Olukoya,2018-05-31 There is urgent need for revival in the church as body and in the lives of individual Christian A Christian must hunger and thirst for spiritual growth Many Christians are in a state of spiritual slumber We must wake up or end up in hell When there is revival people show concern for where they will spend eternity they begin to hunger and thirst after God in earnest To make heaven Christians must make every necessary sacrifice to get revived This book is a wake up call for those who are in spiritual slumber It is a pointer to the part we must take and the pitfalls we must avoid if we must be revived One thing is sure if you digest the contents of this book and say the prayers with your whole heart you will know and neighbours will testify that something new has happed in your life *Revival Preaching* Ernest Eugene Klassen,2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly interested in the revival of God s people and the awakening of the lost He believes strongly that God honoring Christ exalting and Spirit empowered preaching plays a critical role in revival and awakening No one models this dynamic better than Jonathan Edwards He was a pastor who was a protagonist of the First Great Awakening He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection *Revival Preaching* extracts the most important lessons of Edwards s writings and sermons for preaching in today s world **Longing for Revival** James Choung,Ryan Pfeiffer,2020-01-14 Revival begins with God but it s lived out through us James Choung and Ryan Pfeiffer have seen revival in their own ministries with remarkable transformation in both individuals and communities They unpack what revival looks like how Christians can anticipate it and how they can experience it providing a model of revival leadership for Christians who want to facilitate and spread revival in their contexts Revival in the Word Qwon'Taya Carlisle,2021-06-23 Are you revived and bringing the word to life Most of our homes and this world need revival Revival is the works of our God What s holding you back from living out your purposeful life Are you struggling with receiving and accepting God s love wholeheartedly Do you feel bounded Each day in our lives there is always a new challenge or struggle that most people aren t comfortable with opening up and talking about In today s society we are living in a world

The Corpse Christine Quigley, 2015-09-17 Throughout the centuries different cultures have established a variety of procedures for handling and disposing of corpses Often the methods are directly associated with the deceased's position in life such as a pharaoh's mummification in Egypt or the cremation of a Buddhist Treatment by the living of the dead over time and across cultures is the focus of this study Burial arrangements and preparations are detailed including embalming the funeral service storage and transport of the body and forms of burial Autopsies and the investigative process of causes of deliberate death are fully covered Preservation techniques such as cryonic suspension and mummification are discussed as well as a look at the recycling of the corpse through organ donation donation to medicine animal scavengers cannibalism and of course natural decay and decomposition Mistreatments of a corpse are also covered **Revival** Martyn

Lloyd-Jones, 1987-02-01 In every era the church needs revival certainly today as much as ever And in the heart of every committed Christian there is the longing for personal revival to know the quality and depths of spiritual reality and the presence of God in one's personal life This was the deepest desire of Dr Martyn Lloyd Jones one of the great 20th century Bible expositors It was also the purpose behind this series of messages which were first given on the 100th anniversary of the Great Revival which started in Wales and swept across England and throughout the United States and to the far corners of the world As Dr Lloyd Jones recognized it is a rare time in the history of the church when there is a great outpouring of the Holy Spirit and a time of special interest of every Christian who longs for revival today As Dr J I Packer writes in his foreword Dr Lloyd Jones believed in the necessity of revival that is a quickening divine visitation as the only vent that can avert ultimate spiritual disaster The thrustful urgency of the sermons in this book testifies to the depth of his conviction that without revival in the church there is really no hope for the Western world at all Dr Lloyd Jones deftly draws principles from the lives of Old and New Testament characters as well as expounding some of the great prayers of the Bible Clearly and forcefully he presents a masterful exposition of the circumstances accompanying revival in the past why each generation needs it and how it will come about today We must come to the sovereign God forsake our sin and wait upon Him for this special essential outpouring God bring us revival
