

The background of the book cover is a historical painting depicting a battle scene. In the foreground, soldiers in 18th-century attire are engaged in combat. Some are on horseback, while others are on foot. A large cannon is visible on the right side, with smoke rising from its barrel. In the background, there are more soldiers, buildings, and a large plume of smoke or a hill in the distance under a dramatic sky.

Revolution Remembered Eyewitness Accounts Of The War For Independence:

The Revolution Remembered John C. Dann,1999-04 A classic oral history of the American Revolution The Revolution Remembered uses 79 first hand accounts from veterans of the war to provide the reader with the feel of what it must have been like to fight and live through America s bloody battle for independence In a book fairly bursting with feats of daring perhaps the most spectacular accomplishment of them all is this volume s transformation of its readers into the grandchildren of Revolutionary War soldiers An amazing gathering of 79 surrogate Yankee grandparents who tell us in their own words what they saw with their own eyes Elaine F Weiss Christian Science Monitor Fascinating The soldiers details fill in significant shadows of history Henry Kisor Chicago Sun Times It s still good fun two centuries later overhearing these experiences of the tumult of everyday life and seeing a front lines view of one of the most unusual armies ever to fight let alone win Richard Martin Wall Street Journal One of the most important primary source discoveries from the era A unique and fresh perspective Paul G Levine Los Angeles Times *The Revolution Remembered* John D. Dann,1998 *The Tar Heel State* Milton Ready,2005 In the last three decades North Carolina has witnessed a remarkable growth in population economic development and political importance and it now ranks as the tenth most populous state in the Union The Tar Heel State A History of North Carolina constitutes the most comprehensive and inclusive single volume chronicle of the state s storied past to date culminating with an attentive look at recent events that have transformed North Carolina into a southern megastate *Best Little Stories from the American Revolution* C. Brian Kelly,2011-10-01 A marvelous introduction to the American Revolution told with wit compassion and insight Brian Kelly not only understands the history he appreciates the people who made it Thomas Fleming author of *The Intimate Lives of the Founding Fathers* *The Revolution You Never Knew* Beyond the deadly skirmishes determined generals and carefully penned words of a powerful declaration lie countless forgotten stories that tell the tale of our nation birth Read intimate accounts of the fight for independence as colonial families recall their tense encounters with brutal British soldiers women participate in military initiatives and become powerful social advocates and leaders reveal the intricacies of their motivations and personal lives Join the ranks of America s first Patriots as they unite to declare their independence Old Man Wyman of Woburn nothing more than a mysterious and deadly figure atop a white horse mounted a solitary pursuit against the British as they retreated from Concord back to Boston effectively striking fear deep into the hearts of the redcoats as he diminished their numbers one by one Inventor David Bushnell desperate to aid the outnumbered American naval forces both befuddled and alarmed British forces when he devised a working prototype for the world s first underwater torpedo and most impressively a submersible boat dubbed the Turtle America s first submarine South Carolina sisters in law Grace and Rachel Martin carrying rifles and dressed in their husbands clothing intercepted important dispatches bound for a nearby British fort when they ambushed the courier and two armed escorts by brandishing their weapons and speaking with deep voices *American Revolution* Spencer C.

Tucker,2018-09-14 With more than 1 300 cross referenced entries covering every aspect of the American Revolution this definitive scholarly reference covers the causes course and consequences of the war and the political social and military origins of the nation This authoritative and complete encyclopedia covers not only the eight years of the American Revolutionary War 1775 1783 but also the decades leading up to the war beginning with the French and Indian War and the aftermath of the conflict with an emphasis on the early American Republic Volumes one through four contain a series of overview essays on the causes course and consequences of the American Revolution followed by impeccably researched A Z entries that address the full spectrum of political social and military matters that arose from the conflict Each entry is cross referenced to other entries and also lists books for further reading In addition there is a detailed bibliography timeline and glossary A fifth volume is devoted to primary sources each of which is accompanied by an insightful introduction that places the document in its proper historical context The primary sources help readers to understand the myriad motivations behind the American Revolution the diplomatic military and political maneuvering that took place during the conflict and landmark documents that shaped the founding and early development of the United States **Yankee Doodle and the Redcoats**

Susan Provost Beller,2007-07-31 Using excerpts from diaries letters newspaper articles and other primary sources tells of the everyday lives of the soldiers who fought the Revolutionary War for both the British and for the colonies

Revolutionary Founders Ray Raphael,2012-04-17 In twenty two original essays leading historians reveal the radical impulses at the founding of the American Republic Here is a fresh new reading of the American Revolution that gives voice and recognition to a generation of radical thinkers and doers whose revolutionary ideals outstripped those of the Founding Fathers While the Founding Fathers advocated a break from Britain and espoused ideals of republican government none proposed significant changes to the fabric of colonial society Yet during this revolutionary period some people did believe that liberty meant liberty for all and that equality should be applied to political economic and religious spheres Here are the stories of individuals and groups who exemplified the radical ideals of the American Revolution more in keeping with our own values today This volume helps us to understand the social conflicts unleashed by the struggle for independence the Revolution s achievements and the unfinished agenda it left to future generations to confront *The Routledge History of Gender, War, and the U.S. Military* Kara Vuic,2017-08-15 The Routledge History of Gender War and the U S Military is the first examination of the interdisciplinary intersecting fields of gender studies and the history of the United States military In twenty one original essays the contributors tackle themes including gendering the other gender and war disability gender and sexual violence gender and American foreign relations and veterans and soldiers in the public imagination and lay out a chronological examination of gender and America s wars from the American Revolution to Iraq This important collection is essential reading for all those interested in how the military has influenced America s views and experiences of gender
