

SCANDAL AND PARADE

The Theater of JEAN
COCTEAU

BY NEAL OXENHANDLER

Scandal Parade Theater Of Jean Cocteau

Mark Franko

Scandal Parade Theater Of Jean Cocteau:

Scandal and Parade Neal Oxenhandler, 2003-01-01 *Scandal & Parade* Neal Oxenhandler, 1957 Tell Jean Cocteau that I adore him the only person for whom Myth opens its gates and from which he returns bronzed as from the seaside wrote the poet Rainer Maria Rilke Cocteau's work has inspired this same degree of admiration in many people but until now the mystery he insists upon has defied critics of his novels plays and poems In this first book length analysis in English of one of the most fascinating literary figures of our time Neal Oxenhandler explores that mystery appropriately using the theater as the focus of his study All the major Cocteau plays certain of the minor ones and a selection of the films are covered in this book Mr Oxenhandler's narration of the action of the plays which contributes to the critical themes he develops is so skillful that the reader need not have read the plays themselves First setting forth the cultural and historical background of Cocteau's work Oxenhandler shows for the first time the relation of Cocteau to Expressionism He goes on to take up the matter of Cocteau's style prefiguring a theme which the rest of the book develops Cocteau's use of ambiguity In the main body of the book the author breaks down Cocteau's mystery into various aspects There is the theme of persecution Cocteau's characters are running away from something There is what the author calls a kind of moral failure which he analyzes in terms of the Sartrean theory of engagement Cocteau's characters are unable to become involved in the world around them The author's final evaluation of Cocteau rests on the theory of a literature of negation which expresses value by a denial of value and in which anguish of one form or another is a substitute for choice He sees Cocteau as one of the great creators of negative literature and perhaps in his sense of honesty and the authenticity of his struggle he has given us the true tragedy of our age Adapted from book jacket **Scandal & Parade. The Theatre of Jean Cocteau** Neal OXENHANDLER, 1958 **Scandal and Parade** Neal Oxenhandler, 1969 Reviewing Orpheus Cornelia A. Tsakiridou, 1997 Postmodernism's dedication to the rehabilitation of lesser artists and its revision of modernist history have not affected Cocteau studies even in areas of self evident relevance like sexuality myth and gender **Theatre Scandals**, 2020-06-29 Since the beginning of theatre history scandals have taken place and the variety of causes processes and types of interactions makes them an interesting object of study Theatre scandals often indicate clashes with a dominant ideology or with the ideology of a particular group in society Sometimes following a scandal the attacked ideology changes and incorporates the possibility of the aesthetics or themes that caused the clash In this way scandals can cause dynamic changes within cultural systems Next to theoretical considerations the contributors all members of the IFTR Theatrical Event Working Group present in their various case studies a wide cultural and chronological diversity of theatre scandals all of which were experienced as very shocking moments in theatre history **On the Uses of the Fantastic in Modern Theatre** I. Eynat-Confino, 2008-11-24 The book reveals how the fantastic is used in modern theatre as a manipulative device to encode the unspeakable and control audience response challenging conventional readings of all authors who use the fantastic **The Fascist Turn in the Dance of**

Serge Lifar Mark Franko, 2020-06-19 Ukrainian dancer and choreographer Serge Lifar 1905-86 is recognized both as the modernizer of French ballet in the twentieth century and as the keeper of the flame of the classical tradition upon which the glory of French ballet was founded. Having migrated to France from Russia in 1923 to join Diaghilev's Ballets Russes, Lifar was appointed star dancer and ballet director at the Paris Opéra in 1930. Despite being rather unpopular with the French press at the start of his appointment, Lifar came to dominate the Parisian dance scene through his publications as well as his dancing and choreography until the end of the Second World War, reaching the height of his fame under the German occupation of Paris 1940-44. Rumors of his collaborationism have remained inconclusive throughout the postwar era. Lifar retired in 1958. This book not only reassesses Lifar's career both aesthetically and politically but also provides a broader reevaluation of the situation of dance, specifically balletic neoclassicism, in the first half of the twentieth century. *The Fascist Turn in the Dance of Serge Lifar* is the first book not only to discuss the resistance to Lifar in the French press at the start of his much mythologized career but also the first to present substantial evidence of Lifar's collaborationism and relate it to his artistic profile during the preceding decade. In examining the political significance of the critical discussion of Lifar's body and technique, author Mark Franko provides the ground upon which to understand the narcissistic and heroic images of Lifar in the 1930s as prefiguring the role he would play in the occupation. Through extensive archival research into unpublished documents of the era, police reports, the transcript of his postwar trial, and rarely cited newspaper columns, Lifar wrote, Franko reconstructs the dancer's political activities, political convictions, and political ambitions during the Occupation.

