Edvard Radzinsky, 2001-12-04 From the bestselling author of *Stalin and The Last Tsar* comes *The Rasputin File* a remarkable biography of the mystical monk and bizarre philanderer whose role in the demise of the Romanovs and the start of the revolution can only now be fully known For almost a century historians could only speculate about the role Grigory Rasputin played in the downfall of tsarist Russia But in 1995 a lost file from the State Archives turned up a file that contained the complete interrogations of Rasputin's inner circle With this extensive and explicit amplification of the historical record Edvard Radzinsky has written a definitive biography reconstructing in full the fascinating life of an improbable holy man who changed the course of Russian history Translated from the Russian by Judson Rosengrant [The Rasputin File](#)

Edvard Radzinsky, 2010-05-12 From the bestselling author of *Stalin and The Last Tsar* comes *The Rasputin File* a remarkable biography of the mystical monk and bizarre philanderer whose role in the demise of the Romanovs and the start of the revolution can only now be fully known For almost a century historians could only speculate about the role Grigory Rasputin played in the downfall of tsarist Russia But in 1995 a lost file from the State Archives turned up a file that contained the complete interrogations of Rasputin's inner circle With this extensive and explicit amplification of the historical record Edvard Radzinsky has written a definitive biography reconstructing in full the fascinating life of an improbable holy man who changed the course of Russian history Translated from the Russian by Judson Rosengrant **Rasputin** Édvard Radzinskiĭ, 2000 A major new work on one of the 20th Century's most charismatic figures by an author with great charisma of his own *To Kill Rasputin* Andrew Cook, 2011-10-21 The murder of Rasputin on the night of 16-17 December 1916 has always seemed extraordinary first he was poisoned then shot and finally drowned in a frozen river by Russian aristocrats fearful of his influence on Tsar Nicholas II and Tsarina Alexandra Or was he Dramatic new evidence from previously unpublished documents diaries forensic reports and intelligence records now means the plot takes a remarkable twist Grigori Rasputin is probably one of the best known but least understood figures in the events that ultimately led to the downfall of the Russian tsars His political role as the power behind the throne is obscured today as it was then by the fascination with his morality and private life Andrew Cook's re-investigation of Rasputin's death reveals for the first time the real masterminds behind the murder of the mad monk Why does the story of a peasant from a distant Siberian village becoming the all-powerful favourite of the last Russian tsar excite us more than almost any other episode in Russian history Why are there more lies and concealment than truth in the story of his murder Was this extraordinary man an evil demon who brought down the royal family or somebody who could have been its saviour *To Kill Rasputin* finally provides the answers to the many

We must seek to build a Russia based on three sound principles Peace Land and Bread NOTHING ELSE William Donaldson newly promoted Charge dAffaires for the United States Embassy in Petrograd formerly Saint Petersburg Russia could only cringe at hearing Lenins stirring proclamation announcing the primary goals for the Petrograd Soviet These ambitious words ran counter to the aims of his employer the American government As an American diplomat during the administration of President Woodrow Wilson William is obligated to support his countrys self serving objectives But as the husband to Sonjya Mastrova a Russian nation William is torn must he care out his duty or advocate a cause which he knows in his heart to be morally and ethically right Since he was a conscripted diplomat being named embassy charge daffaires should have been the crowning achievement for William Donaldson However as Russia spirals ever deeper into chaos and revolution his posting becomes a curse Caught up in a web of intrigue woven by Americas inept luxury loving ambassadors William is a witness to the final overthrow of Russias imperial family His dealings with the weak Russian provisional government will provide William with a textbook example chronicling the pitfalls of democracy As the faltering democratic provisional government splinters and becomes mired in gridlock the Russian people become truly desperate Knowing how desperate people will do desperate things the situation becomes ripe for Vladimir Lenin and his henchmen to finally implement their own vision for Russias future without any annoying outside interference When that model is forcibly imposed William can only lament at what he sees as the consequence for the Russian people of being yoked to the science of communism Is Russias exploited peasant population any better off than they were before **Psychics, Sensitives and Somnambules** Rodger I. begins with the assassination of the last Tzar of Russia and doesn't stop even when an American Submarine is lost in the Atlantic Ocean a fantastic car races ahead of pursuing mercenaries or when there is a supersonic dogfight in Soviet airspace What is Rasputin's Secret and what will happen to the world when it is revealed **Book Review Index**, 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index *Rasputin (Translated)* J W Bienstock, 2022-03-08 We put at the head of this book the name of Rasputin of this fantastic almost legendary figure because in the last decade of the regime Tsarist Rasputin is the one who personifies more intensely its madness and criminality and because the date of his death coincides a few days apart with that of the end of this regime The reign of the last of the Romanovs which lasted twenty three years is marked by a series of acts that seem a perpetual challenge to the Russian people All that the country possessed in terms of ability and honesty was discarded by the power and around the throne was pushed an ever growing crowd of careerists adventurers prostitutes thieves and swindlers of all kinds and all classes thaumaturges and wizards a diverse crowd of strange beings lawless and faithless who dug a gulf deeper and deeper between the emperor and his people The expression that better than any other characterizes the relations that since the beginning of this reign were established between the Court and the people is the expression that was commonly used in the emperor's environment We and they We that is the Court and its two props the inept bureaucracy and the depraved police They i e all the rest of Russia the immense people of one hundred and sixty three million souls in whom one saw an enemy momentarily subjugated but whom one must never forget to treat as an enemy The most outstanding the most extraordinary the most dramatic figure of this Court unique in the history of modern times was as we have said Rasputin Much has already been written about this all too famous character however neither his complete biography nor the specific and precise character of his action nor all the details of his death have yet been brought to light Today we have documents that allow us to partially fill this gap We have the newspaper of one of Rasputin's first victims the wife of General Loktin who followed the famous staretz step by step and noted the most picturesque and strangest details of his very bumpy life We also possess another paper that of the priest Heliodorus who was at first a fervent friend of Rasputin and later became the most ardent of his enemies And finally we now have the complete file of the judicial inquiry made after Rasputin's assassination Thanks to these elements we can trace a complete biography of the character or at least give the most essential notions But in order to understand the part played by Rasputin in the history of the last few years in order to understand how this illiterate uncouth repugnant peasant called unclean by all those who approached him could be for some time the true dictator of Russia instead of the emperor we need to briefly say what Russia and its ruler were **Word Study**, 1926 *Rasputin's Revenge* John Lescroart, 2003-11-04

a century has passed since Tsar Nicholas II family and retinue were said to have been executed by Cheka forces in the city of Yekaterinburg in the Russian Urals. Historians, theologians, and mavens of Romanov all reiterate sacrosanct versions of the event immortalized in writing, stage, and film depictions. However, the Russian Orthodox Church still hedges at the time of this writing about giving a definitive declaration of whose bones they possess and how history should be written. Persistent rumors that Anastasia perhaps with Alexei had survived seem to fit the standard of Occam's Razor. It is the easiest, even if the most rejected, most vilified, and most unfathomable answer. Evgenia Smetisko defies denial. Mr. Robert Bob Schmitt, an early founder of visual face recognition (VFR), announced after 2D/3D analyses that Anastasia and she are obviously the same woman. The reader will be intrigued to learn about the author's journey to uncover Smetisko's identity and enlightened to read her own memoirs included in this book. Her life prior to the Revolution, subsequent exile, deprivation, escape, hardships, the strength of her faith, and commitment to life will embolden readers in our equally perilous Hammer Complete. Howard Maxford, 2019-11-08. Think you know everything there is to know about Hammer Films, the fabled Studio that Dripped Blood? The lowdown on all the imperishable classics of horror like *The Curse of Frankenstein*, *Horror of Dracula*, and *The Devil Rides Out*. What about the company's less blood-curdling back catalog? What about the musicals, comedies, and travelogues, the fantasies, and historical epics, not to mention the pirate adventures? This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail, including budgets, shooting schedules, publicity, and more, along with all the actors, supporting players, writers, directors, producers, composers, and technicians. Packed with quotes, behind-the-scenes anecdotes, credit lists, and production specifics, this all-inclusive reference work is the last word on this cherished cinematic institution. **Help!
