Ras Al Khaimah Flame In The Desert:

Ras Al-Khaimah Michael Deakin, Robin Constable, 1976 Oil and Development in the Arab Gulf States Walid I. Sharif, 2023-10-12 Oil and Development in the Arab Gulf States 1985 brings together in one volume the manifold sources of information on the Arab Gulf region especially the impact of oil revenues on its economic political and social development It provides a balanced core of primary and secondary sources on various aspects of the economics of Arab oil between 1973 The Arabian Frontier of the British Raj James Onley, 2007-11-22 The Arabian Frontier of the British Raj is a study of one of the most forbidding frontier zones of Britain's Indian Empire The Gulf Residency responsible for Britain's relationship with Eastern Arabia and Southern Persia was part of an extensive network of political residencies that surrounded and protected British India Based on extensive archival research in both the Gulf and Britain this book examines how Britain's Political Resident in the Gulf and his very small cadre of British officers maintained the Pax Britannica on the waters of the Gulf protected British interests throughout the region and managed political relations with the dozens of Arab rulers and governors on both shores of the Gulf James Onley looks at the secret to the Gulf Residency's effectiveness the extent to which the British worked within the indigenous political systems of the Gulf He examines the way in which Arab rulers in need of protection collaborated with the Resident to maintain the Pax Britannica while influential men from affluent Arab Persian and Indian merchant families served as the Resident's native agents compradors in over half of the political posts within the Gulf Residency **Area Handbook for the Persian Gulf States** Richard F. Nyrop, 1977 An attempt to provide a comprehensive study of the dominant aspects of the five societies of Bahrain Kuwait Qatar Oman and the United Arab Emirates and to identify patterns of behavior characteristic of their people Historical Dictionary of the Gulf Arab States Malcolm C. Peck, 2007-12-20 The second edition of the Historical Dictionary of the Gulf Arab States comes at a time when the world's attention is riveted on the Middle East The small states covered in this volume Bahrain Kuwait Oman Oatar and the United Arab Emirates UAE possess about 20 percent of the world's total oil reserves Beyond the strategic and economic importance conferred upon them by their vast oil reserves the Gulf Arab states are worthy of attention for the inherent interest of their history and culture No area of the world has yielded more revealing and exciting archaeological finds in the past few decades than these states Investigations have brought to light extensive evidence of an important culture as old as Egypt of the Pharaohs or ancient Babylon which was virtually unknown previously except through rare references in the records of other civilizations. This expanded second edition covers the history of the five countries through a chronology broken down by country a list of acronyms and abbreviations an introductory essay a bibliography and several hundred cross referenced dictionary entries on important persons places and events of each country Everything from the Abbasids to Zubarah is covered in this essential reference on this increasingly important region of the world The A to Z of the Gulf Arab States Malcolm C. Peck, 2010-04-12 The A to Z of the Gulf Arab States comes at a time when the world s

attention is riveted on the Middle East The small states covered in this volume Bahrain Kuwait Oman Oatar and the United Arab Emirates UAE possess about 20 percent of the world's total oil reserves Beyond the strategic and economic importance conferred upon them by their vast oil reserves the Gulf Arab states are worthy of attention for the inherent interest of their history and culture No area of the world has yielded more revealing and exciting archaeological finds in the past few decades than these states Investigations have brought to light extensive evidence of an important culture as old as Egypt of the Pharaohs or ancient Babylon which was virtually unknown previously except through rare references in the records of other civilizations The A to Z of the Gulf Arab States is a paperback reprint of the Historical Dictionary of the Gulf Arab States This edition covers the history of the five countries through a chronology broken down by country a list of acronyms and abbreviations an introductory essay a bibliography and several hundred cross referenced dictionary entries on important persons places and events of each country Everything from the Abbasids to Zubarah is covered in this essential reference on this increasingly important region of the world Political Modernization in the Gulf Shahid Jamal Ansari, 1998 The entire Gulf is passing through a transitional phase The member states of the Gulf Cooperation Council GCC are witnessing change in varying degrees The change has become too evident from the 1960s It was oil more than any other factor which was responsible for a rapid transition Control over oil production and marketing have led to the strengthening of governmental role as owner and distributor of oil income The regions tribal society is being transformed into a modern society Political modernization is a recent phenomenon if the nature and extent of structural and informal transformations are taken into account Three broadly defined phases of political change can be discerned in the Arabian Peninsula the traditional the neo traditional and the modernizing or post traditional The modernizing phase was initiated by radical policies of socio economic development including the necessary restructuring of replacement of regimes and a redefinition or expansion of the scope and role of the state However the pace and direction of change is not clear enough The coming few *Area Handbook for the Persian Gulf States* Richard F. international spotlight Here Tatchell returns to Abu Dhabi and explores the city and its contradictions It is a tolerant melting pot of cultures and faiths but only a tiny percentage of its native residents are deemed eligible to vote by the ruling class and the nation's president holds absolute veto power over his advisory boards and councils. The Emirates boast one of the world's highest GDP per capita but the wealth inequality in its cities is staggering Abu Dhabi s royal family worth an estimated 500 billion lives off the sweat of the city's migrant workers who subject themselves to danger and poverty under barely observed labor laws But now the city is making an international splash with a showy investment in tourism arts and culture perhaps signaling a change to a more open tolerant state As this sparkling city surges into the future it devotes just as much energy to concealing its past Tatchell looks not only at history and social issues the ancient system of tribal organization the condition of the city's million foreign workers the emergence of women in Emirati society but also her own experiences as both a child and adult in this fascinating city that has radically changed and in other ways stayed the same Library General Catalogue of Printed Books 1976 to 1982 British Library, 1983 **United Arab Emirates** Peter Vine.
