Mark O'Doherty

Return To Slayaria:

Descent into Doracheon - Part Two of the Arlanian Trilogy Mark O'Doherty, 2012-02-03 Led by their visionary strength the disciples are on the quest of finding the legendary Cosmic Jewel which is believed to bring peace between the Zimraque and the Arlanian people Their journey leads them into Doracheon a sister city of the Arlanian Empire ruled by the immortal Matriarch Queen Caetherra who is believed to use dark necromancy to uphold the might of their subterranean kingdom Alastryr Eulalayio and Wempos are resolved to end the rule of Caetherra but Uranity opposes them and a bitter battle for the control of Doracheon begins Anise and Sirina the other other disciples decide to join forces with the Arlanian High Priestesses Thephar Ka and Hecate resuming their quest for the Cosmic Jewel But to find it they must get to the Ether the only way for them to get there being the Aquatix Vortex in the Sitarrean Sea a maelstrom of death from which nobody has been known to return [Return to Slayaria](#) J. M. Barnes, 2005-04 Rax awakens no longer a mute but as a prophet in the name of none other than Gaea He says the Demonslayers must prepare A war that will shake the sun is about to occur that will decide the fate of not only the Demonslayers but the entire world Darkon must be prepared to become the leader of his people but he must be properly trained in the mind flow and be free from the looming shadow of insanity that its presence helped to create Krosten has found just the woman for the job Malynine the oracle of the Khurl clan Calic Matar s plans have reached fruition The Demonslayers have gathered the wayward children of the land All the better to incite the endless hordes in the Unifier s name The pantheons will have to realize that the final day has come unless they can forget their petty differences and stand together against this demonic threat Using elder magic the Unifier threatens to open a gateway to our world where he plans to lead his foul brethren to long awaited dominion over Earth Can even the gods stop him now Not if the armies of Hell can stop him first The All Mother cradles her favorite children once again in their ancient homeland Will they be staying or will they be heading for greener pastures Whatever did happen to all that was magical on Earth Well now you can find out as the elves dwarves and even the faerie finally recognize they have little remaining choice in the face of human advancement or human savagery Walk ye now beside the Demonslayers Earth s one time protectors because before you know it they will have disappeared
