What Editors Do Peter Ginna, 2017-10-06 Essays from twenty seven leading book editors Honest and unflinching accounts from publishing insiders a valuable primer on the field Publishers Weekly Editing is an invisible art in which the very best work goes undetected Editors strive to create books that are enlightening seamless and pleasurable to read all while giving credit to the author This makes it all the more difficult to truly understand the range of roles they inhabit while shepherding a project from concept to publication What Editors Do gathers essays from twenty seven leading figures in book publishing about their work Representing both large houses and small and encompassing trade textbook academic and children s publishing the contributors make the case for why editing remains a vital function to writers and readers everywhere Ironically for an industry built on words there has been a scarcity of written guidance on how to approach the work of editing Serving as a compendium of professional advice and a portrait of what goes on behind the scenes this book sheds light on how editors acquire books what constitutes a strong author editor relationship and the editor s vital role at each stage of the publishing process a role that extends far beyond marking up the author s text This collection treats editing as both art and craft and also as a career It explores how editors balance passion against the economic realities of publishing and shows why in the face of a rapidly changing

publishing landscape editors are more important than ever Authoritative entertaining and informative Copyediting The Dissertation-to-Book Workbook Katelyn E. Knox, Allison Van Deventer, 2023-11-07 Writing an academic book is a daunting task Where to start This workbook So you've written a dissertation Congratulations But how do you turn it into a book Even if you know what to do when revising your dissertation do you know how to do those things This workbook by Katelyn E Knox and Allison Van Deventer creators of the successful online Dissertation to Book Boot Camp offers a series of manageable concrete steps with exercises to help you revise your academic manuscript into publishable book form The Dissertation to Book Workbook uses targeted exercises and prompts to take the guesswork out of writing a book You'll clarify your book's core priorities pinpoint your organizing principle polish your narrative arc evaluate your evidence and much more Using what this workbook calls book questions and chapter answers you'll figure out how to thread your book's main ideas through its chapters Then you'll assemble an argument and finally you'll draft any remaining material and revise the manuscript And most important by the time you complete the workbook you'll have confidence that your book works as a book that it's a cohesive focused manuscript that tells the story you want to tell Indispensable to anyone with an academic manuscript in progress the prompts examples checklists and activities will give you confidence about all aspects of your project that it is structurally sound coherent free of the hallmarks of dissertationese and ready for submission to an academic publisher

From Dissertation to Book William Germano, 2022-12-22 How to transform a thesis into a publishable work that can engage audiences beyond the academic committee When a dissertation crosses my desk I usually want to grab it by its metaphorical lapels and give it a good shake You know something I would say if it could hear me Now tell it to us in language we can understand Since its publication in 2005 *From Dissertation to Book* has helped thousands of young academic authors get their books beyond the thesis committee and into the hands of interested publishers and general readers Now revised and updated to reflect the evolution of scholarly publishing this edition includes a new chapter arguing that the future of academic writing is in the hands of young scholars who must create work that meets the broader expectations of readers rather than the narrow requirements of academic committees At the heart of *From Dissertation to Book* is the idea that revising the dissertation is fundamentally a process of shifting its focus from the concerns of a narrow audience a committee or advisors to those of a broader scholarly audience that wants writing to be both informative and engaging William Germano offers clear guidance on how to do this with advice on such topics as rethinking the table of contents taming runaway footnotes shaping chapter length and confronting the limitations of jargon alongside helpful timetables for light or heavy revision Germano draws on his years of experience in both academia and publishing to show writers how to turn a dissertation into a book that an audience will actually enjoy whether reading on a page or a screen He also acknowledges that not all dissertations can or even should become books and explores other often overlooked options such as turning them into journal articles or chapters in an edited work With clear directions engaging examples and an eye for the idiosyncrasies

of academic writing he reveals to recent PhDs the secrets of careful and thoughtful revision a skill that will be truly invaluable as they add author to their curriculum vitae

The Demise of the Library School Richard J. Cox, 2010 In *The Demise of the Library School* Richard J Cox places the present and future of professional education for librarianship in the debate on the modern corporate university The book is a series of meditations on critical themes relating to the education of librarians archivists and other information professionals playing off of other commentators analyzing the nature of higher education and its problems and promises

The Reimagined PhD Leanne M Horinko, Jordan M Reed, James M Van Wyck, 2021-08-13 Long seen as proving grounds for professors PhD programs have begun to shed this singular sense of mission Prompted by poor placement numbers and guided by the efforts of academic organizations administrators and faculty are beginning to feel called to equip students for a range of careers Yet graduate students faculty and administrators often feel ill prepared for this pivot The *Reimagined PhD* assembles an array of professionals to address this difficult issue The contributors show that students faculty and administrators must collaborate in order to prepare the 21st century PhD for a wide range of careers The volume also undercuts the insidious notion that career preparation is a zero sum game in which time spent preparing for alternate careers detracts from professorial training In doing so The *Reimagined PhD* normalizes the multiple career paths open to PhD students while providing practical advice geared to help students faculty and administrators incorporate professional skills into graduate training build career networks and prepare PhDs for a variety of careers

The Book Proposal Book Laura Portwood-Stacer, 2021-07-13 *The Book Proposal Book* A Guide for Scholarly Authors is not just a compendium of abstract advice it s a structured program complete with worksheets and concrete tasks that takes readers through each step of researching and writing a proposal that will sell their book to an editor at a scholarly press The handbook is premised on the fact that an effective proposal doesn t merely describe a book project it makes an active case that the manuscript should exist in published form because it has the potential to reach and appeal to actual readers The *Book Proposal Book* works though the implications of this premise showing authors how a focus on audience and usability must inform every element of their pitch Readers of this handbook will learn how to both write a complete book proposal and confidently navigate the scholarly publishing process from pitch to contract to publication Moreover they will gain invaluable insight into their own research and the message they want to share with the world

Handbook for Academic Authors Beth Luey, 2022-03-24 Encouraging no nonsense advice for academic authors who want their research to reach the widest possible audience

Revising Your Dissertation Advice From Leading Editors Introduction

In the digital age, access to information has become easier than ever before. The ability to download Revising Your Dissertation Advice From Leading Editors has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Revising Your Dissertation Advice From Leading Editors has opened up a world of possibilities. Downloading Revising Your Dissertation Advice From Leading Editors provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Revising Your Dissertation Advice From Leading Editors has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Revising Your Dissertation Advice From Leading Editors. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Revising Your Dissertation Advice From Leading Editors. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading Revising Your Dissertation Advice From Leading Editors, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Revising Your Dissertation Advice From Leading Editors has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
