The Scallywags - Memories of a Rascal's 1950's Childhood Peter Stockley, 2016-07-07 Do you ever think about how the roads you walked as a child change the doors that open in your future In 1951 seven year old Peter Stockley s life was set down a dark path after losing his mother Her legacy to him was an optimism and spirit that even a vile step mother could not break and after an explosive confrontation Peter set off on a new journey via an orphanage to his aunt and uncle s home in a tenement block by the North Liverpool docks The Billogs It was here he became one of The Scallywags a group of streetwise young rascals who knew every inch of the canals docklands and railway lines With a turbulent home life intense family tragedy and a chronic heart murmur Peter had ground to make up in a golden age when children would play in the streets from dusk until dawn But with the Scallywags he had the run of the city Peter embarked on a youth of picaresque adventures clinging to the backs of speeding lorries treading the boards of bombed houses for firewood head spinning climbs up fivestorey block of flats nothing was out of bounds for the Scallywags But their adventures also gave him an iron clad

sense of morality honesty and respect which would go on to shape the rest of his life This nostalgic deeply moving and often extremely funny memoir of youth and young manhood in the Liverpool of the fifties and sixties recalls the exuberant joy every child feels at being one of the gang and explores how the future can play out in very unexpected ways Modern Swedish Prose in Translation Karl Erik Lagerlöf, 1979 Modern Swedish Prose in Translation was first published in 1979 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions These excerpts from Swedish prose works mostly novels reflect major shifts in mood and style in the 25 years since 1950 Editor Karl Erik Lagerlöf traces cultural and political developments in Sweden from the post World War II era when writers felt themselves in a world devoid of political meaning and rejected realism as a literary mode down to the intensely political years of the Vietnam era The selections in this anthology range from the anti ideological works of the postwar years to recent documentary methods influenced by Marxism structuralism and a renewed political consciousness Murder At The Summer Cheese Festival Jodie Morgan, 2025-09-15 When cheese becomes deadly business one woman must slice through lies to uncover the truth Laura Evans thought trading her high stress Boston restaurant career for small town Vermont charm would bring peace Instead she finds herself knee deep in cheddar and conspiracy when a body turns up the General Store after a pre festival cheese tasting ahead of the Summer Cheese Festival And her boss Maggie is made the prime suspect The festival is less than two weeks away and with the store's reputation threatened Laura can't stand by and watch her new life crumble like aged parmesan With the help of her observant landlady Evelyn Chan she discovers beneath the town's picture perfect surface lies a complex web of rivalries family secrets and scandals And when there's an entire festival's worth of suspects she must separate friend from foe before it's too late Perfect for fans of cozy mysteries who crave A relatable amateur sleuth with real world experience Authentic small town atmosphere that feels like home Food focused mysteries with mouthwatering details Gentle suspense with satisfying plot twists Strong community bonds and found family themes Just enough danger to keep you turning pages This deliciously engaging book serves up the perfect blend of mystery and comfort where every clue unfolds naturally and justice arrives as satisfying as a perfectly aged Vermont cheddar **The New Naturals** Gabriel Bump, 2023-11-14 Critically acclaimed for readers of Paul Beatty's *The Sellout* and Jennifer Egan's *The Candy House* a moving and darkly funny novel about an attempt to found an underground Utopia An abandoned restaurant on a hill off the highway in Western Massachusetts doesn't look like much But to Rio a young Black woman bereft after the loss of her newborn child this hill becomes more than a safe haven it becomes a place to start over She convinces her husband to help her construct a society underground somewhere everyone can feel safe loved and accepted Soon their utopia begins to take shape and attracts the unhoused the disillusioned and the spiritually lost But no matter how much these people all yearn for a sanctuary from the existential dread of life above the surface what happens if this new society can't actually work From an exciting new literary

voice The New Naturals is fresh and deeply perceptive capturing the absurdity of life in the 21st century In this remarkable feat of imagination Bump shows us that ultimately it is our love for and connection to each other that will save us A 2023 NEW YORK TIMES and WASHINGTON POST Notable Book and a BOSTON GLOBE Best Book of the Year **Gift from a Magical Frog** V.
