Return Of The Martyrs:

The "SUPERWHELMING", "GLORIOUSTOUNDING", "MEGAMIRACULOUS" Return of the King of Kings and Pretentious Interloper Cedric Fisher, 2024-06-19 Complaints are replete on social media and everywhere people gather to sip coffee and opine about the world's ills. Something is wrong with American society. A few years ago people were saying I don't know how it can get worse. It is worse and going to get worse. The reality and angst of watching it disintegrate have pressed many people into apathy. They have latched onto the belief that God will not permit them to suffer the consequences of the world's wicked rebellion. Instead, Christ will snatch them off the earth and out of danger during a split second secret coming. There is an alternative to apathy and fantastical notions. It is the central focus of biblical eschatology: the superwhelming gloriously astounding megamiraculous return of the King of kings. **Return of the Martyrs** Richard Alan Ruof, 2005-05-11. These poems describe the character, trials, and faith of the neighborhood churches that deeply affected the lives of children, teenagers, and adults on the American scene. The changing experience is described in poems on the Beatitudes and American life as parents unknowingly invite strangers into their homes who instill the secular views of television, the Internet, and public school text books. The sheer weight of indoctrination dismisses the Spiritual from childhood experience and conviction. The book concludes with the trials of the martyrs who pursued the poet throughout his life. They were not then known to him by name or story, save in spiritual experiences. Lately, he fully learned their identity as the founders of Christian schools for children in Wales and England. Their costly sacrifice is related. The book ends with a tribute to those martyrs who died before a weeping nation, the heroes of the Twin Towers, a tragedy but a willing sacrifice of historic proportion. **The Martyrdom of the Franciscans** Christopher MacEvitt, 2020-03-06. A study of three hundred years of medieval Franciscan history that focuses on martyrdom. While hagiographies tell of Christian martyrs who have died in an astonishing number of ways and places, slain by members of many different groups, martyrdom in a Franciscan context generally meant death at Muslim hands; indeed, in Franciscan discourse, death by Saracen came to rival or even surpass other definitions of what made a martyr. The centrality of Islam to Franciscan conceptions of martyrdom becomes even more apparent and problematic when we realize that many of the martyr narratives were largely invented. Franciscan authors were free to choose the antagonist they wanted. Christopher MacEvitt observes, and they almost always chose Muslims. However, martyrdom in Franciscan accounts rarely leads to conversion of the infidel, nor is it accompanied as is so often the case in earlier hagiographical accounts by any miraculous manifestation. If the importance of preaching to infidels was written into the official Franciscan Rule, of Order, the Order did not demonstrate much interest in conversion, and the primary efforts of friars in Muslim lands were devoted to preaching not to the native populations but to the Latin Christians, mercenaries, merchants, and captives living there. Franciscan attitudes toward conversion and martyrdom changed dramatically in the beginning of the fourteenth century, however, when accounts of the martyrdom of four Franciscans, said to have died while preaching in India, were written. The

speed with which the accounts of their martyrdom spread had less to do with the world beyond Christendom than with ecclesiastical affairs within MacEvitt contends The Martyrdom of the Franciscans shows how for Franciscans martyrdom accounts could at once offer veiled critique of papal policies toward the Order a substitute for the rigorous pursuit of poverty and a symbolic way to overcome Islam by denying Muslims the solace of conversion John Chrysostom Pauline Allen, Wendy Mayer, 2002-03-11 This book examines John Chrysostom's role as preacher and his pastoral activities as deacon, presbyter and bishop It also provides fresh and lively translations of a key selection of sermons and letters The Didache Shawn J. Wilhite, Michael A. G. Haykin, 2019-09-04 The Apostolic Fathers Commentary Series aims to complement the study of early Christianity through historical literary and theological readings of the Apostolic Fathers Writers of the AFCS volumes seek to be mindful of critical scholarship while commenting on a final form text Shawn J. Wilhite's commentary on the Didache includes a brief introduction to the Didache the use of Scripture by the Didachist and the theology of the Didache The commentary proceeds section by section with a close ear to the text of the Didache relevant early Christian literature and current scholarship **Baptismal Instructions** Saint John Chrysostom, 1963 Translation of 8 instructions on baptism given by St John Chrysostom probably at Antioch about 390 A.D. The Cult of the Saints Saint John Chrysostom, Wendy Mayer, 2006 The cult of the saints is a phenomenon that expanded rapidly in the fourth century and John Chrysostom's homilies are important witnesses to its growth In this volume Wendy Mayer investigates the liturgical topographical and pastoral aspects that marked the martyr cult at Antioch and Constantinople in John's time BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **The Life of Muhammad** Rizwi Faizer, 2013-09-05 Muhammad b Umar al Waqidi was a Muslim scholar born in Medina in the 1st Century Of his several writings the most significant is the Kitab al Maghazi one of the earliest standard histories of the life of the Prophet Translated into English for the first time Rizwi Faizer makes available this key text to a new English speaking audience It includes an Introduction authored jointly by Rizwi Faizer and Andrew Rippin and a carefully prepared index The book deals with the events of the Prophet's life from the time of his emigration from Mecca to his death and is generally considered to be biographical Bringing together events in the Prophet's life with appropriate passages of Qur'an in a considered sequence the author presents an interpretation of Islam that existed in his times It includes citations from the Qur'an as well as poetry that appears to have been inspired by activities during his life This English translation of a seminal text on the life of Muhammad is an invaluable addition to the existing literature and will be of great significance to students and scholars in the field of Islamic studies Islamic history Medieval history and Arabic literature **Christian Pacifism for an Environmental Age** Mark Douglas, 2019-04-25 Provides a new understanding of the traditions of Christian pacifism in order to address wars in a warming world **Empires of God** Linda Gregerson, Susan Juster, 2011 Linda Gregerson is Caroline Walker Bynum Distinguished University Professor of English at the University of Michigan
