Reveille In Washington:

Reveille in Washington Margaret Leech, 2011-06-07 Winner of the Pulitzer Prize Featuring a foreword by Battle Cry of Freedom author James McPherson A vibrant portrait of Civil War era Washington D C that is packed and running over with the anecdotes scandals personalities and tragicomedies of the day from the first woman to win the Pulitzer Prize for History The New Yorker 1860 The American capital is sprawling fractured squalid colored by patriotism and treason and deeply divided along the political lines that will soon embroil the nation in bloody conflict Chaotic and corrupt the young city is populated by bellicose congressmen Confederate conspirators and enterprising prostitutes Soldiers of a volunteer army swing from the dome of the Capitol assassins stalk the avenues and Abraham Lincoln struggles to justify his presidency as the Union heads to war *Reveille in Washington* focuses on the everyday politics and preoccupations of Washington during the Civil War From the stench of corpse littered streets to the plunging lace on Mary Lincoln's evening gowns Margaret Leech illuminates the city and its familiar figures among them Abraham Lincoln Jefferson Davis Robert E Lee William Seward and Mary Surratt in intimate and fascinating detail Leech's book remains widely recognized as both an impressive feat of scholarship and an uncommonly engrossing work of history The best single popular account of Washington during the great convulsion of the Civil War The Washington Post *Reveille in Washington 1860-1865. [With plates and a map.]* Margaret LEECH (Novelist.), 1941 *Reveille in Washington 1860-1865* Margaret Washington, 1942 **Reveille in Washington, 1860-1865, by Margaret Leech** Margaret Leech, 1945 *Reveille in Washington, 1860-1865* Margaret Leech, 1986-04-01 An authentic robust scholarly description of everyday life in Washington during the Civil War Soldiers the wounded politicians spies whores war profiteers a quiet half loyal Southern city suddenly turned into a turbulent metropolis Winner of the 1942 Pulitzer Prize in History it is an authentic scholarly description of life in Washington during the Civil War written in a highly readable style In 2001 a Reader's Catalog Selection one of the 40 000 best books in print **The Battle of Hanover Court House** Michael C. Hardy, 2024-12-04 One year into the Civil War beset by military and political pressures General George B McClellan committed his Army of the Potomac to the Peninsula Campaign with the capture of Richmond his ultimate goal Hampered by Lincoln's demand for troops to protect Washington a limited Union Army entered a series of battles around the community of Hanover Court House Virginia Although they forced a Confederate retreat they missed the opportunity to press on and capture Richmond an opportunity that never came again Here is the first detailed look at the battle most widely known as Hanover Court House and Slash Church focusing on the engagements between Union V Corps commander Fitz John Porter and Confederate General Lawrence O Bryan Branch Photographs are included along with appendices featuring the official reports of both commanders and lists of casualties from both sides **Chocolate City** Chris Myers Asch, George Derek Musgrove, 2017-10-17 Monumental in scope and vividly detailed *Chocolate City* tells the tumultuous four century story of race and democracy in our nation's capital Emblematic of the ongoing tensions between

America's expansive democratic promises and its enduring racial realities Washington often has served as a national battleground for contentious issues including slavery segregation civil rights the drug war and gentrification But D C is more than just a seat of government and authors Chris Myers Asch and George Derek Musgrove also highlight the city's rich history of local activism as Washingtonians of all races have struggled to make their voices heard in an undemocratic city where residents lack full political rights Tracing D C's massive transformations from a sparsely inhabited plantation society into a diverse metropolis from a center of the slave trade to the nation's first black majority city from Chocolate City to Latte City Asch and Musgrove offer an engaging narrative peppered with unforgettable characters a history of deep racial division but also one of hope resilience and interracial cooperation **Cry Havoc!** Nelson Lankford, 2007-12-18 A compact engrossing narrative that vividly reimagines the events that led to the outbreak of the Civil War What separates historian Nelson D Lankford's engaging examination of the causes of the Civil War from other books on the subject is its willingness to consider the alternative possibilities to history Cry Havoc recounts in riveting detail the small quirks of timing character and place that influenced the huge trajectory of events during eight critical weeks from Lincoln's inauguration through the explosion at Fort Sumter and the embattled president's response to it It addresses the what ifs the might have beens and the individual personalities that played into circumstances a chain of indecisions and miscalculations influenced by swollen vanity and wishful thinking that gave shape to the dreadful conflict to come **The Second Vermont Volunteer Infantry Regiment, 1861-1865** Paul G. Zeller, 2009-09-08 The many regiments that fought in the Civil War each had their own stories to tell about what they saw smelled tasted heard and felt while serving in war The Second Vermont Volunteer Infantry Regiment saw its first combat at the Battle of Bull Run and fought on to Lee's surrender This richly illustrated work draws from service pension and court martial records and personal letters and diaries to portray the junior officers noncommissioned officers and privates of the regiment as they were in battle on the march and in camp Some were heroes like Private William W Noyes awarded the Medal of Honor and others were not like Private George E Blowers executed for desertion A roster of the 1 858 men who served in the regiment is provided *Second Reading* Jonathan Yardley, 2011-06-28 The Pulitzer Prize winning book critic shares recollections and reviews from his career at the Washington Post In this book Jonathan Yardley considers lesser known works from renowned authors and underappreciated talents and offers fresh takes on old favorites Yardley's reviews of sixty titles include fiction by Gabriel Garcia Marquez John Cheever and Henry Fielding the autobiography of Louis Armstrong essays by Nora Ephron and Margaret Leech's history of Washington during the Civil War *Second Reading* is also the memoir of a passionate and lifelong reader told through the books that have meant the most to him Playing the part of both reviewer and bibliophile Yardley takes on Steinbeck and Salinger explores the southern fiction of Shirley Ann Grau and Eudora Welty looks into a darker side of Roald Dahl and praises the pulp fiction of William Bradford Huie and the crime novels of John D MacDonald Collected from a popular Washington Post column of the same name *Second*
