Raptured Catholic View Of The Latter Days And The Second Coming

Catherine Wessinger

Raptured Catholic View Of The Latter Days And The Second Coming:

The Rapture Trap Paul Thigpen, 2001 Thigpen lays out the biblical foundations of Catholic teaching on the close of age the end times Is Jesus coming to rapture Christians in the earth s last days The short answer No Along with Scripture Thigpen draws from Church history tradition the Catechism of the Catholic Church and contemporary experience to reveal the shortcoming of the rapture doctrine adapted from back cover

Will Catholics Be Left Behind? Carl Olson, 2009-09-03 This powerful and timely book written by a former Fundamentalist is a thorough critique of the popular Fundamentalist notion of the Rapture the belief that Christians will be removed from earth prior to a time of Tribulation and the Second Coming It examines the theological historical and Biblical basis for premillennial dispensationalism the belief system based around the Rapture and popularized in the best selling Left Behind books and taught by Bible prophecy writers Tim LaHaye Hal Lindsey Jack Van Impe and many others Written for both the lay person and the serious student this book combines an engaging popular approach with detailed footnotes and exhaustive research Beginning with the big picture it focuses first on key concepts such as eschatology the Parousia and the relationship between the Kingdom and the Church It then examines the Book of Revelation providing insights into the nature and purpose of that difficult final book of the Bible Another chapter looks at the concept of the millennium and how it has been understood by various Christians over the centuries Olson then shows how Left Behind creator LaHaye s many works on Bible prophecy are filled with attacks on Catholicism and often rely on sensationalism shaky scholarship and subjective interpretations of Scripture Olson a former dispensationalist who now edits Envoy magazine also presents a history of apocalyptic belief and theology beginning with the Early Church Fathers and including the Montanists St Augustine Joachim of Fiore the Protestant Reformers and the American Puritans He shows how John Nelson Darby an ex Anglican priest developed the premillennial dispensationalist system which hinges on the Rapture in the 1830s and how Darby relied upon faulty assumptions about Jesus Christ the Church and the Bible The second part of the book A Catholic Critique of Dispensationalism focuses on three important topics the relationship between Israel the Church and the Kingdom the interpretation of Scripture and the nature of the Rapture event Filled with a wealth of information drawn from both Protestant and Catholic sources this section provides a complete rebuttal to the premillennial dispensationalist system and the left behind theology The book concludes with a reflection on the Catholic understanding of the end times salvation history and the final judgement Glossaries of key persons and terms are also included A strong but fair critique of a dangerous and popular belief Will Catholics Be Left Behind provides Catholics and Protestants lay people and clergy and students and scholars with important answers and information about the roots and meaning of the Rapture Millions of Americans believe the Lord will snatch them up any day now leaving the rest of us to the horrors of a seven year tribulation The hitch is that the Rapture has no pedigree As Carl Olson shows no Catholic or Protestant believed in it prior to the nineteenth century It is an authentic Fundamentalist invention Karl Keating Author

Catholicism and Fundamentalism In this extraordinary book Carl Olson uses a surgeon's scalpel to cut through the mass of confusion that dominates contemporary reflection on the Last Things Achieving far more than a refutation of millennialist errors and other disordered apocalyptic theories he illumines the Church's majestic vision of time and eternity and demonstrates that Jesus Christ is the Lord of History and its end Michael O'Brien Author Father Elijah **Catholic**

