Moody,2019-11-04 Astrology provides intelligence to forecast and plan our actions in all manner of day to day concerns and I believe that major

collective concerns like seasons in the economy and war benefit from the same treatment I am an astrologer who has practiced Mundane astrology the astrology of countries and their leaders for three decades This book has deep roots Purposeful action towards a book began with an interview published February March 2014 in the Dartmouth Alumni Magazine During that interview I pointed to specific Earth geography 35 North latitude 50 East longitude where the U S would face major concerns up through 2022 when events peak for U S foreign interests A look at a map of these map coordinates and knowledge of the recent history of American focus on the region since my Dartmouth interview speaks volumes My project introduces an astrologically derived pattern which I discovered and named a War Impulse Pattern WIP in 2014 This International WIP pattern has eighteen astrologically determined branches some major others minor I unpack the logic of my WIP branches and lay them out in map form Within designated zones of the branches of the WIP I make the case that all the major U S military conflicts from 1776 to 2018 have been fought on geography marked by the WIP Furthermore in addition to accurately forecasting where events will occur the three planets making up the WIP serve as timekeepers for when U S military forces will deploy I have applied my innovations with Astro Carto Graphy a lens of relocation astrology to banks hurricanes man made disasters national security and war My research journey over the past 4 years has lead me from one surprise to another For example I have discovered that the entire U S Global Positioning Satellite GPS structure a critical component of modern U S warfare was set up within the WIP branches some mere specks of land in the middle of vast oceans This first of three books prepares the WIP Book Two now in the final stages gives chronological compelling examples of U S wars from 1776 to 2018 noting that the battlefields aligned to the WIP and were susceptible to astrological timing My vision for Book Three is an over sized book of annotated and creatively presented maps supporting creative thinking and exercising the reader s spatial intelligence I offer this War Impulse Pattern WIP Primer to Not on the Map book for those seeking a more sophisticated understanding of America at war I offer practical but strategic intelligence not on the map of orthodox views of reality How and why the WIP works is demonstrated Most of the facts of the WIP are grounded in mainstream understanding While I have taken years to prepare these books the need for the WIP intelligence is urgent A look at what s been happening all along 35 North a belt wrapped around the Earth sweeping today s conflict zones in Syria Iraq Iran particularly Tehran near 50 East Kurdistan Afghanistan Pakistan China Korea and Japan reveal that my WIP lens has been brought to a sharp focus to mastery
