Sayings For Sufferers:

Sayings for Sufferers David C. Jones,1997-11-15 All who hurt will prize this little handbook of insight inspiration and gentle humor A Sufferer's Regret When we lose someone we love our bitterest fears are called forth by the memory of hours when we loved not enough *The Seven Sayings of the Savior on the Cross* Arthur W. Pink, Rev Terry Kulakowski,2016-09-27 THE DEATH OF THE LORD JESUS CHRIST is a subject of never failing interest to all who study prayerfully the scripture of truth This is so not only because the believer's all both for time and eternity depends upon it but also because of its transcendent uniqueness Four words appear to sum up the salient features of this mystery of mysteries the death of Christ was natural unnatural preternatural and supernatural The death of Christ was natural By this we mean that it was a real death It is because we are so familiar with the fact of it that the above statement appears simple and commonplace yet what we here touch upon is to the spiritual mind one of the main elements of wonderment The one who was taken and by wicked hands crucified and slain was none other than Jehovah's Fellow The blood that was shed on the accursed tree was divine The church of God which he purchased with his own blood Notable sayings of the Great teacher, and other biblical studies Henry Thorne (evangelist.),1893 Smooth Words Carole R. Fontaine,2002-01-01 Fontaine explores the social roles of women as depicted within the book of Proverbs as well as the character archetypes and patriarchal ideologies which undergird the sages portrayal Using feminist folklore methodologies and performance studies the author explores an alternative paradigm for understanding women's relationship to wisdom traditions in the ancient Near East using parallel texts later midrash and extrabiblical representations of biblical women associated with wisdom Fontaine is thus able to show that women were culturally authorized performers of the family based wisdom traditions of teaching economic problem solving and care giving and that these roles provided them with a platform to use their acknowledged wisdom in public roles *Canadian Books in Print.