Answers to Catholic Questions Paul Thigpen, Ray Ryland, Francis Hoffman, 2010-05-26 Why do Catholics pray for the dead Is there humor in the Bible Is Purgatory painful Is there a dispensation for missing Mass when traveling Can human beings become angels after they die Why is the color blue associated with Our Lady Was the Catholic Church the first one to say no to contraceptives Over 2 000 years of tradition can lead to many questions and misunderstandings about the Catholic Faith You are not alone if you are confused curious or wish to have an answer for challenging questions others may confront you with Catholic Answers to Catholic Questions provides solid answers to hundreds of common questions asked by people just like you questions both big and small regarding doctrine history morality the pope saints the sacraments the Mass prayer Scripture and much more Be more confident in your faith Allow the why to enhance the what you do as a Catholic Make better decisions Be more prepared to pass on your faith to others Feed your curiosity Solidify your beliefs Author theology professor and Catholic apologist Paul Thigpen ensures the answers are not only rock solid but also pastoral in their approach and written in everyday relevant language He considers questions from real people to reveal the vast breadth and depth of our Catholic teachings The Last Days of Dispensationalism Alistair W. Donaldson, 2010-10-28 How we understand God's future purposes for the world must shape to a significant degree how Christians live life in the present The decades since the publication of Hal Lindsey's The Late Great Planet Earth have seen a great deal of end times speculation Signs of the end time apocalypse occurring soon have been heralded across our radios televisions the internet and through written forms of media urging people to either be ready for the rapture or be left behind to endure the horrific suffering of the tribulation as God's end time program unfolds Is this really what the Bible teaches about the purposes of the God of whom our Bible declares so loved the world that he gave his only son in order that all things be reconciled The Last Days of Dispensationalism carefully examines this popular understanding known to us as dispensationalism and urges us to think again and to see within the Bible's grand salvation narrative and in the person of Jesus Christ a better message of redemptive hope for the future and a greater sense of meaning and purpose for the present **Books West Magazine**, 1977 **The Rapture and Return of The Lord Jesus Christ** Joseph Morgan, 2021-12-15 Is Christ going to return to the earth physically Will the Rapture of the church occur The Bible answers these questions in the affirmative So when will these things take place After years of studying this I am convinced that not only will the Lord Jesus be coming to reign on this earth from Jerusalem but He will be doing so very shortly I believe that the Bible in fact tells us the exact date of His return Not only that it also tells us the exact date of the Rapture or at least the time in which it will occur Even more it tells us when the final

seven year period will begin and when the Antichrist will reveal himself to the day I know that many might express incredulity at such claims and even shock at the utter audacity to proclaim something so preposterous and I do not blame you if you do feel this way I only ask that you read and consider for yourself The prophetic time line laid out in this book is absolute and can be overlaid onto the Gregorian calendar I encourage you to read and discover for yourself why I am so confident in my declarations and how those prophetic time stamps align on our modern calendar When done and when applied to what Scripture says and the history of the church age it tells us the physical return of Christ to the earth could very well take place on April 9 2033 Get ready to be shocked as the book of Revelation will be unfolded to you in a way you have probably never seen before Catholic and Curious Monsignor Charles Pope,2018-06-12 Do you ever feel confused befuddled or just plain lost when it comes to the Catholic Faith Do the teachings and practices of the Church leave you scratching your head Then this is the book for you In Catholic and Curious Your Questions Answered Monsignor Charles Pope tackles 500 tough questions on just about every subject imaginable In easily digestible question and answer format this book covers everything from God and the Bible to the liturgy the sacraments Catholic moral teaching Mary the saints and life after death all organized by topic for quick reference In this book you ll find not just straightforward answers but a deeper understanding and appreciation of the truth of the Catholic Faith ABOUT THE AUTHOR Monsignor Charles Pope was ordained a priest in 1989 for the Archdiocese of Washington D C He is a well known blogger and writer and has authored a question and answer column for Our Sunday Visitor since 2013 He gives numerous retreats and talks for laity and clergy and appears as a regular guest on EWTN s Morning Glory The Rapture and the Tribulation Are Past Isiah Lawrence Nottage,2015-09-29 Bishop Isiah Lawrence Nottage writes with rare eloquence in his book The Rapture and the Tribulation Are Past This book shows that the rapture and the second coming of Jesus Christ have already taken place Bishop Nottage presents 92 examples convincing evidence proving that the rapture has past He demonstrates from the scriptures and Jewish history the time when the last days began and ended as well as the year month and date Jesus Christ returned The book states when the seven years of tribulation began and ended who WAS the Antichrist who was the beast and explains the number 666 In addition the author reveals the names of the seven hills on which the harlot woman sat Revelation Chapter 17 1 17 Readers will be enlightened to the mystery of Babylon the great and what was the filthiness written on her forehead Other revelations Who were the riders of the white red black and pale horses of Revelation Chapter 6 2 8 What are the names of the seven heads of the beast Who was the beast who came up out of the earth with two horns **Exposing the Fallacies of the Pre-Tribulation Rapture** Billy Broadwater,2014-06-20 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years This teaching is not allowed to be challenged in many Christian circles Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious thought provoking analogy of this doctrine Is the seven year tribulation really a biblical term Is

