Goland,2025-09-14 In a kingdom where the suns never set and magic hides behind silence a shadow is stirring Avalon a young warrior with silver hair and a haunted past only wishes to protect his friends and prove himself worthy of the king s armies But when he and Clariss his fearless childhood companion witness an impossible eclipse that no one else remembers their lives are thrown into a world of secrets ancient powers and long buried truths As they journey beyond their peaceful village of Haven they discover allies in the fiery archer Rose and the battle scarred swordsman Jake and enemies in creatures thought to exist only in myths Together they must survive harpies gremlins and darker horrors while unraveling the mysteries of enchanted jewels and forgotten wars But the deeper Avalon travels the clearer it becomes this is no ordinary coming of age tale It is the beginning of a saga that will shape kingdoms forge unbreakable bonds and decide the fate of Ebon itself Cauldron of Changes Janice C. Crosby,2023-10-26 The spiritual dimensions in the fantastic works of both firmly established and newer writers including such talents as Marion Zimmer Bradley Alice Walker Patricia Kennealy Octavia Butler Toni Morrison and Ntozake Shange are examined in this book The author links their fantastic novels to actual currents within the feminist spirituality movement addressing the genre s use of goddess worship psychic phenomena and reverence for the earth Special emphasis is given to both the struggle to provide an alternative to men centered experience and to the need to articulate ways in which feminists can achieve personal and social power *Return To Avalon* Nikita Jones,2022-07-05 Kenna Rhodes is nothing more than a hexblood a vampire witch hybrid and slave to the royals on the Isle of Sanctuary She spends each day working outside in the scorching heat as she daydreams about life on the outside and longs for the freedom she believes it will bring When her sister is murdered she attempts to flee the island but instead runs right into the arms of a sexy shifter with fiery eyes and a bad attitude In return for his help in finding who murdered her sister she must leave the island and travel back to his home in New Orleans to discover a way to remove the mark that binds them *The Arthurian World*

Victoria Coldham-Fussell, Miriam Edlich-Muth, Renée Ward, 2022-06-30 This collection provides an innovative and wide ranging introduction to the world of Arthur by looking beyond the canonical texts and themes taking instead a transversal perspective on the Arthurian narrative Together its thirty four chapters explore the continuities that make the material recognizable from one century to another as well as transformations specific to particular times and places revealing the astonishing variety of adaptations that have made the Arthurian story popular in large parts of the world Divided into four parts The World of Arthur in the British Isles The European World of Arthur The Material World of Arthur and The Transversal World of Arthur the volume tracks the legend's movement across temporal geographical and material boundaries Broadly chronological each part views the unfolding Arthurian story through its own lens while temporal and geographical overlaps between the sections underscore the proximity of these developments in the legend's history Ranging from early Latin chronicles and Welsh poetry to twenty first century anime and political conspiracies this comprehensive and illuminating book will be of interest to anyone researching Arthurian literature or tracing the evolution of medievalism through literature the visual arts and popular culture

The Glory of Arthur Jeffrey John Dixon, 2014-07-18 Starting with William Blake's lost painting The Ancient Britons this book shows how the visionary artist and poet reworked the Matter of Britain the corpus of legends presenting an alternative history of Britain into his own mythology He thus adds to a tradition of Arthurian epic begun by Layamon in the 13th century and continued by Edmund Spenser in the 16th in which a Romano Celtic warlord becomes an icon of the English imagination This book shows how Britain became the promised land of a pagan goddess where mythical events are as important as those of history and how the figure of Arthur is transformed into a British Messiah whose Christian realm is in continuous interaction with the Otherworld of Faerie an imagined place between the spiritual and the earthly Arthur as perceived through Blake's vision is the earthly embodiment of the fallen Albion this exploration of the mythic underpinnings of the English sense of nationhood reveals an imaginative consciousness that links us to human existence itself

Postmodern Medievalisms Richard J. Utz, Jesse G. Swan, 2005 Studies of texts from the late middle ages to the contemporary moment together they indicate broadly directions both in postmodern studies and studies in medievalism

Daughter of Eve Mira El Lindsey, 2020-01-28 Daughter of Eve Vivianne Lady of the Lake By Mira El Lindsey The story of Arthur and the Knights of the Round Table is known by many It has been told and retold throughout time Now see it through the eyes of the Lady of the Lake Vivianne as she recounts the well known tale as it really happened In Avalon there is peace and the priestesses of the Mother Goddess can live and worship in peace But constant invasions from the Saxons threaten life and rule in Britain There will be a time when a great king will vow to unify all and rule from a throne of love in Camelot His journey will not be easy as there are many who wish his downfall But with the inner sight that resides within his aunts and sister his journey will be well watched Vivianne High Priestess of Avalon recounts these times and tells those willing to listen the truth about her family and of Camelot
