Rapture Planning Larry G. Lillback, 1980-01-01 *Christ's Prophetic Plans* Richard Mayhue, John MacArthur, 2012-02-21 General editors and experienced bible scholars John MacArthur and Richard Mayhue help to provide a clear and convincing Biblical explanation for the interpretive approach to Scripture that results in a knowable futuristic view of Christ s millennial reign on earth Christ s Prophetic Plans also helps provide the certain validity of God s promises to future Israel and the crucial differences between Israel as a people and a nation and the New Testament church *God's Plan* Dan Malczewski, 2010-08-17 A compilation of Christian Apologetics gathered from various authors over the years that is designed to bring brand new Christians up to speed quickly and to strengthen the faith for all Christians This book also introduces a model of Gods Plan for mankind It contains answers to almost all of the arguments leveled against Christianity from science falsely so called Furthermore this book provides an historical discussion of Christian prophecy from a Dispensational persepective Did you know that genetic anthrop olgists have traced back our DNA to single parents or that most of the miracles of the Old Testament probably occurred naturally such as the parting of the Red Sea or that approximately 1 600 Bible Codes have been discovered around a single Old Testament chapter or that it is highly probable that no human beings drowned in the Flood or that Mount Sinai is not in the Sinai Peninsula but in Saudi Arabia and is heavily guarded or that the speed of light may have been millions of times faster at the Creation than it is now All of these questions and many more are answered in this book **The Road To Hell** Dwayne Mattingly, 2022-12-15 Many people

today are wanting to know Are we living in the end times What will happen before the antichrist comes into power Will America be a key player in the end times In this book I start the first chapter with what I believe will soon be coming the chip being implanted in humans I realize the mark of the beast will not be given until the antichrist comes into power Many believe it will be the chip I discuss in chapter 2 why I believe it will not be the chip Our currency as we know it today will give way to a one world currency and I discuss this in two chapters The New World Order has been discussed for many years and I want to understand where it started and where it stands now The last two chapters deal with a real hell and a real heaven Though we do not know everything about either of these we know enough that we will make an eternal choice to spend forever in one or the other How and what you do the rest of your life will determine your eternal destination I genuinely believe this book will help you understand the end times and eternity We all are on the road to hell but know heaven is only one step away

God's Man Plan Mike Taylor, 2022-07-06 Today the chatter among evangelical teachers and preachers concerning the end of time seems almost deafening at times Books videos feature films magazine and newspaper articles you name it they all have something to say regarding the end times And please hear my heart I m not disagreeing with them at all I totally agree that we are today living in prophetic times However it seems to me that no one wants to address the question that appears to be on the minds of so many people That question When will these things come to pass Hey the disciples asked Jesus the same question in Matthew 24 right Well that s precisely what this book attempts to do I want to answer that question as best as it can possibly be answered and while I won t be able to give you the exact day or the exact hour of the coming events if I m correct and I really think that I am in what I share within this book I m totally convinced that I can get you in the proverbial ballpark so to speak And I will do so biblically in other words by using only what the Bible gives us If you ll commit to reading this simple little book for many if not most people I can all but guarantee you that you will exit with a much better understanding of the chronology of God s Word You will read and perhaps for the first time ever be able to comprehend the Gospel or good news of Jesus Christ plus you ll come to appreciate just how little time may actually remain before the end time events that everyone is talking about begins to unfold across the face of the whole earth In other words you will be able to better understand God s man plan and thereby you will be better able to prepare for what lies ahead for all mankind

God's Plan for the Ages, 2nd Edition David Reagan, 2020-08-02 What is the destiny of planet earth What is going to be the fate of mankind We don t have to guess The Bible spells out God s plan for the ages in great detail through prophecies given thousands of years ago In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times In the process he reveals God s plan for the redemption of mankind and the restoration of the creation The book is written in a down to earth easy to understand style Although all the chapters relate to the overall theme each chapter is designed to stand alone This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics

