

Of Brendan Behan's thrilling and explosive *Borstal Boy*, see us write:

"... dynamic, high-spirited, funny, tender, compassionate, and intelligent... Mr. Behan is an gifted storyteller. He is a highly sensitive, craftsmanlike, accomplished writer."

John Wicks in the New York Times

"... remarkable and marvellous... the voice of a man who will not be killed."

Cathie Wolf

"When you want to notice the first letter words, you become aware that behind them is a disconcerting immediacy and the awareness of an author, and at the end you are left with an impression that is... satisfying and inspiring."

Frank O'Connor in the Chicago Tribune

"The book is written without great literary pretensions; it is far less likely than has been assumed, it is not quite as funny as the author imagines, and without doubt is the most important book of its kind to be published this century."

Eric Partridge

"... surely every one who has been troubled with such a common-sense understanding of prison and discipline..."

on a classic love story is utterly beguiling Solsbury Hill is a gorgeously well written tale of a fraught love affair that takes you from New York to the wild gothic setting of the Yorkshire moors Fiona Neill author of Slummy Mummy and What the Nanny Saw The windswept moors of England a grand rustic estate and a love story of one woman caught between two men who love her powerfully all inspired by Emily Bronte s beloved classic Wuthering Heights Solsbury Hill brings the legend of Catherine and Heathcliff and that of their mysterious creator herself into a contemporary love story that unlocks the past When a surprise call from a dying aunt brings twenty something New Yorker Eleanor Abbott to the Yorkshire moors and the family estate she is about to inherit she finds a world beyond anything she might have expected Having left behind an American fiance here Eleanor meets Meadowscarp MacLeod a young man who challenges and changes her Here too she encounters the presence of Bronte herself and discovers a family legacy they may share With winds powerful enough to carve stone and bend trees the moors are another world where time and space work differently Remnants of the past are just around a craggy windswept corner For Eleanor this means ancestors and a devastating romantic history that bears on her own life on the history of the novel Wuthering Heights and on the destinies of all who live in its shadow **Publisher and Bookseller**
