The Scriptures of the Holy Trinity. [Revelation of Jesus Christ to John at Patmos, Explained in England by the Spirit of Christ, During the Years 1792, to December 27, 1814 Lavinia Elizabeth Chapman Jones, 1861 The Mandate of the Church in the Apocalypse of John Olutola K. Peters, 2005 The Mandate of the Church in the Apocalypse of John fills a gap in the scholarly literature on the Apocalypse of John by offering a comprehensive discussion of what the Church is called upon to be and do It delineates various tasks and functions of the Church showing how they relate to one another and also how they are all unified under the mandate to provide faithful witness to Jesus With its strong emphasis on the ethical concerns of the Apocalypse this book challenges the view that John's Apocalypse is sub Christian in its ethics

The Apostles Donald Guthrie, 1975 It is impossible to understand the vitality of the Christian Church in the days of the apostles apart from an awareness of the power of the Holy Spirit in the lives of the apostles From a fearful beginning before Pentecost the Church suddenly came alive as the Spirit was poured out on all the believers who had gathered to pray Professor Guthrie traces the dramatic history of the Church as narrated in the book of Acts showing how the Holy Spirit gave boldness to witness wisdom to make decisions and insight into the truly universal character of the Church as both Jews and Gentiles were given the grace of repentance The Church was not free of difficulties and crises But these too were necessary for the growth of Christians in that fellowship known as the Body of Christ Many of the apostles woke in response to weakness and opposition and suffering and these writings remain as inspired Scripture for the strengthening of the saints of God Through the centuries the inspired letters to the churches have given both incentive for ethical living on earth and hope for a glorious future when all things will be made new This book will help one to see the living Church of Jesus Christ as the

apostles saw it and wrote about it The record of their love and labor for the Lord makes this an excellent companion volume to the author's earlier work *Jesus the Messiah Says Prof Guthrie* of his new work It is hoped that this book like its companion volume will inspire many to a more diligent study of the New Testament itself For this reason it is arranged in convenient sections to provide a basis if desired for daily studies over a period of six months The relevant New Testament passages are noted in each section Thoroughly indexed and cross referenced The Apostles provides insight into and application of the New Testament writing

"Those Who Call Themselves Jews" Philip L. Mayo,2006-08-01 The nature of Jewish Christian relations at the end of the first century has been a subject of serious study and considerable debate The time between 70 and 150 CE is held to be a volatile time in that Jewish Christian relations were quickly although not uniformly deteriorating This is a time referred to as the partings of the ways when the church was emerging as a religion apart from Judaism Although it has often been neglected in this study of particular interest is the Apocalypse of John since it was written in this dark and turbulent time in Jewish Christian relations John who is a Jewish Christian is writing to what are likely predominantly Gentile churches At first he appears to deny the very name Jew to his ethnic kin while accusing them of belonging to Satan 2 9 3 9 Nevertheless he does not abandon his own Jewish background and theology He makes broad use of the Hebrew Scriptures and Jewish cultic imagery while maintaining a Christian understanding that Jesus is the fulfillment of God's redemptive plan What is of particular interest is how he adopts and adapts this imagery and language and applies it to the church It is John's mix of Jewish imagery with a Christian message that may provide some insight into his perspective on the relationship between these two increasingly polarized sects What exactly this perspective is constitutes the subject of the present discussion
