Scandinavia At The Polls Recent Political Trends In Denmark Norway And Sweden:

Scandinavia at the Polls American Enterprise Institute for Public Policy Research, 1977 Studies in political and social processes

Scandinavia at the Polls Karl H. Cerny, 1977 *Contemporary Western European Feminism (RLE Feminist Theory)* Gisela Kaplan, 2012-11-12 Contemporary Western European Feminism is a ground breaking history of feminism Gisela Kaplan invites a critical analysis of current ideas terms and assumptions about our modern world Written confidently and with compassion this is the story of a long revolution that has set out to change predominant attitudes and transform value hierarchies and human lifestyles By outlining the postwar histories of individual countries Kaplan contextualises women s movements and documents a significant chapter of European social history She poses questions about the interrelationship between the new movements and the parliamentary democracies in which they occurred while analysing the contradictions of living in modern capitalist countries Contemporary Western European Feminism also tackles important contradictions such as those between the welfare state and the free market economy industrialisation and religious value systems social engineering and the production of wealth and dissent and patrimonial systems of democracy For those wanting to know more about Europe without the intimidating barriers of language and for those already experts in its social history Contemporary Western European Feminism is essential reading

Trade Union Activism in the Nordic Countries since 1900 Jesper Jørgensen, Flemming Mikkelsen, 2023-02-16 Providing a Nordic historical perspective this collection aims to further our understanding of trade union activism and its role in modern society Contributions from a range of leading scholars analyse the organisational conditions of mobilisation that were deployed by Nordic unionists and explore the way that they interacted with other forms of social and political protest during the twentieth century Covering illegal or so called wildcat strikes blockades demonstrations and other activist measures the authors examine the way that trade union activism in the Nordic countries aimed to move the political combat zone from the meeting rooms of the respective confederations into the streets and the public domain The collection focuses on cases from Denmark Sweden Norway and Finland but comparisons are also made with countries such as Iceland Germany and the USA Exploring the ways in which political parties have intervened in Nordic trade union activism since the early twentieth century this unique collection offers new insights for those interested in labour market dynamics and the complex process behind the formation of salary and employment conditions

The Scandinavian Model Robert Erikson, 1987 Part I of this book is devoted to the development of Scandinavian societies from agrarian societies to modern industrial economies and welfare states Three of the chapters in Part II analyse particular welfare problems those of inequality poverty and redistribution the final essay deals with women s position in the welfare state The papers included in Part III present theory and methods of welfare research

Liberal Parties in Western Europe Emil J. Kirchner, 1988-11-03 This book is a comparative study of liberal parties in Western Europe examining the role and development of liberal parties within individual countries their internal party structure and

organization electoral audience coalitions and government participation party programmes and strategies and international and cross national links

The Swedish Economy Barry P. Bosworth, Alice M. Rivlin, 2010-12-01 This book examines economic conditions and policies in Sweden Topics include adjusting to slower economic growth labor markets taxation the public sector and Swedish political foundations

The A to Z of Denmark Alastair H. Thomas, 2010-05-10 Denmark is the oldest monarchy in Europe At different points in its history Denmark's boundaries have encompassed England Sweden West Africa India and the West Indies Despite its changing and relatively small boundaries Denmark has played a much larger part in the politics of Europe than might be expected Additionally through its territories Faroe Islands and Greenland Denmark has managed to retain an important presence in the North Atlantic Today democratic Denmark with its thriving capital Copenhagen is peaceful prosperous and progressive Within NATO Denmark has contributed to peace keeping in the Persian Gulf and Bosnia The Danish Model of welfare gives Danes a real sense of social security and presents many naysayers with a provocative example of a successfully managed welfare state Danes have a reputation for inventiveness and good design whether in architecture furniture or industrial design The A to Z of Denmark relates the history of this successful country through a chronology an introductory essay appendixes a bibliography and hundreds of cross referenced dictionary entries on kings politicians officials explorers authors architects composers painters astronomers educationists reformers political parties social movements and other aspects of Danish society

The Logic of Pre-electoral Coalition Formation Sona Nadenichek Golder, 2006 Why do some parties coordinate their electoral strategies as part of a pre electoral coalition while others choose to compete independently at election time Scholars have long ignored pre electoral coalitions in favor of focusing on the government coalitions that form after parliamentary elections Yet electoral coalitions are common they affect electoral outcomes and they have important implications for democratic policy making itself The Logic of Pre Electoral Coalition Formation by Sona Nadenichek Golder includes a combination of methodological approaches game theoretic statistical and historical to explain why pre electoral coalitions form in some instances but not in others The results indicate that pre electoral coalitions are more likely to form between ideologically compatible parties They are also more likely to form when the expected coalition size is large but not too large and when the potential coalition partners are similar in size Ideologically polarized party systems and disproportional electoral rules in combination also increase the likelihood of electoral coalition formation Golder links the analysis of pre electoral coalition formation to the larger government coalition literature by showing that pre electoral agreements increase a the likelihood that a party will enter government b the ideological compatibility of governments and c the speed with which governments take office In addition pre electoral coalitions provide an opportunity for combining the best elements of the majoritarian vision of democracy with the best elements of the proportional vision of democracy

