**The 'scandalous Memoirists'** Lynda M. Thompson, 2000 Thompson presents a re appraisal of the scandalous memoirists Constantia Phillips and Laetitia Pilkington who feature with a cast of other 18th century apologists and overturns scholarship's traditional discrediting of them *Eighteenth-Century Women's Writing and the 'Scandalous Memoir'* Caroline Breashears, 2017-02-06 This book contributes to the literary history of eighteenth century women's life writings particularly those labeled scandalous memoirs It examines how the evolution of this subgenre was shaped partially by several innovative memoirs that have received only modest critical attention Breashears argues that Madame de La Touche's Apologie and her friend Lady Vane's Memoirs contributed to the crystallization of this sub genre at mid century and that Lady Vane's collaboration with Tobias Smollett in The Adventures of Peregrine Pickle resulted in a brilliant experiment in the relationship between gender and genre It demonstrates that the Memoirs of Catherine Jemmat incorporated influential new strategies for self justification in response to changing kinship priorities and that Margaret Coghlan's Memoirs introduced revolutionary themes that created a hybrid the political scandalous memoir This book will therefore appeal to scholars interested in life writing women's history genre theory and eighteenth century British literature **Women's History** Hannah Barker, Elaine Chalus, 2005 A wide ranging thematic survey of women's history in Britain in the 18th and early 19th centuries with chapters written by both well established writers and new and dynamic scholars in a thorough and well balanced selection

Women's Life Writing, 1700-1850 D. Cook, A. Culley, 2016-04-13 This collection discusses British and Irish life writings by women in the period 1700-1850 It argues for the importance of women's life writing as part of the culture and practice of eighteenth century and Romantic auto biography exploring the complex relationships between constructions of femininity life writing forms and models of authorship **Romantic women's life writing** Susan Civalé, 2019-03-14 This book explores how the publication of women's life writing influenced the reputation of its writers and of the genre itself during the long nineteenth century It provides case studies of Frances Burney Mary Wollstonecraft Mary Robinson and Mary Hays four writers whose names were caught up in debates about the moral and literary respectability of publishing the private Focusing on gender genre and authorship this study examines key works of life writing by and about these women and the reception of these texts It argues for the importance of life writing a crucial site of affective and imaginative identification in shaping authorial reputation and afterlife The book ultimately constructs a fuller picture of the literary field in the long nineteenth century and the role of women writers and their life writing within it Queen of the Courtesans Barbara White, 2014-06-02 Fanny Murray was an incomparable Georgian beauty and the most desired courtesan of the 1750s The daughter of an impoverished musician from Bath she took London society by storm not only as the most prized purchaseable beauty of her day but also as a fashion icon and muse to poets writers and artists She counted princes aristocrats and politicians among her friends and lovers but relished the company of rogues fraudsters and ne'er-do-wells Barbara White

presents evidence to suggest that Fanny Murray participated spiritedly in the sexual antics of the notorious Monks of Medmenham the most infamous of the Hell fire Clubs After she retired from prostitution Fanny Murray reinvented herself entering a pragmatic marriage with the Scottish actor David Ross Surprisingly her virtues as a devoted and faithful wife became almost proverbial Even so Murray could not escape her disreputable past In 1763 a scurrilous poem dedicated to her caused a national scandal that ended in the infamous trial of the radical politician John Wilkes for obscene libel Barbara White s portrait of Fanny Murray takes readers from the brothels of Covent Garden to sex romps at Medmenham Abbey from refined drawing rooms in London to marital respectability in Edinburgh This is an illuminating contribution to the scholarly understanding and popular appreciation of a complex and intriguing period of British history Fanny Murray s triumph against almost insuperable odds is a remarkable story as rich in the telling as it is enthralling

**Women and the Autobiographical Impulse** Barbara Caine,2023-09-07 Forming a critical introduction to the history of women s autobiography from the mid 18th century to the present this book analyses the most important changes in women s autobiography exploring their motivation context style and the role of life experiences Caine effortlessly segues across three centuries of history from the emergence of the modern autobiography in the 18th century which laid bare the scandalous lives of fallen women to the literary and suffragist autobiographies of the 19th century to the establishment of feminist publishers in the 20th century and the taboo shattering autobiographies they produced The result is a much needed history one which provides a different way of thinking about the trajectory of genre information Caine s compelling study fills an important gap in the genre of autobiography by embracing a wide range of women and offering an extensive discussion of the autobiographies of women across the 19th and 20th centuries making it ideal for classroom use

