About speaker and author Dr Timothy Paul Jones: Dr Jones serves as Professor of Leadership and Church Ministry at The Southern Baptist Theological Seminary in Louisville, Kentucky. The Beginning and End of All Things Edward W. Klink III, 2023-05-30. Edward W. Klink III presents a holistic understanding of creation, one that is unfolded throughout all of Scripture and is at the core of the gospel itself. Along with offering rich insights about God and his purposes for the world, a biblical theology of creation guides how we engage nature, culture, and life as embodied beings.

The Crucified King Jeremy R. Treat, 2014-05-27. The kingdom of God and the atonement are two of the most important themes in all of Scripture. Tragically, theologians have often either set the two at odds or focused on one to the complete neglect of the other. In *The Crucified King*, Jeremy Treat demonstrates that Scripture presents a mutually enriching relationship between the kingdom and atonement that draws significantly from the story of Israel and culminates in the crucifixion of Christ the king. As Israel's messiah, he holds together the kingdom and the cross by bringing God's reign on earth through his atoning death. The kingdom is the ultimate goal of the cross, and the cross is the means by which the kingdom comes. Jesus' death is not the failure of his messianic ministry nor simply the prelude to his royal glory but is the apex of his kingdom mission. The cross is the throne from which he rules and establishes his kingdom. Using a holistic approach that brings together the insights of biblical and systematic theology, this book demonstrates not only that the kingdom and the cross are inseparable but how they are integrated in Scripture and theology.

The Path of Faith Brandon D. Crowe, 2021-03-02. The closely related biblical themes of covenant and law are among the most important in Scripture. In this ESBT volume, Brandon Crowe considers these themes throughout both Old and New Testaments, laying out key principles such as our obligation to obey our Creator, how Jesus' perfect obedience to God's law opens the way to eternal life, and what the law means for us today.

Redeeming the Life of the Mind John M. Frame, Wayne Grudem, John J. Hughes, 2017-11-15. Vern Poythress, one of today's leading Reformed theologians, has made many vital contributions to evangelical scholarship, particularly a vision to glorify Christ as Lord over all areas of human life in order to redeem all realms of human thought. In honor of his many years of faithful thinking and writing, twenty evangelical scholars have come together to produce a set of essays on topics of importance throughout his ministry: biblical exegesis, the doctrine of the Trinity, worldview, history, and ethics.
