*Scars On My Soul* Ritu Chowdhary,2019-09-25 It s clear now that I m going away from her But she s the one to plan it It seems no matter how stupendous a human being you are there s always an evil in you and it counters the good whenever your own interests are harmed It s natural In the novel Adie and Presha are two individuals who loved their freedom more than anything in life Life takes a fascinating turn when they are bound together by the mystical feeling of love They decide to be together for life in as impulsive a way as they were doing several other things But only till the day when Adie tells her something which turned their life topsy turvy Initially she brushed it aside considering it to be a darker shade of love over possessiveness of a husband But can the feeling of possessiveness turn someone into a beast This transformation of Adie from a contemporary man to a leery and controlling husband was blowing Presha s mind Will Presha change herself to appease her husband Had Presha actually changed after marriage or was Adie s notion about Presha a delusion Can love be so frail that some hormonal imbalance can destroy it Or is it cause of some unexplored dimensions of human existence a journey of the soul across lives      *Scars* Marina Murray,2024-03-05 With a relentlessly probing finger the author traces the