**Making Stars** Nora Nachumi,Kristina Straub,2022-07-15 In bringing biography and celebrity together the essays in Making Stars interrogate contemporary and current understandings of each Although biography was not invented in the eighteenth century the period saw the emergence of works that focus on individuals who are interesting as much if not more for their everyday lived experience than for their status or actions At the same time celebrity emerged as public fascination for the private lives of publicly visible individuals Biography and celebrity are mutually constitutive but in complex and varied ways that this volume unpacks Contributors to this volume present us a picture of eighteenth century celebrity that was mediated across multiple sites demonstrating that eighteenth century celebrity culture in Britain was more pervasive diverse and in many ways more egalitarian than previously supposed

**Whore Biographies, 1700-1825, Part II vol 5** Julie Peakman,2024-10-28 Across eight volumes this two part collection of selected texts focuses on autobiographies and biographies of courtesans directories of whores erotic poems dedicated to harlots jocular descriptions of prostitutes and jest books on strumpets

**Bluestockings Now!** Deborah Heller,2016-03-03 Bringing together top specialists in the field this edited volume challenges the theory that the eighteenth century British intellectual women known as the Bluestockings were an isolated

phenomenon spanning the period from the 1750s through the 1790s On the contrary the contributors suggest the Bluestockings can be conceptualized as belonging to a chain of interconnected networks taking their origin at a threshold moment in print media and communications development and extending into the present The collection begins with a definition of the Bluestockings as a social role rather than a fixed group a movement rather than a static phenomenon an evolving dynamic reaching into our late modern era Essays include a rare transcript of a Bluestocking conversation new previously unknown Bluestockings brought to light for the first time and descriptions of Bluestocking activity in the realms of natural history arts and crafts theatre industry travel and international connections The concluding essay argues that the Blues reimagined and practiced women s work in ways that adapted to and altered the course of modernity decisively putting a female imprint on economic social and cultural modernization Demonstrating how the role of the Bluestocking has evolved through different historical configurations yet has structurally remained the same the collection traces the influence of the Blues on the Romantic Period through the nineteenth century and proposes the reinvention of Bluestocking practice in the present

**British Women's Life Writing, 1760-1840** A. Culley, 2014-07-22 British Women s Life Writing 1760 1840 brings together for the first time a wide range of print and manuscript sources to demonstrate women s innovative approach to self representation It examines canonical writers such as Mary Wollstonecraft Mary Robinson and Helen Maria Williams amongst others

*Collecting Women* Chantel M. Lavoie, 2009 This book addresses the place of women writers in anthologies and other literary collections in eighteenth century England It explores and contextualizes the ways in which two different kinds of printed material poetic miscellanies and biographical collections complemented one another in defining expectations about the woman writer Far more than the single authored text it was the collection in one form or another that invested poems and their authors with authority By attending to this fascinating cultural context Chantel Lavoie explores how women poets were placed posthumously in the world of eighteenth century English letters Investigating the lives and works of four well known poets Katherine Philips Aphra Behn Anne Finch and Elizabeth Rowe Lavoie illuminates the way in which celebrated women were collected alongside their poetry the effect of collocation on individual reputations and the intersection between bibliography and biography as female poets themselves became curiosities In so doing *Collecting Women* contributes to the understanding of the intersection of cultural history canon formation and literary collecting in eighteenth century England

**Editing Women's Writing, 1670-1840** Amy Culley, Anna M. Fitzer, 2017-09-18 This edited volume is the first to reflect on the theory and practice of editing women s writing of the 18th century The list of contributors includes experts on the fiction drama poetry life writing diaries and

correspondence of familiar and lesser known women including Jane Austen Delarivier Manley Eliza Haywood and Mary Robinson Contributions examine the demands of editing female authors more familiar to a wider readership such as Elizabeth Montagu Mary Robinson and Helen Maria Williams as well as the challenges and opportunities presented by the recovery of authors such as Sarah Green Charlotte Bury and Alicia LeFanu The interpretative possibilities of editing works published anonymously and pseudonymously are considered across a range of genres Collectively these discussions examine the interrelation of editing and textual criticism and show how new editions might transform understandings not only of the woman writer and women s literary history but also of our own editorial practice

