Say It Straight Or You'll Show It Crooked:

Say It Straight Or You'll Show It Crooked Abe Wagner, 1986 **Thinking Straight** Robin Reardon, 2008-05-01 I know God doesn't make mistakes and if I'm gay it's because that's what he wanted. What you wanted. And I think the challenge is to get everyone else to see that. This is their test, not mine. If only Taylor Adams had kept on lying to his parents, none of this would have happened. He wouldn't have been shipped off to Straight to God, an institution devoted to deprogramming troubled teenagers and ridding them of their vices, whether it's drugs, violence, or in Taylor's case, other boys. Not that Taylor has a problem with being gay, or with reconciling his love for God with his love for his boyfriend Will. At Straight to God, such thoughts along with all other reminders of Taylor's former sinful life are forbidden. Every movement is monitored; privacy is impossible, and no one from staff to residents is quite who they first appear to be. There's Charles, Taylor's clean-cut roommate desperate to leave his past behind. Nate Devlin, a handsome, inscrutable older boy who's alternately arrogant and kind. Gorgeous, secretive Sean, who returns to Straight to God each year to avoid doing prison time for drugs. Here, where piety can be a mask for cruelty and the greatest crimes go unpunished, Taylor will learn more than he ever dreamed about love, courage, rebellion, and betrayal, but the most surprising lessons will be the truths he uncovers about himself. In this smart, insightful new novel, Robin Reardon presents a compelling exploration of the journey from boy to man and a testament to the strength that comes with accepting both who we are and who we love. Self-empowerment Sam R. Lloyd, Tina Berthelot, Christine Berthelot, 1992 Self-empowerment works from the inside out. It is more than an attitude; it is an overall feeling of effectiveness. SELF EMPOWERMENT will inspire the reader to reach his or her desired level of excellence with tips on how to foster mutually supportive working relationships as well as how to feel more comfortable with being accountable for making decisions. This book is meant to help employees develop a sense of ownership in their jobs and in their organizations to achieve personal and professional success. **Lectures on Efficiency** Herbert Newton Casson, 1917

The Works of Saint Augustine: v. 1. Sermons on the Old Testament, 20-50 Saint Augustine (of Hippo), 1990
