Royal Presence In Australia

Wm. Matthew Kennedy

Royal Presence In Australia:

Royal Visits to Australia Jane Connors, 2015-04-01 Out of Australia's total population of around nine million an estimated seven million people turned out to catch a glimpse of the newly crowned Queen Elizabeth II in 1954. Sixty years later in April 2014 television news bulletins, newspapers and social media were awash with stories of the royal visit of Prince William, his wife Catherine and their baby son George. The frequent whirlwind royal tours of today are a far cry from those to Australia between 1867 and 1954. These stretched over months, bursting with events such as civic receptions, state banquets, military reviews, cricket matches, agricultural shows, processions, schoolchildren's pageants and the laying of foundation stones. Occasionally shambolic, quarrelsome and raucous affairs, they were always intensely patriotic. While most of the visits described in this book are from the British Royal Family, royals from other countries appear too, including Our Mary of the Danish Royal Family, proudly claimed by Australians as their own. *Royal Visits to Australia* provides a fascinating glimpse into the evolving Australian psyche and cultural identity. Although our enthusiasm for the Royal Family has waxed and waned over the decades, it is tempting to attribute the fervour of today's young people to modern celebrity culture. *Royal Visits to Australia* uncovers an affection that runs much deeper than a passing crush. The book is richly illustrated with stunning full-page and double-page black and white photos from the early years to magnificent colour photos of more recent years. Also included is a vast array of drawings, lithographs, illuminated addresses, magazine articles, programs, menus and invitation cards and other souvenirs. *Royal Visits to Australia* is packed with fascinating stories and firsthand accounts. Read about an assassination attempt on Prince Alfred, the first royal visitor in 1867; the weeping and hysteria of hundreds of thousands of people at Fremantle at the departure of the Duke and Duchess of Cornwall and York in 1901; the unprecedented scenes of wild welcome at the 1954 visit of Queen Elizabeth II, the first reigning monarch to visit Australia; allegations of the Irish Republican Army (IRA) attempting to assassinate Prince Philip in Sydney in 1973; media obsession with discerning romantic gestures and stories of cracks in the marriage of Prince Charles and Princess Diana in the 1980s; and in 2014, William and Kate's visit with baby George in tow, the first royal tour since the social media revolution.

Australia's Empire Deryck Marshall Schreuder, Stuart Ward, 2008-02-07 Australia's Empire is the first collaborative evaluation of Australia's imperial experience in more than a generation. Bringing together political, cultural and aboriginal understandings of the past, it argues that the legacies of empire continue to influence the fabric of modern Australian society.

Royal tourists, colonial subjects and the making of a British world, 1860-1911 Charles Reed, 2016-02-01 This electronic version has been made available under a Creative Commons BY-NC-ND open access license. This study examines the ritual space of nineteenth-century royal tours of empire and the diverse array of historical actors who participated in them. It suggests that the varied responses to the royal tours of the nineteenth century demonstrate how a multi-centred British imperial culture was forged in the empire and was constantly made and remade, appropriated and contested. In this context, subjects of empire were provincialised.

the British Isles centring the colonies in their political and cultural constructions of empire Britishness citizenship and loyalty

The Royal Presence in Australia, 1867-1986 Philip W. Pike, 1986 **Royal Marriages** Susanna de Vries, 2018-10-01

Meghan Markle Duchess of Sussex made history when she married Prince Harry in a genuine love match as the first divorced bi racial American woman to be welcomed into the British royal family But for centuries it was accepted that princes married virginal aristocrats for dynastic reasons and often the large dowries of their brides and few arranged royal marriages were happy Most kings and princes took mistresses or in the case of Edward II and James I male lovers Royal wives were used as baby factories and if found to be unfaithful could be beheaded or have the lover murdered Prince George of Wales later George IV married for money but found his bride Princess Caroline of Brunswick physically repulsive and his marriage became the first War of the Wales This fascinating book is now able to tell the full story of the second War of the Wales the tragic mismatch of Prince Charles and Princess Diana which ended in Camillagate and divorce Now decades later the Queen has relaxed the ancient rules allowing Prince Charles to marry his mistress and the Queen s grandsons William and Harry to marry for love in a significant change in royal history The imperial Commonwealth Wm. Matthew Kennedy, 2023-07-25

From the late 1800s to the early 1900s Australian settler colonists mobilised their unique settler experiences to develop their own vision of what empire was and could be Reinterpreting their histories and attempting to divine their futures with a much heavier concentration on racialized visions of humanity white Australian settlers came to believe that their whiteness as well as their Britishness qualified them for an equal voice in the running of Britain s imperial project Through asserting their case many soon claimed that as newly minted citizens of a progressive and exemplary Australian Commonwealth white settlers such as themselves were actually better suited to the modern task of empire Such a settler political cosmology with empire at its center ultimately led Australians to claim an empire of their own in the Pacific Islands complete with its own unique imperial governmentality *The Royal Presence in Australia* Philip W. Pike, 1986-01-01 **Australia And The British**

