Revelation Of Deity:

The Revelation of Deity, 1931 The Revelation of Deity J. E. Turner, 1972 **The evolution of the revelation of God, traced through the crises in the history of Israel (Dissertations)**. Christie Chetwynd Atkinson, 1898 **The Revelation of God in History** John F. Haught, 2009-03-01 **Creation's Testimony to Its God, the Accordance of Science, Philosophy, and Revelation. A Manual of the Evidences of Natural and Revealed Religion with Especial Reference to the Progress of Science and Advance of Knowledge** Thomas Ragg, 1877 *Incarnation* Thomas F. Torrance, 2025-08-04 The late Thomas F. Torrance has been called the greatest Reformed theologian since Karl Barth and the greatest British theologian of the twentieth century by prominent voices in the academy His work has profoundly shaped contemporary theology in the English speaking world This first of two volumes comprises Thomas Torrance's lectures delivered to students in Christian Dogmatics on Christology at New College Edinburgh from 1952 to 1978 and amounts to the most comprehensive presentation of Torrance's understanding of the incarnation ever published In eight chapters these expertly edited lectures highlight Torrance's distinctive belief that the object of our theological study Jesus Christ actively gives himself to us in order that we may know him They also unpack Torrance's well developed understanding of our union with Christ and how it impacts the Christian life as well as his reflections on the in breaking of Christ's kingdom and its intense conflict with and victory over evil Decidedly readable and filled with some of Torrance's most influential thought this will be an important volume for scholars professors and students of Christian theology for decades to come Introducing Christian Doctrine Millard J. Erickson, 2001-04 An enhanced version of a classic undergraduate text **The Body God Gives** Robert S. Smith, 2025-02-19 What is the relationship between sex and gender Understand society's shifts in thinking and talking about sex and gender Discover how biological sex guides gender Recognize how the Bible speaks to gender and transgender Respond to affirming interpretations of Scripture Answer gender confusion with clarity and compassion In *The Body God Gives* A Biblical Response to Transgender Theory Robert S. Smith argues that God intends a person's gender to be grounded in the reality of his or her biological sex the body God has given In making his case Smith critiques the central claim of transgender theory that the sexed body does not determine the gendered self He also evaluates contemporary changes in thought and speech about sex and gender responding to modern confusion with biblical conviction and compassion God speaks clearly both in his word and in his world **Discovering the Revelations of God** Thomas Idler, 2024-05-29 If you're wondering where God is and whether He's real consider the obvious If He is real wouldn't He reveal Himself and give us the answers we're looking for Surely those answers should be right in front of us Even though God has given us nine witnesses of His existence the world seems to have come up with alternative explanations How would you interpret these witnesses Will you follow what the world says or instead acknowledge what each witness says about God God revealed Himself to me face to face although I didn't realize it right away I saw how genuine God is how pure His heart is and

how transparent His message is When I had my God moment everything got set into motion and that s why I wrote this book You are precious to God and you are precious to me God will reveal Himself to you throughout your life and hopefully this book will help you to more clearly understand Him A New Witness for God Volume 1 (of 3) Brigham Henry Roberts,2014-12-02 Example in this ebook Three quarters of a century have passed away since Joseph Smith first declared that he had received a revelation from God From that revelation and others that followed there has sprung into existence what men call a new religion Mormonism and a new church the institution commonly known as the Mormon Church the proper name of which however is THE CHURCH OF JESUS CHRIST OF LATTER DAY SAINTS Though it may seem a small matter the reader should know that Mormonism is not a new religion Those who accept it do not so regard it it makes no such pretensions The institution commonly called the Mormon Church is not a new church it makes no such pretensions as will be seen by its very name the Church of Jesus Christ of Latter day Saints This of itself discloses what The Mormon Church claims to be the Church of Jesus Christ and to distinguish it from the Church of Jesus Christ that existed in former days the phrase of Latter day Saints is added Mormonism I repeat is not a new religion it is the Old Religion the Everlasting Gospel restored again to the earth through the revelations received by Joseph Smith At a glance the reader will observe that these claims in behalf of Mormonism pre suppose the destruction of the primitive Christian Church a complete apostasy from the Christian religion and hence from the standpoint of a believer Mormonism is the Gospel of Jesus Christ restored and the institution which grows out of it the church is the Church of Jesus Christ re established among men During the three quarters of a century that have elapsed since the first revelation was announced by Joseph Smith the world has been flooded with all manner of rumors concerning the origin of Mormonism its doctrines its organization its purposes its history Books enough to make a respectable library as to size have been written on these subjects but the books in the main are the works of avowed enemies or of sensational writers who chose Mormonism for a subject because in it they supposed they had a theme that would be agreeable to their own vicious tastes and perverted talents and give satisfactory returns in money for their labor This latter class of writers have not only written without regard to truth but without shame They are ghouls who have preyed upon the misfortunes of an unpopular people solely for the money or notoriety they could make out of the enterprise That I may not be thought to overstate the unreliability of anti Mormon literature I make an excerpt from a book written by Mr Phil Robinson called Sinners and Saints Mr Robinson came to Utah in 1882 as a special correspondent of The New York World and stayed in Utah some five or six months making Mormonism and the Latter day Saints a special study On the untrustworthiness of the literature in question he says Whence have the public derived their opinions about Mormonism From anti Mormons only I have ransacked the literature of the subject and yet I really could not tell anyone where to go for an impartial book about Mormonism later in date than Burton s City of the Saints published in 1862 But put Burton on one side and I think I can defy any one to name another book about the Mormons worthy of honest respect From that truly awful

book The History of the Saints published by one Bennett even an anti Mormon has styled him the greatest rascal that ever came to the West in 1842 down to Stenhouse s in 1873 there is not to my knowledge a single Gentile work before the public that is not utterly unreliable from its distortion of facts Yet it is from these books for there are no others that the American public has acquired nearly all its ideas about the people of Utah To be continue in this ebook
