## **Raspechatannaia Butylka:**

Mayakovsky Bengt Jangfeldt, 2014-12-23 A Life at Stake is the first serious biography of the legendary Russian poet Vladimir Mayakovsky. Physically imposing, crude, a sexual adventurer and ex convict, Mayakovsky rose to fame between 1912 and 1917 as a Futurist agitator and the author of radical poems and plays. He embraced the Russian Revolution and became one of its most passionate propagandists, then at the age of thirty-six took his own life, disappointed in the course of Soviet society and ravaged by private conflicts. Mayakovsky's poems are as exhilarating today as when he declaimed them for friends in smoky flats in Moscow, Berlin, Paris, and New York. In Bengt Jangfeldt's propulsive biography, Mayakovsky's life too is compelling: a story of constant passionate upheaval against the background of the First World War, the Russian Revolution, Stalin's terror, and cycles of anti-Semitism. Mayakovsky emerges from this biography as a highly vulnerable figure, more a dreamer than a revolutionary, more a political romantic than a hardened Communist. **Stories of the Soviet Experience**

Irina Paperno, 2011-01-15 Beginning with glasnost in the late 1980s and continuing into the present, scores of personal accounts of life under Soviet rule, written throughout its history, have been published in Russia, marking the end of an epoch. In a major new work on private life and personal writings, Irina Paperno explores this massive outpouring of human documents to uncover common themes, cultural trends, and literary forms. The book argues that diverse as they are, these narratives—memoirs, diaries, notes, blogs—assert the historical significance of intimate lives shaped by catastrophic political forces, especially the Terror under Stalin and World War II. Moreover, these published personal documents create a community where those who lived through the Soviet era can gain access to the inner recesses of one another's lives. This community strives to forge a link to the tradition of Russia's nineteenth-century intelligentsia; thus, the Russian intelligentsia emerges as an additional implicit subject of this book. The book surveys hundreds of personal accounts and focuses on two in particular, chosen for their exceptional quality, scope, and emotional power. Notes about Anna Akhmatova is the diary Lidiia Chukovskaia, a professional editor, kept to document the day-to-day life of her friend, the great Russian poet Anna Akhmatova. Evgeniia Kiseleva, a barely literate former peasant, kept records in notebooks with the thought of crafting a movie script from the story of her life. The striking parallels and contrasts between these two documents demonstrate how the Soviet state and the idea of history shaped very different lives and very different life stories. The book also analyzes dreams; most of them, terror dreams recounted in the diaries and memoirs of authors ranging from a peasant to well-known writers, a Party leader, and Stalin himself. History, Paperno shows, invaded their dreams too. With a sure grasp of Russian cultural history, great sensitivity to the men and women who wrote, and a command of European and American scholarship on life writing, Paperno places diaries and memoirs of the Soviet experience in a rich historical and conceptual frame. An important and lasting contribution to the history of Russian culture at the end of an epoch, *Stories of the Soviet Experience* also illuminates the general logic and specific uses of personal narratives. *Kritika Krumuka*, 2000
