Revelation A Novel:

Revelation, the Novel William C. Carson, 2014-08-18 The book of Revelation is one of the most well known and least understood entries in the Bible For centuries its thick text and complex imagery has perplexed the common man as well as seasoned biblical scholars and through no fault of their own most people have failed to recognize let alone appreciate its underlying message Revelation the Novel carries the ancient words of Revelation into contemporary times and places apocalyptic events and considerations into our modern political and social frameworks In so doing it is sure to educate and enlighten Christian thinkers as well as entertain any and all who read it despite their religious affiliation At the bottom line beneath the fresh insight it brings Revelation the Novel is an enthralling and entirely thrilling piece of fiction that explores what s slated to happen at the end of the world as we know it as told from the viewpoints of the Apostle John and the Antichrist A fearsome yet hopeful tome it s a must read for fans of horror dystopian and disaster fiction **The Book of**

Revelation: a New Beginning Terry L Newbegin, 2011-03-23 The Book of Revelation A New Beginning contains the hidden secrets of Saint Johns Revelation and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it Man has always assumed the word of Gods prophets and their stories were indisputable just because of their eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelation is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Saint Johns Revelation is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind The book of Revelation A New Beginning is a book that will help open the gates of your soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelation that religions have kept as a secret for thousands of years either on purpose or because of ignorance **The Revelation** Jared B. Sharpe, 2020-07-31 *The road to revelation* Norah Lofts, 1941 **The Revelation**

Jared B. Sharpe, 2021-02-16 Behind the high rising walls of Southern Guard a fortified city built to protect its citizens from a catastrophic pandemic disease Darvin Flint is graduating from his youth military regimen Unable to escape the childhood trauma of his sister s infection and abduction Darvin is determined to uncover the thirteen year old mystery behind his sister s disappearance as he leaves his family for special ops training in the capital city of New Province After a routine operatives mission turns disastrous Darvin and his best friend Merrin discover just how little they knew about the world outside the sheltered walls of Southern Guard From the impoverished slums of The Black Valley to the secret biotech research

institutions of the Revelation Territory Darwin must find the courage to unearth the supernatural secrets of the world he thought he knew as the mystery behind his sister's disappearance unravels into something much larger than he could have ever imagined This edition has been edited to remove a portion of profanity and adult language to make the book more suitable for younger readers **Revelation** Greg Laurie,2021-09 **The Book of Revelation** Leonard L.

Thompson,1997-02-13 About seventy years after the death of Jesus John of Patmos sent visionary messages to Christians in seven cities of western Asia Minor These messages would eventually become part of the New Testament canon as The Book of Revelation What was John's message What was its literary form Did he write to a persecuted minority or to Christians enjoying the social and material benefits of the Roman Empire In search of answers to these penetrating questions Thompson critically examines the language literature history and social setting of the Book of the Apocalypse Following a discussion of the importance of the genre apocalypse he closely analyzes the form and structure of the Revelation its narrative and metaphoric unity the world created through John's visions and the social conditions of the empire in which John wrote He offers an unprecedented interpretation of the role of boundaries in Revelation a reassessment of the reign of the Emperor Domitian and a view of tribulation that integrates the literary vision of Revelation with the reality of the lives of ordinary people in a Roman province Throughout his study Thompson argues that the language of Revelation joins the ordinary to the extra ordinary earth to heaven and local conditions to supra human processes *The Story of Revelation* Patrick J.

Brannon,2022-08-05 The Story of Revelation The Bible's Climactic Book Unraveled in a Modern Easy to Understand Story Guide By Patrick J Brannon Why is Revelation so hard to understand Why is it so confusing Why do people have so many contradicting beliefs Why can't I just read it and understand the actual order of events Answer the story telling style used in the Books of Revelation is not the same one we use today When we try to place our modern style onto the Bible's ancient style the result is utter confusion The Story of Revelation takes the mystery and confusion out of the End Times Timeline Using an easy to understand chapter by chapter breakdown of the book of Revelation the End Times will take shape before you like you have never seen It will satisfy your desire to understand Biblical events while using the story telling style you have always used In The Story of Revelation learn about The Bible's Ancient Story Telling Style And how it's different today's When the Rapture Takes Place You may be in for a shock The Arrival of the Antichrist It's probably not when you think When the Wrath of God Actually Occurs Revelation specifically takes you What the Return of Jesus Looks Like Hold onto your seats And Much Much More Take the guesswork out of Revelation's timeline so you do not miss anything Grab your bible and learn the order of End Time events as told by Jesus Himself *The Book of Revelation Through a Woman's Eyes* Bari

Bair,2016-02-11 Have you been curious about the Book of Revelation but avoided studying it Perhaps you have found it too confusing or frightening with its references to natural disasters and destruction You may even have been told that it is irrelevant in today's world or too difficult to understand But what if a friend offered to walk with you while you studied

helping to guide you through the often complex but deeply meaningful text What if she made Revelation come alive from a woman's perspective a perspective that valued the book's emotional and sensory aspects rather than being intimidated by them Bari Bair does just that extending her hand to you as you study Revelation in all its rich detail Verse by verse you'll discover that this powerful book with its vivid imagery is actually a story of hope and a call to salvation It should not be set aside and avoided but rather embraced for its unique beauty and its significance to our modern times Taking this journey through Revelation will feel like sitting down with Bari herself over a cup of tea Her warm conversational style makes each chapter accessible and easy to understand As you delve into its contents you'll learn about everything from the future role of angels and demons to the Antichrist to how God will turn evil into good And you'll find that Revelation is ultimately reassuring as it becomes increasingly clear that God has a plan for us one that is unfolding day by day and you will find peace knowing that God is in total control of all things Revelation is a book of hope not one of fear and Bari will echo this fact through the pages of her book