Continuum Companion to Twentieth Century Theatre Colin Chambers, 2006-05-14 International in scope, this book is designed to be the pre-eminent reference work on the English-speaking theatre in the twentieth century. Arranged alphabetically, it consists of some 2500 entries written by 280 contributors from 20 countries, which include not only top-level experts but uniquely leading professionals from the world of theatre. A fascinating resource for anyone interested in theatre, it includes: Overviews of major concepts, topics, and issues; Surveys of theatre institutions, countries, and genres; Biographical entries on key performers, playwrights, directors, designers, choreographers, and composers; Articles by leading professionals on crafts, skills, and disciplines, including acting, design, directing, lighting, sound, and voice. *Dada and Surrealist Film* Rudolf E. Kuenzli, 1996-07-29 This groundbreaking collection of thirteen original essays analyzes connections between film and two highly influential twentieth-century movements. *Triumph of Pierrot* Martin Green, John Swan, 2010-11-01

Twentieth-century French Dramatists Mary Anne O'Neil, 2006 Essays on twentieth-century French playwrights who were largely influenced by non-French traditions during the greatest age of French theater since the mid-1700s. French drama of the twentieth century was cosmopolitan, experimental, and eclectic and attempted to appeal to a wider audience than in the past. Dramatists came not only from Paris but from the provinces and the French states of the Caribbean as well as from Francophone countries such as Belgium. Avant-garde: the Experimental Theater in France Leonard Cabell Pronko, 1963

Discusses playwrights such as Samuel Beckett Eugene Ionesco Arthur Adamov Jean Genet Jean Tardieu Jean Vauthier Henri Pichette Michel de Ghelderode Jacques Audiberti and Georges Schéhade **Jean Cocteau** James S. Williams, 2008-02 Evaluating Cocteau's career and his fascinating personal life on equal terms James Williams offers here a groundbreaking analysis that sets them both within highly revealing historical and artistic contexts **Mademoiselle** Rhonda K. Garelick, 2015-07-14 NATIONAL BESTSELLER Certain lives are at once so exceptional and yet so in step with their historical moments that they illuminate cultural forces far beyond the scope of a single person Such is the case with Coco Chanel whose life offers one of the most fascinating tales of the twentieth century throwing into dramatic relief an era of war fashion ardent nationalism and earth shaking change here brilliantly treated for the first time with wide ranging and incisive historical scrutiny Coco Chanel transformed forever the way women dressed Her influence remains so pervasive that to this day we can see her afterimage a dozen times while just walking down a single street in all the little black dresses flat shoes costume jewelry cardigan sweaters and tortoiseshell eyeglasses on women of every age and background A bottle of Chanel No 5 perfume is sold every three seconds Arguably no other individual has had a deeper impact on the visual aesthetic of the world But how did a poor orphan become a global icon of both luxury and everyday style How did she develop such vast undying influence And what does our ongoing love of all things Chanel tell us about ourselves These are the mysteries that Rhonda K Garelick unravels in *Mademoiselle* Raised in rural poverty and orphaned early the young Chanel supported herself as best she could Then as an uneducated nineteen year old caf singer she attracted the attention of a wealthy and powerful admirer and parlayed his support into her own hat design business For the rest of Chanel's life the professional personal and political were interwoven her lovers included diplomat Boy Capel composer Igor Stravinsky Romanov heir Grand Duke Dmitri Hugh Grosvenor the Duke of Westminster poet Pierre Reverdy a Nazi officer and several women as well For all that she was profoundly alone her romantic life relentlessly plagued by abandonment and tragedy Chanel's ambitions and accomplishments were unparalleled Her hat shop evolved into a clothing empire She became a noted theatrical and film costume designer collaborating with the likes of Pablo Picasso Jean Cocteau and Luchino Visconti The genius of Coco Chanel Garelick shows lay in the way she absorbed the zeitgeist reflecting it back to the world in her designs and in what Garelick calls wearable personality the irresistible and contagious style infused with both world history and Chanel's nearly unbelievable life saga By age forty Chanel had become a multimillionaire and a household name and her Chanel Corporation is still the highest earning privately owned luxury goods manufacturer in the world In *Mademoiselle* Garelick delivers the most probing well researched and insightful biography to date on this seemingly familiar but endlessly surprising figure a work that is truly both a heady intellectual study and a literary page turner Praise for *Mademoiselle* A detailed wry and nuanced portrait of a complicated woman that leaves the reader in a state of utterly satisfying confusion blissfully mesmerized and confounded by the reality of the human spirit The Washington Post Writing an exhaustive biography of

