### **The Red And The Black**

Stendhal,2019-05-02 Some slight sketch of the life and character of Stendhal is particularly necessary to an understanding of Le Rouge et Le Noir The Red and the Black not so much as being the formal stuffing of which introductions are made but because the book as a book stands in the most intimate relation to the author s life and character The hero Julien is no doubt viewed superficially a cad a scoundrel an assassin albeit a person who will alternate the moist eye of the sentimentalist with the ferocious grin of the beast of prey But Stendhal so far from putting forward any excuses makes a specific point of

wallowing defiantly in his own alleged wickedness Even assuming that Julien is a villain and that it is my portrait he wrote shortly after the publication of the book why quarrel with me In the time of the Emperor Julien would have passed for a very honest man I lived in the time of the Emperor So but what does it matter Horace B Samuel Taken from the introduction by the translator of *The Red And The Black* by Stendhal
