedure the concept of ride through in bankruptcy law as an economic good kidney allocation and the limits of age discrimination law and how civil law jurisdictions treat amici curiae parties and briefs Quality ebook formatting includes fully linked notes and an active Table of Contents including linked Contents for individual articles and essays as well as active URLs in notes The American Jury On Trial Saul M. Kassin, Lawrence S. Wrightsman, 2013-10-08 First Published in 1988 More than 3 million Americans are called for jury duty every year For most people serving on a jury arouses two feelings it is both a personal sacrifice and an exciting experience And where a jury is asked to decide some cases they make headlines As a result of trials such as these the American system of trial by jury faces unprecedented challenges This volume offers an informed examination of the entire process from jury selection to the delivery of a verdict Quoting the experiences and expertise of F Lee Bailey William Kunstler Clarence Darrow

Learned Hand and many others this book investigates such important factors as pretrial bias the psychology of evidence inadmissible testimony interpreting the law and what goes on inside the jury room People often think that any book dealing with the law must be written in legalese but in this book Professors Kassir and Wrightsman present their case in an exceptionally readable style They utilize modern advances in psychology to illuminate the usually hidden world of trial practice and procedure and offer thoughtful possibilities for improving the system

**Night Watch** Jack Olsen, 2020-06-17 A young woman lies dead strangled by a killer still prowling the sweltering run down neighborhood The young wife of a police lieutenant receives threatening phone calls the precinct's patrol cars are sabotaged even the puppies the officers have adopted as mascots are savagely slain It looks like there's a psycho on the loose with a vendetta against the cops And then the widow of a precinct cop is found horribly murdered The signature of the first crime is on this one But a deadly new element has been added another murderer is imitating the first one's methods Olsen's ear is uncanny the language the psychology of cops rings absolutely true with all the brutal authenticity of Joseph Wambaugh He makes them intimate real alive the burly 37 year old watch commander Lt Packer Lind a dedicated cop his adoring 21 year old wife Amnee Precinct Commander Julius Singletary 47 and estranged from his wandering wife Agate Sergeant Turk Molnar the prototype of a big dumb good natured flatfoot the lovable smart ass Artie Siegi sex driven Billy Mains and his new patrol car sidekick bosomy Mary Rob Maki and their patrolmen pals including Gerald Yount 24 whose wife Darlene has been cruelly unfaithful precipitating a nightmare that brings Olsen's novel to its thunderous resolution Night Watch is a superb evocation of the real world of big city police today It is a rare combination of action and a novel of character In telling this riveting story Jack Olsen portrays a memorable man in Watch Commander Packer Lind along with marvelous creations of the characters of the cops under his command and their wives and the pressured lives they lead For more than a year Olsen studied policemen at close range on their beats visiting them in their homes joining in their off duty revelries riding shotgun as they chased speeders and burglars and killers walking side by side with them into the bars and back alleys and tanks and dives and sometimes onto the killing grounds of this most dangerous of occupations After sharing their pressure cooker lives Olsen calls them the most undervalued members of our society good and decent men for the most part whose stresses and torments are only dimly understood by the public they serve They live on the edge of a knife blade and they pay the price in broken homes tortured lives and uncertain futures The wonder isn't that there are so many bad cops The wonder is that there are so few

*The Pragmatic Turn in Law* Janet Giltrow, Dieter Stein, 2017-06-12 In legal interpretation where does meaning come from Law is made from language yet law unlike other language related disciplines has not so far experienced its pragmatic turn towards inference and the construction of meaning This book investigates to what extent a pragmatically based view of linguistic and legal interpretation can lead to new theoretical views for law and in addition to practical consequences in legal decision making With its traditional emphasis on the letter of the law and the immutable stability of a text as legal foundation law has been slow to take the pragmatic perspective namely the language user's experience and activity in making meaning More accustomed to literal than to pragmatic notions of meaning that is in the text rather than constructed by speakers and hearers the disciplines of law may be culturally resistant to the pragmatic turn By bringing together the different but complementary perspectives of pragmatists and lawyers this book addresses the issue of to what extent legal meaning can be productively analysed as deriving from resources beyond the text beyond the letter of the law This collection revisits the feasibility of the notion of literal meaning for legal interpretation and at the same time the feasibility of pragmatic meaning for law Can explications of pragmatic meaning support court actions in the same way concepts of literal meaning have traditionally supported statutory interpretations and court judgements What are the consequences of a user based view of language for the law in both its practices of interpretation and its definition of itself as a field Readers will find in this collection means of approaching such questions and promising routes for inquiry into the genre and field specific characteristics of inference in law In many respects the problem of literal vs pragmatic meaning confined to the text vs reaching beyond it will appear to parallel the dichotomy in law between textualism and intentionalism There are indeed illuminating connections between the pair of linguistic terms and the more publicly controversial legal ones But the parallel is not exact and the linguistic dichotomy is in any case anterior to the legal one Even as linguistic pragmatic investigation may serve legal domains the legal questions themselves point back to central conditions of all linguistic meaning *New York Court of Appeals. Ward Bissell, 1999 *Pr sente l oeuvre de cette femme peintre du d but de sa carri re sa reconnaissance au regard du contexte socioculturel du XVIIe si cle et en levant certains mythes et autres faux semblants sur cette personnalit majeur de l histoire de l art* **Losing Your Pounds of Pain** Doreen Virtue, 2002-01-01 This book shows how you can break the damaging connection between emotional pain and overeating to uncover your true natural self by shedding the false skin of unhappiness *Advancing the Human Rights of Women* Andrew Byrnes, Jane Frances Connors, Lum Bik, 1997 *Guide to Human Rights Sources* **Substantive and Procedural Aspects of International Criminal Law** Gabrielle Kirk McDonald, Olivia Swaak-Goldman, 2023-05-30 The first volume of this unique two volume work seeks for the first time to address in a comprehensive fashion both substantive and procedural aspects of international criminal law as applied by international and national courts Substantive topics include individual criminal responsibility genocide war crimes crimes

against humanity crimes against UN and associated personnel core crimes and defenses while procedural aspects include the right of suspects and accused the protection of victims and witnesses and pre trial trial and appeal procedures and practices In addressing these subjects the work focuses on the practical application of the relevant norms and provides both detailed commentaries by experts in the field Commentary volume as well as the underlying documentation for each of the topics addressed Documents and Cases volume With the establishment of the International Criminal Court the experiences of other international courts notably the ad hoc tribunals for the former Yugoslavia and Rwanda as well as their predecessors in addressing these issues are of great value and this work is intended to assist practitioners and scholars alike Additionally because national courts still have a vital role to play in the application of these norms attention is given to prosecutions in national jurisdictions With this work the editors seek both to assist the reader in understanding these important concepts as well as to provide the background documentation such that the reader can conduct his or her own research and come to his or her own conclusions The print edition is available as a set of two volumes 9789041111357 To Establish Rational Criteria for the Imposition of Capital Punishment United States.