**Fashioning Society in Eighteenth-Century British Jamaica** Chloe Northrop, 2024-03-20 White women who inhabited the West Indies in the eighteenth century fascinated metropolitan observers In popular prints novels and serial publications these women appeared to stray from proper British societal norms Although many women who lived in the Caribbean island of Jamaica might have fit the model extant writings from Ann Brodbelt Sarah Dwarris Margaret and Mary Cowper Lady Maria Nugent and Ann Appleton Storrow show a longing to remain connected with metropolitan society and their loved ones separated by the Atlantic Sensibility and awareness of metropolitan material culture masked a lack of empathy towards subordinates and opened the white women in these islands to censure Novels and popular publications portrayed white women in the Caribbean as prone to overconsumption but these women seem to prize items not for their inherent value They treasured items most when they came from beloved connections This colonial interchange forged and preserved bonds with loved ones and comforted the women in the West Indies during their residence in these sugar plantation islands This book seeks to complicate the stereotype of insensibility and overconsumption that characterized the perception of white women who inhabited the British West Indies in the long eighteenth century This book will appeal to students and researchers alike who are interested in the social and cultural history of British Jamaica and the British West Indies more generally

Rosenthal, 2015-01-26 In Infamous Commerce Laura J Rosenthal uses literary and historical sources to explore the meaning of prostitution from the Restoration through the eighteenth century showing how both reformers and libertines constructed the modern meaning of sex work during this period From Grub Street s lurid whore biographies to the period s most acclaimed novels the prostitute was depicted as facing a choice between abject poverty and some form of sex work Prostitution in Rosenthal s view confronted the core controversies of eighteenth century capitalism luxury desire global trade commodification social mobility gender identity imperialism self ownership alienation and even the nature of work itself In the context of extensive research into printed accounts of both male and female prostitution among them sermons popular prostitute biographies satire pornography brothel guides reformist writing and travel narratives Rosenthal offers in depth readings of Samuel Richardson s Clarissa and Pamela and the responses to the latter novel including Eliza Haywood s Anti Pamela Bernard Mandeville s defenses of prostitution Daniel Defoe s Roxana Henry Fielding s Tom Jones and travel journals

about the voyages of Captain Cook to the South Seas Throughout Rosenthal considers representations of the prostitute s own sexuality desire revulsion etc to be key parts of the changing meaning of the oldest profession **Women's Theatrical Memoirs, Part I Vol 1** Sue Mcpherson, Sharon M Setzer, Julia Swindells, 2024-10-28 By the close of the Eighteenth Century the theatrical memoir had become a popular and established genre This ten volume facsimile collection offers accounts of the late eighteenth century stage which provide insights into contemporary constructions of gender sexuality and fame *The Cambridge Companion to Autobiography* Maria DiBattista, Emily O. Wittman, 2014-05-29 A historical overview of autobiography from the works of Augustine Montaigne and Rousseau to the Romantic Victorian and modern eras Boom! Julie Rak, 2013-06-15 Since the early 1990s tens of thousands of memoirs by celebrities and unknown people have been published sold and read by millions of American readers The memoir boom as the explosion of memoirs on the market has come to be called has been welcomed vilified and dismissed in the popular press But is there really a boom in memoir production in the United States If so what is causing it Are memoirs all written by narcissistic hacks for an unthinking public or do they indicate a growing need to understand world events through personal experiences This study seeks to answer these questions by examining memoir as an industrial product like other products something that publishers and booksellers help to create These popular texts become part of mass culture where they are connected to public events The genre of memoir and even genre itself ceases to be an empty classification category and becomes part of social action and consumer culture at the same time From James Frey s controversial *A Million Little Pieces* to memoirs about bartending Iran the liberation of Dachau computer hacking and the impact of 9 11 this book argues that the memoir boom is more than a publishing trend It is becoming the way American readers try to understand major events in terms of individual experiences The memoir boom is one of the ways that citizenship as a category of belonging between private and public spheres is now articulated *The French Language and British Literature, 1756-1830* Marcus Tomalin, 2016-03-31 From the 1750s to the 1830s numerous British intellectuals novelists essayists poets playwrights translators educationalists politicians businessmen travel writers and philosophers brooded about the merits and demerits of the French language The decades under consideration encompass a particularly tumultuous period in Anglo French relations that witnessed the Seven Years War 1756 1763 the American War of Independence 1775 1783 the Revolutionary and Napoleonic Wars 1792 1802 and 1803 1815 respectively the Bourbon Restoration 1814 1830 and the July Revolution 1830 not to mention the gradual expansion of the British Empire and the complex cultural shifts that led from Neoclassicism to Romanticism In this book Marcus Tomalin reassesses the ways in which writers such as Tobias Smollett Maria Edgeworth William Wordsworth John Keats William Cobbett and William Hazlitt acquired and deployed French This intricate topic is examined from a range of critical perspectives which draw upon recent research into European Romanticism linguistic historiography comparative literature social and cultural history education theory and translation studies This interdisciplinary approach helps to illuminate the

deep ambivalences that characterised British appraisals of the French language in the literature of the Romantic period