Chanel is a challenge comparable to racing a four horse chariot This makes the assured confidence with which Garelick tells her story all the more remarkable The New York Review of Books Broadly focused and beautifully written The Wall Street Journal The QUARTERLY JOURNAL of SPEECH. FEBRUARY-1958. ,1958 **Dance, Desire, and Anxiety in Early Twentieth-Century French Theater** Charles R. Batson,2017-03-02 The 1909 arrival of Serge de Diaghilev s Ballets Russes in Paris marked the beginning of some two decades of collaboration among litt rateurs painters musicians and choreographers many not native to France Charles Batson s original and nuanced exploration of several of these collaborations integral to the formation of modernism and avant gardist aesthetics reinscribes performances of the celebrated Russians and the lesser known but equally innovative Ballets Su dois into their varied artistic traditions as well as the French historical context teasing out connections and implications that are usually overlooked in less decidedly interdisciplinary studies Batson not only uncovers the multiple meanings set in motion through the interplay of dancers musicians librettists and spectators but also reinterprets literary texts that inform these meanings such as Val ry s *L Ame et la danse* Identifying the performing body as a site where anxieties drives and desires of the French public were worked out he shows how the messages carried by and ascribed to bodies in performance significantly influenced thought and informed the direction of much artistic expression in the twentieth century His book will be a valuable resource for scholars working in the fields of literature dance music and film as well as French cultural studies Greek Tragedy and the Modern World Leo Aylen,2025-02-03 First published in 1964 Greek Tragedy and the Modern World begins with the question what is Tragedy Most discussion assumes some essence of Tragedy in certain plays at certain periods and discussion today centres on whether it is possible or desirable for contemporary plays to attend to this essence There is considerable agreement about what this essence of Tragedy is But when we examine closely the works of Aeschylus Sophocles and Euripides we find that none of the important aspects of this essence of Tragedy applied to them Greek tragedies are not Tragedy Yet if we read or perform them we do discover a special attitude to life which they present By examining each of the works of the three Greek masters in turn the author has tried to define what this attitude to life consists of He then turns his attention to dramatists who have attempted with varying degrees of success to present aspects of this attitude in contemporary terms Buchner Ibsen Strindberg Miller Cocteau Gide Giraudoux Anouilh Sartre Gh on and Eliot He pays particular attention to such key concepts as myth and discusses the various forms of poetic language used by these writers The author assumes that one cannot criticise literature still less drama except in terms of a complete view of life and goes on to examine the claims of different philosophical systems and methods to provide this He believes that such a view is both possible and desirable in our time and indeed a necessary prerequisite for the emergence of modern tragedy This is a must read for scholars and researchers of Greek literature theatre studies and literature in general **Reader's Guide to Lesbian and Gay Studies** Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals

Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report **Latest Rage the Big Drum** Annabelle Winograd,1980