the church literally raptured in Revelation chapter 4 Are there signs that precede the return of Christ Is the rapture really an invisible event Are Christians exempt from tribulation Where did the true roots of the pretribulation rapture come from What does the day of the Lord have to do with the rapture These questions and many more are answered in Exposing the Fallacies of the Pre Tribulation Rapture Not only is there a thorough examination of the rapture but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming Billy Broadwaters in depth Bible based research for over twenty years brings home the truth about the rapture **The Complete Idiot's Guide to the Last Days** Richard H. Perry,2006 For many the idea of the Last Days brings to mind concerns and fears about the End of the World The Antichrist The Mark of the Beast World War and Armageddon For centuries man has been occupied with the idea that someday the world will come to an end These fears and concerns have been fuelled by natural disasters famines world wars and the writings of people such as Nostradamus Jeane Dixon and Tim LaHaye When we think about the Last Days we have more questions than answers Is the world really going to end Should we be concerned about the future Where are we today in relation to the Last Days Author Richard H Perry urges readers to consider the source when caught up in these questions that don't seem to have answers In The Complete Idiot's Guide to the Last Days Perry takes readers to the source of all discussion on the subject the Bible itself John Foxe, Evangelicalism, and the Oxford Movement D. Andrew Penny,2002 Samuel Roffey Maitland waged a vituperative crusade in the 19th century against John Foxe the editors of the Acts and Monuments and the work itself Through a careful examination of Maitland's writings this book attempts to show whether Maitland was justified in his assessment of Foxe's place in the English Reformation Foxe's role in determining the eventual nature of the Church of England and whether Maitland was indispensable to the undermining of Foxe his circle and his works The Rapture and the Antichrist Russell R. Standish,Colin D. Standish,2004 Vol 6 of this series The Antichrist Septenate the authors have revealed the unscriptural roots of the general Evangelical Protestant views of the Antichrist and the Rapture They have sought to return Protestants to their Reformation roots This volume takes up issues crucial to our understanding of the final events preceding the return of our Lord events important to our preparation for His Second Coming Biblical Fundamentalism Ronald D. Witherup,2001 2002 Catholic Press Association Award Winner One of the most significant changes initiated by the Second Vatican Council was the direct encouragement for Catholics to rediscover the Bible Unfortunately education has lagged behind Catholic interest in exploring the Bible and its mysteries Consequently vital questions including how to read and interpret the Bible remain unanswered for many Christians In Biblical Fundamentalism Father Ronald Witherup offers Catholics a guide to the questions that arise when they desire to use the good book in their personal lives Father Witherup provides an overview of the origins history basic tenets and problems with biblical fundamentalism and its influence in contemporary culture He summarizes Catholic teaching on the Bible and points out both the strengths and the weaknesses in the fundamentalist approach to the Bible He

also provides a concise but thorough response to questions that Catholics have about fundamentalism and discusses resources for further study

Biblical Fundamentalism is divided into five chapters The first chapter explains the historical origins of Christian biblical fundamentalism and why it is a uniquely American phenomenon The second chapter outlines the main tenets of fundamentalist faith and how it approached the Bible The third chapter does the same for the Catholic faith The fourth chapter explores why biblical fundamentalism is attractive in our day and offers a critique of it Finally the fifth chapter imparts some practical advice about how to fashion a sensible and courteous Catholic response to fundamentalism

The Oxford Handbook of Millennialism Catherine Wessinger, 2011-11-17

Christian Dispensationalism the Taiping Revolution cargo cults in Oceania the Baha i Faith and the Raelian Movement would seem to have little in common What they share however is a millennial orientation the audacious human hope for a collective salvation which may be heavenly or earthly or both Although many religions feature a belief in personal salvation millennial faiths are characterized by the expectation that salvation will be accomplished for an entire group by a superhuman agent with or without human collaboration The Oxford Handbook of Millennialism offers readers an in depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures While the term millennialism is drawn from Christianity it is a category that is used to study religious expressions in diverse cultures religious traditions and historical periods Sometimes millennial expectations are expressed in peaceful ways Other times millennialists become involved in violence The Oxford Handbook of Millennialism begins with a section that examines four primary types of millennialism Chapters in the next section examine key issues such as charismatic leadership use of scripture prophetic failure gender roles children tension with society and violence The rest of the book explores millennialism in a wide variety of places and times from ancient Near Eastern

movements to contemporary apocalyptic and new age movements including the roles played by millennialism in national and international conflicts This handbook will be a valuable resource for scholars of religious studies sociology psychology history and new religious movements *Beginner's Guide: Tribulation & Rapture* Creation Liberty Evangelism, Christopher J.