The A to Z of Denmark Alastair H. Thomas, 2010-05-10 The A to Z of Denmark relates the history of this successful country through a chronology an introductory essay appendixes a bibliography

and hundreds of cross referenced dictionary entries on kings politicians officials explorers authors architects composers painters **Scandinavian Government and Politics** Robert Barthel Kvavik, 1984 *Historical Dictionary of Denmark* Alastair H. Thomas, 2016-07-26 Denmark has a millennium long continuous history and development from Viking times about 800 1050 AD to the modern welfare state The resilience of the Danish people is evident in the artistic golden age of the early 19th century despite national bankruptcy the agricultural revival during the final third of the 19th century Modern Denmark leads in industrial design furniture engineering pharmacy and social development in the 20th century Danish scientists medical doctors composers musicians choreographers playwrights authors sculptors architects designers painters and film directors have made significant contributions to the development of European culture In the 21st century Denmark combines a thriving and highly productive modern economy with extensive social care and welfare and thus refutes the neo conservative economists who claim that such a combination is impossible In short Denmark is seen by the Danes and their neighbors as a very good place to live This third edition of *Historical Dictionary of Denmark* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Denmark **Germany at the Polls** Karl H. Cerny, 1990 This volume provides systematic information on the campaigns political parties and results of the Bundestag elections of 1980 1983 and 1987 It explores the issues between elections in addition to providing an overview of the campaigns and an analysis of the three election results The contributors examine the various parties involved the Christian Democratic Union Christian Social Union the Social Democratic Party the Free Democratic Party and the Greens They also analyze the role of the media in the 1980 and 1983 campaigns Cerny concludes with a general assessment of the wider significance of the three elections for the West German political system Contributors Kendall L Baker Karl H Cerny David P Conradt Arthur B Gunlicks Alice McGillivray Peter H Merkl Ferdinand Muller Rommel Helmut Norpoth Richard M Scammon Donald Schoonmaker Christian Soe **Scandinavia since 1500** Byron J. Nordstrom, 2023-06-27 An updated edition of the definitive history of Scandinavia over the past five centuries Despite certain distinctions and differences the lands of Scandinavia or Norden Sweden Norway Finland Iceland Denmark and the Faroe Islands are united by bonds of culture language and geography and by a shared history that comes richly to life in this landmark work Now in an expanded updated edition this authoritative chronicle of five centuries of Scandinavian history incorporates the geopolitical developments and momentous events that have marked the Nordic world in recent decades *Scandinavia since 1500* situates the region's political history within the traditional European chronology in which the long modern period is subdivided into the Renaissance early modern modern and contemporary Within this framework Byron J Nordstrom traces the various ways in which economic social and cultural ideas and practices have come to Scandinavia from abroad only to be modified and recast in a uniquely Nordic character Long unquestioned

national mythologies come under Nordstrom's scrutiny along with historical blind spots and erasures as he ranges from canonical figures like Gustavus Adolphus of Sweden and Christian IV of Denmark to the constitutions of the nineteenth and twentieth centuries the resistance movements in World War II and the Scandinavian welfare states literary culture and modern design Expanded to include the nature and realities of the increasingly postindustrial economies of the late twentieth and early twenty first centuries including environmental concerns integration with Europe globalization and immigration Scandinavia since 1500 offers a comprehensive yet nuanced portrait of this unique region in all its political diplomatic social economic and cultural complexity Cover alt text Bold white title and author name across breathtaking snowy landscape of sun touched cliffs beside a waterway and scattering of homes *Problems of Communism*, 1981 **Economic Democracy and Financial Participation** Daryl D'Art, 2002-03-11 The ideas of economic democracy and financial participation are not new The International Congress on profit sharing first met in Paris in 1889 However since then the numerous schemes have met with mixed reactions and various levels of success In *Economic Democracy and Financial Participation* Daryl D Art has two objectives Firstly to examine if and under what conditions profit sharing schemes and employee shareholding can motivate workers and generate cooperative striving Secondly he identifies the schemes of financial participation which have the potential to realise economic democracy within the individual firm and wider society *Routledge Library Editions: Feminist Theory* Various, 2021-04-28 Routledge Library Editions *Feminist Theory* brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from *The Liberation of Women* to *Feminists and State Welfare* from *Married to the Job* to *Julia Kristeva* this set provides in one place a wealth of important reference sources from the diverse field of gender studies *American Learned Men and Women with Czechoslovak Roots* Mila Rechcigl, 2020-11-18 Apart from a few articles no comprehensive study has been written about the learned men and women in America with Czechoslovak roots That's what this compendium is all about with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Czech and Slovak immigrants including Bohemian Jews have brought to the New World their talents their ingenuity their technical skills their scientific knowhow and their humanistic and spiritual upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for the remarkable success and achievements of these settlers in their new home transcending through their descendants as this monograph demonstrates The monograph has been organized into sections by subject areas i.e. Scholars Social Scientists Biological Scientists and Physical Scientists Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical ground without regards to their native language or ethnic background This was because under the Habsburg rule the official language was German and any nationalistic aspirations were not tolerated Consequently

it would be virtually impossible to determine their innate ethnic roots or how the respective individuals felt Doing it in any other way would be a mere guessing and thus less objective Denmark Kenneth E Miller,1991-06-26 The Denmark of the 1990s promises a sharp contrast to that of the postwar years In this critical introduction Professor Kenneth Miller delves into the social government and public policies of Denmark focusing on the changes that have transformed it over the last 40 years

The Politics of Inflation Richard Medley,2013-09-03 The Politics of Inflation A Comparative Analysis is a collection of papers that covers the inflation trend of various countries The emphasis of this title is on the domestic and international causes of each country s level and duration of inflation The text first covers the aspects of the interplay among economic and political systems and processes and then proceeds to tackling the politics of inflation in historical perspective Next the selection talks about the transatlantic aspects of inflation along with the inflation fighting in Britain Italy and Portugal The book also details the politics of inflation in the U S and the inflation policy in Germany Chapter 7 tackles the inflation and politics in U K while Chapter 8 covers the political causes and effects of Argentine inflammation The last chapter deals with inflation and democratic transition in Spain The book will be of great use to economists political scientists and individuals concerned with the global economy