Embrace Stuart Ward, 2016-10-18 Until a generation ago Britishness lay at the heart of Australian political culture How and why did this fundamental idea lose its meaning for Australians and their political institutions The popular view is that the British ideal succumbed to a triumphant long thwarted Australian nationalism The reality is much more complex Having weighed the documentary evidence Stuart Ward vigorously argues that it was not Australia but the Mother Country that set the pace The critical move was the Macmillan Government s decision in the early 1960s to seek membership of the European Economic Community Thereafter the ties of imperial sentiment and the dictates of national self interest were essentially irreconcilable Australia s attachment to being British was profoundly shaken and the contours of Australian nationhood were irreversibly redrawn Australia and the British Embrace is an engrossing account of the unravelling of Britishness in Australian political life The consequences of that unravelling continue to dominate Australian politics from multiculturalism to Aboriginal reconciliation engagement with Asia and above all the prospect of a republic **The Royal Navy in**

Indigenous Australia, 1795-1855 Daniel Simpson, 2021-01-12 This book offers the first in depth enquiry into the origins of 135 Indigenous Australian objects acquired by the Royal Navy between 1795 and 1855 and held now by the British Museum In response to increasing calls for the decolonisation of museums and the restitution of ethnographic collections the book seeks to return knowledge of the moments methods and motivations whereby Indigenous Australian objects were first collected and sent to Britain By structuring its discussion in terms of three key stages of a typical naval voyage to Australia departure from British shores arrival on the continent s coasts and eventual return to port the book offers a nuanced and multifaceted understanding of the pathways followed by these 135 objects into the British Museum The book offers important new understandings of Indigenous Australian peoples reactions to naval visitors and contains a wealth of original research on the provenance and meaning of some of the world s oldest extant Indigenous Australian object collections **A History of**

British Royal Jubilees June Woolerton, 2022-09-22 As Queen Elizabeth II became the only British Monarch to rule for seventy years she marked the historic moment with a simple message promising to continue her lifetime of service But while her Jubilee day was quiet it was merely the start of a year long celebration that would see millions around the world join the royal party Jubilees have become regular events in The Queen s long reign but they are a relatively modern idea which only really took hold in the reign of King George III Initially rejected by many as a frivolity the first royal Jubilee became a huge success It was a beguiling mix of pageantry religious devotion and popular celebrations including street parties that has been copied in the Jubilees that followed Queen Victoria enjoyed two successful celebrations including Britain s first Diamond Jubilee which helped re establish her popularity and consolidate the Monarchy King George V turned to the joy of a Jubilee to re invigorate his country as it recovered from war and economic woes In the reign of his granddaughter Elizabeth II Jubilees have been transformed into modern media events celebrated globally In A History of British Royal Jubilees we trace the ever evolving story of these popular celebrations bringing each of them to life and looking at how they changed the image of royalty and the country itself This is the story of how Jubilee celebrations have become vital to the success of Britain s Royal Family and to its place at the heart of a nation Imperial Culture in Antipodean Cities, 1880-1939 J. Griffiths, 2014-03-11

Drawing on a wealth of primary and secondary sources this book explores how far imperial culture penetrated antipodean city institutions It argues that far from imperial saturation the city Down Under was remarkably untouched by the Empire

Mistress of everything Sarah Carter, Maria Nugent, 2016-07-01 Mistress of everything examines how indigenous people across Britain s settler colonies engaged with Queen Victoria in their lives and predicaments incorporated her into their political repertoires and implicated her as they sought redress for the effects of imperial expansion during her long reign It draws together empirically rich studies from Canada Australia New Zealand and Southern Africa to provide scope for comparative and transnational analysis The book includes chapters on a Maori visit to Queen Victoria in 1863 meetings between African leaders and the Queen s son Prince Alfred in 1860 gift giving in the Queen s name on colonial frontiers in

Canada and Australia and Maori women's references to Queen Victoria in support of their own chiefly status and rights. The collection offers an innovative approach to interpreting and including indigenous perspectives within broader histories of British imperialism and settler colonialism.

The New Royal Family - Prince George, William and Kate: The Next Generation Robert Jobson, 2014-08-07 WITH EXCLUSIVE PICTURES BY ARTHUR EDWARDS MBE With the world watching Prince George Alexander Louis of Cambridge third in the line of succession to the throne was born on 22 July 2013. The next day his proud parents stepped out of St Mary's Hospital London to present their baby to the excited crowds. From the beginning the world had watched with bated breath as the charming prince and his future bride overcame the struggles of university rumours and a brief breakup before finally reconciling and becoming engaged. The royal wedding in 2011 watched by an incredible estimated 2 billion people worldwide was a defining moment not only in their young lives but also for the perception of the monarchy. When the Palace announced the Duchess's much anticipated pregnancy in 2012 a public frenzy surrounded the arrival of the heir to the throne. Now that the Duke has left the military to focus on his royal duties and charity work there is already speculation as to whether George will follow in his father's footsteps with a passion for wildlife and conservation. As well as a history of the young couple's romantic relationship this in-depth book chronicles the next chapter of this modern-day fairytale and is packed with beautiful photographs, fascinating facts and expert analysis. An intriguing insight and unrivalled souvenir this is an essential read for royalists and romantics alike.

