Revelation Of Jesus

David Hall, Denise Hall

Revelation Of Jesus:

The Revelation of Jesus Christ Lynn Hiles, 2011-07-28 For anyone struggling to understand John's writings in Revelation this book provides true Biblically based answers Through detailed insight into the letters John wrote to seven churches of his day you will learn how to avoid the inherent pitfalls of the first Adam mentality to overcome today's trials and tribulations The more you understand the Book of Revelation the more you will be disarmed of the fears intimidations rhetoric and flood of information spewing from the dragon's mouth This overflow of propaganda has kept the human family afraid to even read the Book of Revelation when in fact it is the only book in the Bible that declares a built in blessing to those who read and understand it *Revelation of Jesus Christ* Ranko Stefanović, 2002 *The Revelation of Jesus Christ* David Hall, Denise Hall, 2018-10-24 Not found on any map the Valley of Decision is a place of indecision a quagmire of noncommitment stalling forward motion It's the anxious middle place whose occupants include the multitudes who are still not sure what exactly to do with Jesus Christ Polarized by life and the ways of the world they stand here unconvinced at the end of times when wickedness is great and the harvest is ripe Yet perhaps knowing more about what tomorrow brings would help those still undecided make the clear choice to freely stand with God The Revelation of Jesus Christ Standing in the Valley of Decision explores the book of Revelation as the source of God's true prophecy for what our future holds Authors David and Denise Hall offer verse by verse commentaries on Christ's revelation omitting nothing and using the Bible to interpret itself with scriptural citations supporting every point Believers are invited to take notes and engage in active Bible study as they learn how end time prophecies are being fulfilled today In what time is left the choice is clear personal and simple freely stand with God and have your sins washed away and your ransom paid or face the eternal consequence of separation Choose now and soon because the time of His return draws near The time to study Revelation is now and The Revelation of Jesus Christ Standing in the Valley of Decision will help all those seeking truth in the name of the Father the Son and the Holy Spirit *A Revelation of Jesus Christ* Jacob Brubaker Smith, 1961 In many respects this commentary is more than simply another book It represents a lifetime of studying and lecturing on the book of Revelation by the late J B Smith For many years he was in demand within his Christian fellowship to speak on this great book One of his cherished hopes was to see the results of his labor sent forth in a commentary for the common man This being his aim studied effort was made to avoid the language of the scholar yet at the same time Smith wanted to employ all the tools of Bible study This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period Of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of

His kingdom The distinguishing feature of this commentary is its use of biblical statistics and comparisons The uses of important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text Preface and Introduction

The Revelation of Jesus Christ Ralph Dorman,2016-01-13 The Revelation of Jesus Christ is an in depth study of the end times according to the book of Revelations in The Word of God

The Revelation of Jesus Christ Wallace Shows,2004-10 One of the most fascinating relevant and often difficult to understand books in the Bible is the Revelation of Jesus Christ It has been misinterpreted and misunderstood by many over the years and in many instances it has been placed in the category of allegory or mythology Expounded in several venues over the last forty plus years this study has been a blessing to many and has presented this often puzzling book in such a manner that even the young Bible student can understand It is written in a series of lectures that help to simplify yet exhaustively instruct the student in the meaning and the implication of this important book as it relates to the times in which we live As we anxiously wait for our Lords soon return this series of lectures will help us realize just how near to that coming event we actually are

The Churches of Revelation Dr. David Bernhard Bowers,2023-02-09 Every student of the Bible approaches the book of Revelation with a sense of awe as they attempt to fold the greatness of God within the mind of humanity Many rush to examine the significant prophecies without adequately dealing with the introductory chapters Exploring the beginning chapters of the Revelation of Jesus Christ with a modern application Dr David B Bowers examines the initial communique given by our Lord to the Apostle John The churches of Revelation within reflect not only the status of the true Christian church throughout history but also reveal significant elements of the church in modern times that must not be missed

A View from Above J. W. Murphy,2014-10-10 Imagine what your Christian development would be like if you grasped the true character of God you were captivated by appreciation of and love for God s Word you were not frightened away by the haunted house of Revelation you appreciated how the early church s experience influenced the message of Revelation you understood how various viewpoints on Revelation developed over time you enjoyed a perspective which prevents tunnel vision you understood viewpoints about which you were previously unaware you esteemed fellow believers who have different understandings of Revelation you appreciated how the meaning of Jesus sacrifice is pictured in Revelation you practiced the message of Revelation in everyday life you were strengthened by an unshakable faith in God your faith was heartfelt and growing rather than formal or ritualistic you were strong enough to stand firm in the face of any and all spiritual opposition you were known for your moral and spiritual purity you were able to resist the seductions of our culture you demonstrated the sacrificial style of Jesus rather than the self serving style of society you enjoyed the blessings of those

who keep the words of Revelation's message your anticipation of Jesus' return rose above a distracting concern with earthquakes, wars, and developing social events; you appreciated your present and future spiritual realities; you were eager rather than fearful about the future; you enjoyed the depths of the relationship toward which God is moving us.
