**Walter Laqueur**

## **Rat War:**

**Rats** Robert Sullivan, 2008-12-11 New York Public Library Book for the Teenager New York Public Library Book to Remember PSLA Young Adult Top 40 Nonfiction Titles of the Year Engaging a lively informative compendium of facts theories and musings Michiko Kakutani New York Times Behold the rat dirty and disgusting Robert Sullivan turns the lowly rat into the star of this most perversely intriguing remarkable and unexpectedly elegant New York Times bestseller Love them or loathe them rats are here to stay they are city dwellers as much as or more than we are surviving on the effluvia of our society In *Rats* the critically acclaimed bestseller Robert Sullivan spends a year investigating a rat infested alley just a few blocks away from Wall Street Sullivan gets to know not just the beast but its friends and foes the exterminators the sanitation workers the agitators and activists who have played their part in the centuries old war between human city dweller and wild city rat Sullivan looks deep into the largely unrecorded history of the city and its masses its herds of rats like mob Funny wise sometimes disgusting but always compulsively readable *Rats* earns its unlikely place alongside the great classics of nature writing With an all new Afterword by the author **The Rat Problem** W. R. Boelter, 1909 Supplement to Bulletin No. 39 United States. Department of State, 1937 **Treaty Information Bulletin** United States. Department of State, 1935 **Guerrilla Warfare** Walter Laqueur, 2017-07-28 As the author makes clear every book has a history *Guerrilla Warfare* is no exception Together with its sequel *Terrorism* and two companion readers it was part of a wider study to give a critical interpretation of guerrilla and terrorism theory and practice throughout history It did not aim at providing a general theory of political violence nor did it give instructions on how to conduct guerrilla warfare and terrorist operations Its aim remains to bring about greater semantic and analytic clarity and to do so at psychological as well as political levels While the word guerrilla has been very popular much less attention has been given to guerrilla warfare than to terrorism even though the former has been politically more successful The reasons for the lack of detailed attention are obvious guerrilla operations take place far from big cities in the countryside in remote regions of a nation In such areas there are no film cameras or recorders In his probing new introduction Laqueur points out that a review of strategies and the fate of guerrilla movements during the last two decades show certain common features Both mainly concerned nationalists fighting for independence either against foreign occupants or against other ethnic groups within their own country But despite the many attempts only in two places Afghanistan and Chechnya were the guerrillas successful According to Laqueur historical experience demonstrates that guerrilla movements have prevailed over incumbents only in specific conditions Due to a constellation of factors ranging from modern means of observation to increase in firepower The author suggests that we may witness a combination of political warfare propaganda guerrilla operations and terrorism In such cases this could be a potent strategy for unsponsored revolutionary change But either as social history or military strategy this work remains a crucial work of our times **The Adrienne Kennedy Reader** Adrienne Kennedy, 2001-08-13 Introduction by Werner Sollors Adrienne Kennedy

has been a force in American theatre since the early 1960s influencing generations of playwrights with her hauntingly fragmentary lyrical dramas Exploring the violence racism visits upon people s lives Kennedy s plays express poetic alienation transcending the particulars of character and plot through ritualistic repetition and radical structural experimentation Frequently produced read and taught they continue to hold a significant place among the most exciting dramas of the past fifty years This first comprehensive collection of her most important works traces the development of Kennedy s unique theatrical oeuvre from her Obie winning Funnyhouse of a Negro 1964 through significant later works such as A Movie Star Has to Star in Black and White 1976 Ohio State Murders 1992 and June and Jean in Concert for which she won an Obie in 1996 The entire contents of Kennedy s groundbreaking collections In One Act and The Alexander Plays are included as is her earliest work Because of the King of France and the play An Evening with Dead Essex 1972 More recent prose writings Secret Paragraphs about My Brother A Letter to Flowers and Sisters Etta and Ella are fascinating refractions of the themes and motifs of her dramatic works even while they explore new material on teaching and writing An introduction by Werner Sollors provides a valuable overview of Kennedy s career and the trajectory of her literary development Adrienne Kennedy b 1931 is a three time Obie award winning playwright whose works have been widely performed and anthologized Among her many honors are the American Academy of Arts and Letters award and the Guggenheim fellowship In 1995 6 the Signature Theatre Company dedicated its entire season to presenting her work She has been commissioned to write works for the Public Theater Jerome Robbins the Royal Court Theatre the Mark Taper Forum and Juilliard and she has been a visiting professor at Yale Princeton Brown the University of California at Berkeley and Harvard She lives in New York City
