University of Helsinki

Faculty of Theology

Abstract

In recent decades, there has been a resurgence of interest in natural theology, not merely among Catholics, but also among Protestants. This would not come as a surprise to Karl Barth, who believed it to be a perennial temptation for believers, a “Hydra” that always grows a new head when an old one is struck down. However, there is a need to assess how new defenders of natural theology have responded to Barth’s critique, and whether natural theology is now viable also within Protestant thought. In this article, I assess the effectiveness of Barth’s critique of natural theology in light of the responses by two of natural theology’s most prominent contemporary defenders: Richard Swinburne and Alister McGrath.

Keywords: natural theology, analogy of being, Karl Barth, Richard Swinburne, Alister McGrath

Introduction

Karl Barth (1886–1968), possibly the most influential theologian of the 20th century, believed that natural theology is the antithesis of true Christian theology, a temptation occurring time and again in Church history. According to Barth, “so far there has not been a single attempt at renewal in Evangelical theology to which openly or secretly, from near or from far, it has not

Return To Natural Theology

F. H. Cleobury

Return To Natural Theology:

A Return to Natural Theology F. H. Cleobury, 1967 *A Return to Natural Theology, by F.H. Cleobury* F. H. Cleobury, 1967 Theism as a Science of Natural Theology and Natural Religion Charles Voysey, 1895 **The Bible, Natural Theology and Natural Law: Conflict Or Compromise?** Robert A. Morey, 2010-05 Dr Robert Morey's study of natural law and natural theology raises important questions that every Bible believer will want answered His careful study and explanation of various Bible passages will yield a useful orientation to the classic arguments furnished us by the Reformers and their faithful heirs Dr Nelson Kloosterman The present volume presents a devastating critique of natural theology and natural law Its argument is solidly biblical and its accumulation of biblical data is overwhelming I hope that God prospers it so that many will read it and take heed Dr John Frame A W Tozer said the most important thing about any person is what comes into their mind when they think of the word God If you digest Dr Morey's book you will think of God as the glorious One depicted in Holy Scripture John G Reisinger I appreciate Dr Morey's emphasis on making the Bible alone the theoretical basis for science and the arts All throughout the book he consistently points to the Scriptures as the basis for sustaining everything else Dr Simon Kistemaker **Dysteleology** Michael Berhow, 2019-06-25 A common theological critique of intelligent design ID centers on the problem of dysteleology This problem states that because there are clear examples of suboptimal design in biology life is probably not the product of an engineer like designer If it were then one could argue that the designer is less than fully competent ID critic Francisco Ayala expresses this critique in the following question If functional design manifests an Intelligent Designer why should not deficiencies indicate that the Designer is less than omniscient or less than omnipotent This book provides a philosophical analysis of two approaches to answering this question one offered by Ayala and the other offered by William Dembski a leading ID theorist **Natural Theology** Maurice Muhatia Makumba, 2006 The Natural History of Creation M. Corey, 1995-05-09 The Natural History of Creation is the third and final installment in M A Corey's natural theology series This remarkable trilogy the first of its kind in this century has worked in tandem with the findings of modern science to help spearhead the rebirth of the natural theology movement around the world Nowhere will the reader find a more thorough description of the many breathtaking parallels between our modern scientific picture of the creation of the universe and the poetic description of the creation in Genesis One Contents The Scientific Accuracy of Genesis One The Rise of Humanity Physical Anthropology and Intelligent Design God and the Nature of Time Morality and Evolution Human Nature and the Divine Image Genesis and Moderate Anthropocentrism A Self Created Universe Frank Tipler's Omega Point Theory Divine Action and the Role of Natural Processes A Contrived World Evolution and the Nature of the Miraculous Is Life an Accident On the Validity of Natural Theology A Scientific Interpretation of the Divine Nature Epilogue Towards a Genuine Religious Ecology *Covering Up Luther* Rustin E. Brian, 2013-03-13 Karl Barth's Christology provides a key to out narrating the Deus absconditus which as Rustin Brian contends is in fact the god of

modernity Included in this is the rejection of the logical and philosophical systems that allow for the modern understanding of God as the Deus absconditus namely dialectics and nominalism This rejection is illustrated interestingly enough in Barth s decision to literally cover up with a rug Martin Luther s works in his personal library Surely this was more than a decorative touch The reading of Barth s works that results from this starting point challenges much of contemporary Barth scholarship and urges readers to reconsider Barth Through careful examination of a large body of Barth s writings particularly in regard to the issues of the knowledge or knowability of God as well as Christology Brian argues that contemporary Barth scholarship should be done in careful conversation with the finest examples of both Protestant and especially Roman Catholic theology Barth s paradoxical Christology thus becomes the foundation for a dogmatic ecumenicism Barth s Christology then just might be able to open up possibilities for discussion and even convergence within a church that is anything but one

Ramified Natural Theology in Science and Religion Rodney Holder, 2020-10-15 This book offers a rationale for a new ramified natural theology that is in dialogue with both science and historical critical study of the Bible Traditionally knowledge of God has been seen to come from two sources nature and revelation However a rigid separation between these sources cannot be maintained since what purports to be revelation cannot be accepted without qualification rational argument is needed to infer both the existence of God from nature and the particular truth claims of the Christian faith from the Bible Hence the distinction between bare natural theology and ramified natural theology The book begins with bare natural theology as background to its main focus on ramified natural theology Bayesian confirmation theory is utilised to evaluate competing hypotheses in both cases in a similar manner to that by which competing hypotheses in science can be evaluated on the basis of empirical data In this way a case is built up for the rationality of a Christian theist worldview Addressing issues of science theology and revelation in a new framework this book will be of keen interest to scholars working in Religion and Science

Natural Theology Philosophy of Religion Biblical Studies Systematic Theology and Science and Culture Science and Theology James K. Dew Jr., 2011-01-17 Alister McGrath s work on the relationship between Science and Theology makes the most notable contribution to the subject written by an evangelical in recent history McGrath holds earned doctorates in both science and theology and his three volume set *A Scientific Theology* is the culmination of three decades of his work on the subject In this book James K Dew explores McGrath s contribution to the issue and highlights the benefits of adopting a critical realist perspective such as his own In particular Dew argues that McGrath s approach helps establish a unified theory of knowledge and holds significant advantages for scientists and theologians alike

When somebody should go to the books stores, search inauguration by shop, shelf by shelf, it is truly problematic. This is why we offer the ebook compilations in this website. It will unquestionably ease you to see guide **Return To Natural Theology** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. Return To Natural Theology Introduction

In the digital age, access to information has become easier than ever before. The ability to download Return To Natural Theology has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Return To Natural Theology has opened up a world of possibilities. Downloading Return To Natural Theology provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Return To Natural Theology has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Return To Natural Theology. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Return To Natural Theology. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Return To Natural Theology, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Return To Natural

Theology has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Return To Natural Theology Books

1. Where can I buy Return To Natural Theology books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Return To Natural Theology book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Return To Natural Theology books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Return To Natural Theology audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Return To Natural Theology books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
