### **Rape Within Marriage A Moral Analysis Delayed:**

**Sex and the Marriage Covenant** John Kippley, 2014-01-23 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title Sex and the Marriage Covenant is an appropriate description of the book s contents Marriage comes into being by a couple unreservedly entering God s covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippley developed the covenant theology of sexuality described in this book

**Contemporary Controversies in Catholic Bioethics** Jason T. Eberl, 2017-07-24 This volume comprises various viewpoints representing a Catholic perspective on contemporary practices in medicine and biomedical research The Roman Catholic Church has had a significant impact upon the formulation and application of moral values and principles to a wide range of controversial issues in bioethics Catholic leaders theologians and bioethicists have elucidated and marshaled arguments to support the Church s definitive positions on several bioethical issues such as abortion euthanasia and reproductive cloning Not all bioethical issues however have been definitively addressed by Catholic authorities and some Church teachings allow for differing applications in diverse circumstances Moreover as new biomedical technologies emerge Church authorities rely on experts in science medicine philosophy theology law and other disciplines to advise them Such experts continue to debate issues related to reproduction genetics end of life care and health care policy This volume will be a valuable resource for scholars in bioethics or Catholic studies who will benefit from the nuanced arguments offered based on the latest research This volume is also instructive for students entering the field to become aware of the founding philosophical and theological principles informing the Catholic bioethical worldview

**Rape Within Marriage** Edward J. Bayer, 2003-05-28 The Holy Father s teaching seeks to make clear that without a fundamental mutual respect and devotion any sexual act between a husband and wife is a counterfeit of the real thing Such an evil act is not what the Lord of Life wants human beings to contribute to the creation of a new life A woman who has no way to escape such abuse is morally justified in resorting to effective non abortifacient but medically effective means to avoid being impregnated

Health Care Ethics Benedict M. Ashley, 2006-11-22 Health Care Ethics is a comprehensive study of significant issues affecting health care and the ethics of health care from the perspective of Catholic theology It aims to help Christian and especially Catholic health care professionals solve concrete problems in terms of principles rooted in scripture and tested by individual experience however its basis in real medical experience makes this book a valuable resource for anyone with a general interest in health care ethics This fifth edition which includes important contributions by Jean deBlois C S J considers everyday ethical questions and dilemmas in clinical care and deals more deeply with issues of women s health mental health sexual orientation artificial reproduction and the new social issues in health care The authors devote special attention to the various ethical theories currently in use in the United States while clearly

presenting a method of ethical decision making based in the Catholic tradition They discuss the needs of the human person outlining what it means to be human both as an individual and as part of a community This volume has been significantly updated to include new discussions of recent clinical innovations and theoretical issues that have arisen in the field the Human Genome Project efforts to control sexual selection of infants efforts to genetically modify the human genotype and phenotype the development of palliative care as a medical specialty the acceptance of non heart beating persons as organ donors embryo development and stem cell research reconstructive and cosmetic surgery nutrition and obesity medical mistakes the negative effects of managed care on the patient physician relationship recent papal allocution regarding care of patients in a persistent vegetative state and palliative care for dying patients      **Religion and Sexual Health:** R.M. Green,2013-03-14 Religious beliefs and attitudes have long been recognized as playing an important role in sexual functioning but the relationship between religion and sexual behavior has rarely been studied in a comprehensive way The essays in this volume bring the views of sex counsellors therapists theologians and bioethicists to bear on the relationship between religion and sexuality A major theme emerging from these essays is that religion and counselling need to learn from one another Religious traditions at the popular or theological levels are often marked by ignorance and misinformation about sexuality and can benefit by the insights of those who work closely with patients in medical and counselling settings Counsellors in turn need to develop a sensitivity to past and present religious attitudes toward sexuality in order to assist their patients achieve sexual health      **Battle-scarred: Justice Can Be Elusive** John F. Kippley,2011-03-23 John F Kippley shared various life experiences some of which he hopes are unique      *Violence Against Women and Children* Carol J. Adams,Marie Fortune,1995-11-01 Violence against women and children has reached epidemic proportions It cuts across all economic strata and is found in our urban centers and the farthest corners of the nation This is the only sourcebook on domestic violence for clergy and counselors      **Sex, Violence, and Justice** Aline H. Kalbian,2014-04-03 Kalbian outlines the Church s position against artificial contraception as principally rooted in three biblical commandments Her deeper investigation into these issues helps show how discourses about sexuality both in the Church and in culture more broadly are often tied to discourses of violence harm and social injustice      Handbook on Critical Sexual Issues Donald G. McCarthy,Edward J. Bayer,John A. Leies,1989      **Violence Against Women** Joan Nordquist,1992      **The Way of the Lord Jesus: Living a Christian life** Germain Gabriel Grisez,1983      *Marriage and Family* ,2004      *By No Extraordinary Means* Joanne Lynn,1986      **The Linacre Quarterly** ,1994      *Healthcare Ethics* Benedict M. Ashley,Kevin D. O'Rourke,1989      **Gregorianum** ,1986      **New Catholic Encyclopedia** Catholic University of America,2003 others In addition to the hundreds of new signed articles on a wide variety of topics this new edition also features biographies of contemporary religious figures thousands of photographs maps and illustrations and updated bibliographical citations The 15th volume is a cumulative index to the entire encyclopedia      Revisioning the Past Mary Potter Engel,Walter E.

Wyman,1992 Probes various proposals and prospects for historical theology in light of recent scholarly trends The history of dogma has become distinct from historical theology which is less inclined to search the sources for justifications of present day doctrines The rise of social history has shifted the focus from the Great Thinkers to the lived religious experience of believers and previously neglected resources women minorities and so called heretics are being retrieved **Bibliographic Index** ,1989 **American Book Publishing Record** ,1985
