## **Retrospectives On Switzerland In World War Two:**

Retrospectives on Switzerland in World War Two Donald P. Hilty, 2001-01-01 Switzerland landlocked and encircled by the Axis averted invasion and occupation in World War II largely through its own efforts They prepared for war through a strong military build up backed by strict adherence to its centuries old policy of armed neutrality and were able to preserve its own democracy and provide a safe haven for hundred of thousands of victims of the conflict *Historical Dictionary of World War II* Anne Sharp Wells, 2013-12-24 This dictionary covers the complex and costly conflict that began when Germany ruled by Adolf Hitler and the Nazi Party invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7 9 May 1945 leaving much of the European continent in ruins and its population devastated The war against Germany Italy and the other European Axis members was fought primarily in Europe the Mediterranean the Middle East East and North Africa and the Atlantic Ocean The Axis powers were defeated by the Allies led by the Grand Alliance of Great Britain the United States and the Union of Soviet Socialist Republics The Historical Dictionary of World War II The War against Germany and Italy relates the history of this war through a chronology an introductory essay maps and photos and an extensive bibliography The dictionary section has more than 300 cross referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral wartime alliances and conferences significant civilian and military leaders and major ground naval and air operations This book is an excellent access point for students researchers and anyone wanting to know more about World War II **Historical Dictionary of Switzerland** Leo Schelbert, 2014-05-21 Switzerland s exceptional scenic beauty of valleys lakes and mountains its central location on international trade routes and its world famous banking system are just a few elements that have contributed to its rise in the global market It consists of twenty six member states called cantons and it s actively engaged in the maintenance of peace among nations The history of the Swiss Confederation is as rich and varied as its culture and people This updated second edition of Historical Dictionary of Switzerland features the nation s multicultural and democratic traditions and institutions its complex history and its people s involvement in past and present world affairs This is done through a list of abbreviations and acronyms a chronology an introduction appendixes maps a bibliography and over 500 cross referenced dictionary entries on important persons places events and institutions as well as significant political economic social and cultural aspects This book is an excellent access point for students researchers and anyone who wants to know more about Switzerland *Switzerland and the Second World War* Georg Kreis, 2000-06-29 This collection of essays sheds light on the history of Switzerland during World War II covering such topics as trade financial relations gold refugees defence and foreign relations It also touches on official post war measures to suppress Switzerland s involvement in the war **The Swiss and the Nazis** Stephen Halbrook, 2006-05-19 The award winning author of Target Switzerland uses a wide breadth of research to attempt to answer why Switzerland escaped the Nazi onslaught Daly History Blog While surrounded by the Axis powers in World War II Switzerland remained democratic

and unlike most of Europe never succumbed to the siren songs and threats of the Nazi goliath This book tells the story with emphasis on two voices rarely heard One voice is that of scores of Swiss who lived in those dark years told through oral history They mobilized to defend the country labored on the farms and helped refugees The other voice is that of Nazi Intelligence those who spied on the Swiss and planned subversion and invasion Exhaustive documents from the German military archives reveals a chilling rendition of attack plans which would be dissuaded in part by Switzerland s armed populace and Alpine defenses Laced with unique maps and photos the book reveals how the Swiss mobilized an active spiritual defense of their country including the use of the press and cabaret as weapons against totalitarianism and explores the role of women in the military and economy the role of Jewish officers in the highest levels of the Swiss army and the role of Switzerland itself as America s window on the Reich Halbrook succeeds not only in achieving a thorough analysis of Switzerland s armed neutrality but also in revealing through their own voices the willingness of ordinary citizens to accept total war in order to preserve their freedom Swiss American Historical Society Review
