Understanding Intercultural Communication Marie-Louise Brunner, 2022-01-04 Today academics business professionals and private persons alike need to communicate successfully and establish relationships with people from various cultures through digital means These skills have now become essential in virtual environments This book provides an in depth analysis of how interlocutors negotiate meaning and identities in intercultural video mediated communication as an important step to improving interactions on a global scale It contributes to understanding the complex negotiation processes and strategies involved in communicating successfully and in establishing rapport in an intercultural and video mediated context Speakers in this English as a Lingua Franca setting act as accomplished conversationalists who efficiently employ various strategies to make themselves understood and to preempt interactional difficulties At the same time interlocutors re negotiate identities on various levels in the process of their interactions with conversation partners Based on these insights this book concludes with practical suggestions for educational and professional applications

*Teacher Voices in Chinese Language Teaching* Scott Smith, 2023-01-24 This book reports the results of an ethnographic study focusing primarily on the experiences of four teachers of the Chinese language in Australian secondary schools The author creates an audience for their voices as they reflect on their own understandings of culture language teaching and culture in language teaching through semi structured interviews and compares these reflections with written stimulus dialogues designed to elicit culture in language reflections as well as curriculum and policy documents produced by the Australian government The book s findings indicate that teachers of the Chinese language are diverse in their views on culture language teaching and the ways in which culture can or should inform language teaching and the author argues that language teacher intercultural competence cannot be assessed through a synthesis of the current English only research literature This book will be of interest to teachers and teacher trainers of Chinese as a foreign language as well as students and scholars of applied linguistics and language education more broadly

Intercultural Communication and Language Pedagogy Zsuzsanna Itzész Abrams, 2020-08-27 Learning a new language offers a unique opportunity to discover other cultures as well as one s own This discovery process is essential for developing 21st century intercultural communication skills To help prepare language teachers for their role as guides during this process this book uses interdisciplinary research from social sciences and applied linguistics on intercultural communication for designing teaching activities that are readily implemented in the language classroom Diverse language examples are used throughout the book to illustrate theoretical concepts making them accessible to language teachers at all skill levels The chapters introduce various perspectives on culture intercultural communicative competence

analyzing authentic language data teaching foreign second languages with an intercultural communication orientation the intercultural journey the language culture identity connection as well as resolving miscommunication and cultural conflict While the immediate audience of this book is language teachers the ultimate beneficiaries are language learners interested in undertaking the intercultural journey      **Resources in Education** ,2000      Research in Education ,1974      **Subject**