Proceedings of the Royal Society of Queensland Royal Society of Queensland, 1926

Queen Elizabeth II and the Royal Family DK, 2021-06-08 Queen Elizabeth II and the Royal Family is a magnificent tribute to the life and reign of Queen Elizabeth II and a celebration of the British royal family from the first English kings through the birth of the queen's second grandchild to Prince William and Kate the Duchess of Cambridge. Highly illustrated with photographs and timelines throughout, Queen Elizabeth II and the Royal Family tells the story of the House of Windsor and includes events such as the royal wedding of Prince William and Kate Middleton and profiles on key people such as Princess Diana and Prince Harry. Graphics illuminate details of the queen's personal and private life; vivid photographs highlight important events; special features showcase the royal residences and timelines untangle the complete history of the kings and queens of England and Scotland, tracing the line of succession to the throne. This gorgeous ebook is the most complete visual history of Britain's most enduring icon.

Queen Elizabeth II and the royal family Aircraft of The Royal Australian Air Force Air Force History Branch, 2021-06-01 Aircraft of The Royal Australian Air Force tells the story of the RAAF's first one hundred years by describing the acquisition, operation and service record of the multitude of aircraft types flown by the RAAF. The 176 aircraft types include the flimsy wood and canvas aircraft typical of World War I through the technological advances during and after World War II to modern fifth-generation complex aircraft like the F-35 Lightning II. Even before its formation Sir Richard Williams, the Father of the RAAF, had decided to employ an alpha-numeric numbering system to identify and account for each aircraft in service. This

system started with A1 A2 A3 etc as each type of aircraft came into service Each individual aircraft within each series was identified as A1 1 A1 2 and so on and the aircraft serial became known colloquially as the A number With some exceptions over the century since the A number system started aircraft entered RAAF service in broadly the sequence of the A numbers and so this book is intended to assist in charting the 100 year history of the RAAF by listing aircraft operated in A number sequence rather than by listing them by role such as Fighter Bomber Maritime Trainer Transport etc or alphabetically by name or by manufacturer The inclusion of a comprehensive Index and the Quick Reference Guide to aircraft by role is intended to facilitate the location of the entry for any specific type of aircraft for those who may not already know its A number Aircraft of The Royal Australian Air Force is a must have for all those who have served in the RAAF those with a passion for military aviation and aircraft in general and the broader members of the public wishing to gain an appreciation of the Royal Australian Air Force in its centenary year

The Prince and the Assassin Steve Harris, 2018-09-01 The engrossing real life story of how Queen Victoria s favourite son Prince Alfred undertook the most ambitious Royal tour only for Australia s overwhelming joy of having the first Royal on its shores jolted by his decadent behaviour then shocked by an attempted assassination by a man trained as a priest The British Empire s youngest and most distant outpost found itself at the epicentre of a new crime and empirical fears about the first inter continental terrorist group a conspiracy and a lone wolf In a resulting reign of terror extraordinary steps were taken to safeguard security with laws on treason and sedition which even the Queen felt went too far and the would be assassin was hastily executed in a miscarriage of justice led by opportunistic politicians This is an extraordinary and atmospheric weaving of the stories some detailed for the first time of royal intrigue sexual appetite religious bigotry patriotic vengeance naked ambition national security and moral panic They are stories of royals immigrants archbishops republicans and the founding fathers of Australia and issues that remain with us today Drawing on Royal British and Australian archives the compelling narrative embraces a pivotal time in the evolution of Australia and on the 150th anniversary reveals how a minute of madness rocked the country to its foundations with a legacy which helped shape Australia s history and continues to influence and challenge us today Revelations insights in The Prince and the Assassin Prince Alfred s spare heir upbringing as the chosen one and prospective King of Australia Sexually decadent royal behaviour An historic tour which became the model for 50 subsequent royal tours to Australia Religious bigotry violence and death in early Australia How a young migrant trained and destined to be a priest became an assassin How the biggest crime in Australia shocked shamed terrorised and divided the country How Henry Parkes founder of federation suppressed and doctored evidence hired private spies and criminals for political advantage Australia suppressing civil liberties even making it a crime of treason to discuss republicanism and to not drink a toast to the Queen Australian Catholics accused of disloyalty and an Archbishop conspiring against the Government Australia s most sensational trial one of injustice and vengeance for a crime not on the Empire s capital list Alfred appealing for his would be killer to not be executed An

Australian Government accused of promoting fear for political advantage and committing treason and fraud Life and Death on the 'Royal Charter'. Chris Holden and Lesley Holden, The auxiliary steamship Royal Charter was wrecked at Moelfre Anglesey North Wales on the 26th of October 1859 with great loss of life and a fortune in gold This book tells the background to the voyage and the story of the disaster using many of the newspaper reports of that era **Proceedings of the Royal Colonial Institute** Royal Commonwealth Society, 1907 *Quarterly Journal of the Royal Meteorological Society* Royal Meteorological Society (Great Britain), 1928 Vols 10 11 include Meteorology of England by James Glaisher as separately paged section at end

The Enigmatic Realm of **Royal Presence In Australia**: Unleashing the Language is Inner Magic
