Scandal Of Falconhurst:

Scandal of Falconhurst Ashley Carter, 1982 *The New Orleans of Fiction* James A. Kaser, 2014-07-29 The importance of New Orleans in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on New Orleans centered fiction are available, they are of little use to scholars researching works written before the 1980s. In *The New Orleans of Fiction: A Research Guide*, James A. Kaser provides detailed synopses for more than 500 works of fiction significantly set in New Orleans and published between 1836 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies, i.e., class, ethnicity, gender, immigrant experience, and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction, as well as literary fiction, are included. *Paperback Quarterly* (Vol. 4 No. 2) Summer 1981 Harry Whittington, 2010-09-01 *Paperback Quarterly* journal of mass market paperback history. Volume 4 Number 2 Summer 1981 contains: Fires That Create The Versatility and Craft of Harry Whittington by Michael S. Barson; Interview with Harry Whittington by Michael S. Barson; Modern Age Books and the John Esten Myer by Angela Andrews; Soft Cover Sketches Lou Marchetti by Thomas L. Bonn; and The European Paperback Prelude by Piet Schreuders. **Literary Afterlife** Bernard A. Drew, 2010-03-08 This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them. It includes book series that have continued under a deceased writer's real or pen name, undisguised offshoots issued under the new writer's name, posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer, unauthorized pastiches, and biographies of literary characters. The authors and works are entered under the following categories: Action and Adventure; Classics 18th Century and Earlier; Classics 19th Century; Classics 20th Century; Crime and Mystery; Espionage; Fantasy and Horror; Humor; Juveniles 19th Century; Juveniles 20th Century; Poets; Pulp; Romances; Science Fiction and Westerns. Each original author entry includes a short biography, a list of original works, and information on the pastiches based on the author's characters. [A Checklist of Harry Whittington](#) C. P. Stephens, 1992 **Slavery & Race in American Popular Culture** William L. Van Deburg, 1984 Spanning more than three centuries from the colonial era to the present, Van Deburg's overview analyzes the works of American historians, dramatists, novelists, poets, lyricists, and filmmakers and exposes through those artists often disquieting perceptions the cultural underpinnings of American current racial attitudes and divisions. Crucial to Van Deburg's analysis is his contrast of black and

white attitudes toward the Afro American slave experience There has in fact been a persistent dichotomy between the two races literary historical and theatrical representations of slavery If white culture makers have stressed the unmaning of the slaves and encouraged such stereotypes as the Noble Savage and the comic minstrel to justify the blacks subordination Afro Americans have emphasized a counter self image that celebrates the slaves creativity dignity pride and assertiveness ISBN 0 299 09634 3 pbk 12 50 **St. James Guide to Crime & Mystery Writers** Jay P.
