Reverend Beecher And Mrs Tilton Sex And Class In Victorian America

Amanda Frisken

Reverend Beecher And Mrs Tilton Sex And Class In Victorian America:

The Body Politic Catherine A. Holland,2013-07-04 This work advances an original thesis that challenges the dominant schools of thought concerning the liberal tradition in the US *The Boardinghouse in Nineteenth-Century America* Wendy Gamber,2007-04-16 In nineteenth century America the bourgeois home epitomized family morality and virtue But this era also witnessed massive urban growth and the acceptance of the market as the overarching model for economic relations A rapidly changing environment bred the antithesis of home the urban boardinghouse In this groundbreaking study Wendy Gamber explores the experiences of the numerous people old and young married and single rich and poor who made boardinghouses their homes Gamber contends that the very existence of the boardinghouse helped create the domestic ideal of the single family home Where the home was private the boardinghouse theoretically was public If homes nurtured virtue boardinghouses supposedly bred vice Focusing on the larger cultural meanings and the commonplace realities of women s work she examines how the houses were run the landladies who operated them and the day to day considerations of food cleanliness and petty crime From ravenous bedbugs to penny pinching landladies from disreputable housemates to boarder s beef Gamber illuminates the annoyances and the satisfactions of nineteenth century boarding life **Crimes of the Centuries** Steven Chermak Ph.D.,Frankie Y. Bailey,2016-01-25 This multivolume resource is the most extensive reference of its kind offering a comprehensive summary of the misdeeds perpetrators and victims involved in the most memorable crime events in American history This unique reference features the most famous crimes and trials in the United States since colonial times Three comprehensive volumes focus on the most notorious and historically significant crimes that have influenced America s justice system including the life and wrongdoing of Lizzie Borden the bombing of the Sixteenth Street Baptist Church the killing spree and execution of Ted Bundy and the Columbine High School shootings Organized by case the work includes a chronology of major unlawful deeds fascinating primary source documents dozens of sidebars with case trivia and little known facts and an overview of crimes that have shaped criminal justice in the United States over several centuries Each of the 500 entries provides information about the crime the perpetrators and those affected by the misconduct along with a short bibliography to extend learning opportunities The set addresses a breadth of famous trials across American history including the Salem witch trials the conviction of Sacco and Vanzetti and the prosecution of O J Simpson Elizabeth Stoddard & the Boundaries of Bourgeois Culture Lynn Mahoney,2004-01-15 First published in 2004 Routledge is an imprint of Taylor Francis an informa company American Religious History Gary Scott Smith,2020-12-07 A mix of thematic essays reference entries and primary source documents covering the role of religion in American history and life from the colonial era to the present Often controversial religion has been an important force in shaping American culture Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic Religious teachings values and practices deeply affected political structures and policies economic ideology and practice

educational institutions and instruction social norms and customs marriage and family life By analyzing religion's interaction with American culture and prominent religious leaders and ideologies this reference helps readers to better understand many fascinating often controversial religious leaders ideas events and topics The work is organized in three volumes devoted to particular periods Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume and roughly 10 essays that explore significant themes These essays are followed by approximately 120 alphabetically arranged reference entries providing objective fundamental information about topics related to religion in America Each volume presents nearly 50 primary source documents each introduced by a contextualizing headnote A selected general bibliography closes volume three

Unholy Sensations Joshua Paddison, 2025 The true story of the first California cult scandal In 1891 a suffragist and social reformer named Alzire Chevallier launched a moral crusade to destroy Fountaingrove a utopian spiritualist community in northern California Chevallier accused the colony's leader the poet and prophet Thomas Lake Harris of perverting the teachings of the Bible to promote a new sexology that was worse than Mormonism She insisted that Harris used magical powers of hypnosis to take sexual and financial advantage of his followers turning them into a spiritual harem that practiced free love and other gross immoralities Media reports emphasized the presence of Japanese immigrant men at Fountaingrove raising racialized specters of miscegenation and moral contamination The international scandal full of the sorts of salacious details prized by newspaper editors at the dawn of the era of yellow journalism would last more than a decade establishing Harris as the prototype for a new type of public menace the California cult leader **Unholy Sensations** takes a close up look at the Fountaingrove scandal to examine religion gender sexuality and race in the Gilded Age from a fresh perspective By chronicling the life stories of the people swept up in the scandal **Unholy Sensations** reveals connections and tensions between a wide variety of nineteenth century religious and social groups including suffragists and spiritualists Christian Scientists and Theosophists journalists and politicians and Protestant ministers and urban reformers Together these disparate groups helped spark California's first cult scare demonizing Harris as the first but far from the last dangerous California cult leader By showing that the term cult has always been a marker of race sexuality and religion **Unholy Sensations** reveals the limits of American freedom and the centrality of religion to the policing of whiteness family and nation

