Renaissance New Testament Yeager, Dr. Randolph, **The Darker Vision of the Renaissance** Robert S. Kinsman, 2024-03-29 The Darker Vision of the Renaissance explores political literary social religious medical and artistic events between 1300 and 1670 that led beyond the bounds of reason into the nonrational irrational and suprarational phenomena of the European Renaissance Robert S Kinsman's introduction examines Renaissance uses of ratio fancy and folly melancholy anxietas and alienation Lynn White Ir presents the essential thesis of the collection in his view that the years 1300 1650 constituted one of the most psychically disturbed eras ever in European history. The world alienation of the period is analyzed by Donald R Howard illustrated by two poems of the late fourteenth century Gawain and the Green Knight and Toilus and Criseyde The flourishing of hermetic magical cabalistic and astrological practices in the Renaissance is described by John G Burke The gentleman and courtier's physical and psychological tensions resulting from literal exile or from psychic alienation from his lesser fellows are investigated by Lauro Martines An analysis of the structures of Renaissance mysticism is provided by Kees W Bolle Gilbert Reaney's essay examines ratio as the basis for the measured music of the fourteenth century against which the newer duple and triple rhythms that came into prominence in the later half of the century were assessed An essay by Marc Bensimon concerns itself with Renaissance modes of perception as illustrated in works of art of literature and of philosophic speculation that seem shaped by primordial anxieties caused by the passing of time and the fear of death The reflections of theological notions about the dreadful hidden will of God in such pieces as Marlowe s Dr Faustus are given full background and perceptive treatment by Paul R Sellin Robert Kinsman concludes with his study Folly Melancholy and Madness Shifting Styles of Medical Analysis and Treatment 1450 1675 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds
