Rasputin's Bastards David Nickle, 2020-11-24 Part BioShock part X Files part Sopranos and 100% uncut Nickle a glorious chaotic delight from the Bram Stoker Award winning author of Volk Peter Watts author of Blindsight Post Cold War a group of Russians bred from childhood to be psychic spies are called from around the globe to achieve their true purpose world domination But some of them have flourished in the lives they have carved out for themselves often in nefarious ways and they will not give up their freedom without a fight even as a new generation of telepathic children the beautiful dreamers are coming into power In Rasputin's Bastards David Nickle the acclaimed author of Eutopia Monstrous Affections and Volk offers readers an enormous tale bewilderingly complex but with lots of twists and turns that reward close attention It is grotesque violent and exciting with a supernatural tinge that is his hallmark Cory Doctorow BoingBoing This novel is supernatural eeriness at its best with intriguing characters no clear heroes and a dark passion at its heart Horror aficionados and fans of Stephen King's larger novels should appreciate this macabre look at the aftermath of the Cold War Library Journal Stiffly compelling Once you're done there's no question the hours spent enfolded in Nickle's imagination are well spent You won't ever feel the desire to ask for them back January Magazine A journey from the depths of the sea the heart of Mother Russia to the darkest corners of the soul K E Bergdoll The Crow's Caw **Vintage Roger** Roger Mortimer, 2020-02-06 I never usually know what to give the men in my life but I've found the perfect book VINTAGE ROGER by Roger Mortimer a collection of letters from the author's war years He manages to be hilariously funny even about the most gruesome encounters I laughed and cried and enjoyed every word Jilly Cooper Good Housekeeping festive pick I think prison has done me very little harm and some good I am now far better read far less smug and conceited far more tolerant and considerably more capable of looking after myself In 1930 twenty one year old Roger Mortimer was commissioned into the 3rd Battalion Coldstream Guards and spent the next eight years stationed at Chelsea Barracks He lived a fairly leisurely existence with his parents house in Cadogan Square a stone's throw away and pleasant afternoons were whiled away at the racecourse or a members club Admittedly things got a little tricky in Palestine in 1938 when Roger now a captain found himself amid the action in the Arab Revolt The worst however was yet to come In May 1940 while fighting the Germans with the British Expeditionary Force in the Battle of Belgium he was knocked unconscious by an exploding shell When he came round he was less than delighted to find that he was a prisoner of war Thus began a period of incarceration that would last five long years

and which for Roger there seemed no conceivable end in sight Vintage Roger is Roger Mortimer at his witty irreverent best exuding the charm and good humour that captured the nation's hearts in *Dear Lupin* and *Dear Lumpy* Steadfastly optimistic and utterly captivating these letters written to his good friend Peggy Dunne from May 1940 to late 1944 paint a vivid portrait of life as a POW

America's Rasputin David Milne, 2008-03-04 David Milne's *America's Rasputin* provides the first major study of the man who pushed two presidents into Vietnam Walt Rostow's meteoric rise to power from Flatbush Brooklyn to the West Wing of the White House seemed to capture the promise of the American dream Hailing from humble origins Rostow became an intellectual powerhouse a professor of economic history at MIT and an influential foreign policy adviser to John F Kennedy and Lyndon B Johnson Too influential according to some While Rostow inspired respect and affection he also made some powerful enemies Averell Harriman one of America's most celebrated diplomats described Rostow as America's Rasputin for the unsavory influence he exerted on presidential decision making Rostow was the first to advise Kennedy to send U.S. combat troops to South Vietnam and the first to recommend the bombing of North Vietnam He framed a policy of military escalation championed recklessly optimistic reporting and then advised LBJ against pursuing a compromise peace with North Vietnam David Milne examines one man's impact on the United States' worst ever military defeat It is a portrait of good intentions and fatal misjudgments A true ideologue Rostow believed that it is beholden upon the United States to democratize other nations and do good no matter what the cost America's Rasputin explores the consequences of this idealistic but unyielding dogma