Inventing America's First Immigration Crisis Luke Ritter, 2020-09-01 Why have Americans expressed concern about immigration at some times but not at others In pursuit of an answer this book examines America's first nativist movement which responded to the rapid influx of 4.2 million immigrants between 1840 and 1860 and culminated in the dramatic rise of the National American Party As previous studies have focused on the coasts historians have not yet completely explained why westerners joined the ranks of the National American or Know Nothing Party or why the nation's bloodiest anti immigrant riots erupted in western cities namely Chicago Cincinnati Louisville and St Louis In focusing on the

antebellum West Inventing America's First Immigration Crisis illuminates the cultural economic and political issues that originally motivated American nativism and explains how it ultimately shaped the political relationship between church and state In six detailed chapters Ritter explains how unprecedented immigration from Europe and rapid westward expansion re-ignited fears of Catholicism as a corrosive force He presents new research on the inner sanctums of the secretive Order of Know Nothings and provides original data on immigration crime and poverty in the urban West Ritter argues that the country's first bout of political nativism actually renewed Americans' commitment to church-state separation Native-born Americans compelled Catholics and immigrants who might have otherwise shared an affinity for monarchism to accept American-style democracy Catholics and immigrants forced Americans to adopt a more inclusive definition of religious freedom This study offers valuable insight into the history of nativism in U.S. politics and sheds light on present-day concerns about immigration particularly the role of anti-Islamic appeals in recent elections

Victoria Woodhull's Sexual Revolution

Amanda Frisken, 2012-03-06 Victoria Woodhull the first woman to run for president forced her fellow Americans to come to terms with the full meaning of equality after the Civil War A sometime collaborator with Susan B. Anthony and Elizabeth Cady Stanton yet never fully accepted into mainstream suffragist circles Woodhull was a flamboyant social reformer who promoted freedom especially freedom from societal constraints over intimate relationships This much we know from the several popular biographies of the nineteenth-century activist But what we do not know as Amanda Frisken reveals is how Woodhull manipulated the emerging popular media and fluid political culture of the Reconstruction period in order to accomplish her political goals As an editor and public speaker Woodhull demanded that women and men be held to the same standards in public life Her political theatrics brought the topic of women's sexuality into the public arena shocking critics galvanizing supporters and finally locking opposing camps into bitter conflict over sexuality and women's rights in marriage A woman who surrendered her own privacy whose life was grist for the mills of a sensation-mongering press she made the exposure of others' secrets a powerful tool of social change Woodhull's political ambitions became inseparable from her sexual nonconformity yet her skill in using contemporary media kept her revolutionary ideas continually before her peers In this way Woodhull contributed to long-term shifts in attitudes about sexuality and the slow liberation of marriage and other social institutions Using contemporary sources such as images from the sporting news Frisken takes a fresh look at the heyday of this controversial women's rights activist discovering Woodhull's previously unrecognized importance in the turbulent climate of Radical Reconstruction and making her a useful lens through which to view the shifting sexual mores of the nineteenth century

Susan B. Anthony Kathleen Barry, 2020-09-01 Brings to life one of the most significant figures in the crusade for women's rights in America This comprehensive biography of Susan B. Anthony traces the life of a feminist icon bringing new depth to our understanding of her influence on the course of women's history Beginning with her humble Quaker childhood in rural Massachusetts taking readers through her late twenties when she left a secure teaching position to

pursue activism and ultimately tracing her evolution into a champion of women's rights this book offers an in depth look at the ways Anthony's life experiences shaped who she would become Drawing on countless letters diaries and other documents Kathleen Barry offers new interpretations of Anthony's relationship with feminist Elizabeth Cady Stanton and illuminating insights on Anthony's views of men marriage and children She paints a vivid picture of the political economic and cultural milieu of 19th century America And above all she brings a very real Susan B Anthony to life Here we find a powerful portrait of this most singular woman who she was what she felt and how she thought Complete with a new preface to honor the 100th anniversary of women's suffrage and Anthony's vital role in the fight for voting rights this thorough biography gives us essential new insight into the life and legacy of an enduring American heroine Fighting Chance Faye E.

Dudden, 2014-03-27 The advocates of woman suffrage and black suffrage came to a bitter falling out in the midst of Reconstruction when Elizabeth Cady Stanton opposed the 15th Amendment for granting black men the right to vote but not women How did these two causes so long allied come to this In a lively narrative of insider politics betrayal deception and personal conflict Fighting Chance offers fresh answers to this question and reveals that racism was not the only cause but that the outcome also depended heavily on money and political maneuver

Uncover the mysteries within Crafted by is enigmatic creation, Discover the Intrigue in **Reverend Beecher And Mrs Tilton Sex And Class In Victorian America** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation.