J. Rushdoony,2009-11-09 Goals determine our present day action and if the purpose of our action is God s victory in history then we are all the more motivated in our actions Our goal is Christ s Kingdom and His purpose for humanity and the world Therefore our eschatology is vital for how we should govern our lives today The average Christian holds an eschatology of defeat with the only victory coming in heaven after we die or at Christ s return As far as history is concerned they are pessimillennialists Not so for postmillennialism which invigorates the Christian life with a victorious view of God s Kingdom in history so that each Christian finds the purpose needed to fuel their application of the faith in every area of life and thought God s Plan for Victory The Meaning of Postmillennialism is a concise statement of this victorious eschatology and why you should embrace it This third edition is expanded to include six appendices featuring other writings by R J Rushdoony on postmillennialism **God'S Plan of Creation** Robert N. Smith,2014-11-15 Gods Plan of Creation Written for All Gods Children Who Want to Know and Are Not Afraid to Think offers scripturally informed answers to questions arising in peoples minds as they wonder about the nature of God and His designs for all of creation By using a three part structure that examines the Siege the Legacy and the Story Robert N Smith brings to bear both his long study of the Scriptures and his insights to provide guidance for all who want to know and are not afraid to think The first part the Siege presents an inquiry and review of humanitys continuing efforts to gain hold of its Legacy The focus of the second portion of Gods Plan of Creation the Legacy entails the gifts that God has chosen to give to humanity and that people today have received from the hands of their forebears in the faith Finally the Story displays a visual timeline of

creation plotting out key points of theology and cosmology It is laid out landscape therefore it does not fit the book format Part 3 is in progress and will follow soon If you see the world in all its beauty complexity and diversity and you find yourself wondering about the God who made all things and about His desires for how humanity fits into His plans then Gods Plan of Creation Written for All Gods Children Who Want to Know and Are Not Afraid to Think will pour out insights worth pondering It takes a fearless and eyes wide open look at God and His plans and invites you to join in a journey of vision and discovery

Carrington-Cox, Every now and then a new book is released and people stand in long lines with great anticipation some even camp outside the bookstore overnight waiting to purchase a copy Television news sometimes captures the pictures of people pushing and shoving into the stores to get their hands on that book and within a few days they have read every line As I look at these lines of people I have often thought Now what book could get me so excited that I would stand in line for hours to get a copy and then lose sleep trying to read every word It would have to be a book filled with essential long lasting lifesaving information Its author has to be lovable and all knowing and the information has to be crucial to my existence now and in the future Then the thought flashes through my mind there is such a book available free for the asking but there are no long lines of eager excited people waiting to get their hands on it Is it possible that most people really do not know what is in this book This book is none other than the Bible The Bible is the most important book that has been written and the most important book that we will ever read This book reveals the history of God s plan of redemption

Palestinian and Israelis can not be solved by ignoring the atrocities of Israeli government towards people of Palestine by killing them purposefully as a result of strategy of transfer looking at them inhumanely and using the historic anti humanity tactics of the king Herod around 18 BCE who killed and enslaved even Jews for the abuse of Roman Empire against them and instead obligate it to choose the humane tactics of Moses And on the spectrum of power require the United States as a Christian Country to choose between Roman Empire Ideas and the Jesus Ideas of humanity in its foreign policies The rights of Palestinians in all aspects should be realized as justice suggests and not as the power imposes It is time for the people of the world to re negotiate the establishment of Israel on the basis of the principles promised to the nations of the world in 1947 and 1948 In this re negotiation the major goal must be the creation of a political system in the present state of Israel that guarantees independence of nations equal rights of all nations peace and humanity justice between the nations and ends the suffering of people of Palestine by abusive power of Zionists This book based on the beliefs of it s author in a humane and just way to resolve the conflict in the Middle East suggests a bi national Federal system for a state consisting of nations of Palestinians Moslem or Christians and Jews under provision
