Scattered People An American Family Moves West:

A Scattered People Gerald W. McFarland, 2000 This remarkable innovative book portrays the American experience in microcosm Gerald McFarland tells the story of U S westward expansion through the stories of his own ancestors from the arrival in Massachusetts in 1630 through successive generations that moved west at length reaching the West Coast in 1900 The real American history Choice The people in this history are not famous but through the author s meticulous research every one of them comes to life New Yorker

A Scattered People Gerald McFarland, 2013-06-05 The movement of millions of ordinary people westward across the American continent was one of the great folk migrations of all time stretching over two centuries and thousands of hard traveled miles Using a canvas as broad as the country itself Gerald McFarland turns this journey into a resonant personal experience by retelling the stories of five generations of a single real family who are in fact his own pioneer ancestors *A Scattered People* is a true life saga that takes us from colonial settlements along the east coast to the California shore at the dawn of the twentieth century Its cast is as rich as a historical novel s a born again Christian farmer in eighteenth century Connecticut a Davy Crockettish rifleman in frontier Virginia an infantryman at Antietam a bold teen age girl who forsakes Kansas for a New Mexico schoolhouse They become our witnesses for the era s key events the American Revolution the Indian wars the Gold Rush Bleeding Kansas and Harper s Ferry the Civil War the Chicago Fire booms and busts political battles and technological upheavals By fits and starts by foot and oxen covered wagon and rail the succeeding generations make their way west and we watch a family tree and a nation develop and grow What motivated men and women to take the risks of such moves and what actually awaited them in each new home By recreating in close focus that fundamental act of democratic aspiration pulling up stakes and moving west *A Scattered People* gives us an intimate and surprising new sense of the meaning of the American Dream

A Scattered People Gerald W. McFarland, 1991 This remarkable innovative book portrays the American experience in microcosm Gerald McFarland tells the story of U S westward expansion through the stories of his own ancestors from their arrival in Massachusetts in 1630 through successive generations that moved west at length reaching the West Coast in 1900

Italian-American Family History Sharon DeBartolo Carmack, 1997 The goal of this book is to show you how to document your heritage while placing each generation of your family in its cultural milieu and telling a factual and interesting story about the family Among other things this book enables you to evaluate American records for information specific to Italian American research to appreciate the importance of Italian American cultural perspective and to write a readable and interesting family history

The Brujo's Way Gerald McFarland, 2013 Don Carlos Buenaventura a powerful brujo in his sixth life practices a benign form of sorcery based on his motto Do no harm His great powers derive from intensive training in heightened awareness akin to Eastern yogic disciplines rather than from incantations spells or aid from demon allies He is accidentally born in 1684 into an aristocratic Catholic family in Mexico City a social and religious milieu in which his identity as a brujo if known would put him in mortal danger In

repressing any sign that he is other than an ordinary young man he forgets both his brujo powers and who he really is Exiled at nineteen to the remote frontier town of Santa Fe New Mexico he is exposed during the journey northward to wild desert landscapes that awaken his forgotten powers In Santa Fe he resumes his conventional persona to protect what he now recognizes is his true identity and is caught in the tension of trying to live two lives An arduous return trip to Mexico City and back further intensifies his brujo powers leading to many adventures including dangerous encounters with an evil sorcerer an Apache war party and a woman devotee of an ancient Aztec goddess and also stimulates his recall in dreams of his brujo training in past lives A chance meeting in Mexico City with a woman trained in Tantric spirituality is life changing opening him to other dimensions of consciousness Returning to Santa Fe he faces the task of learning to unite his Brujo's Way with his new spiritual path

A People and a Nation Mary Beth Norton, 2001 *The Last of Our Kind* Gerald W. McFarland, 2015-09-01

Don Carlos Buenaventura the protagonist of *The Last of Our Kind* is a powerful brujo living in Santa Fe New Mexico a remote settlement on the edge of Spain's North American empire The year is 1706 Comanche war parties are boldly conducting raids nearby French traders and soldiers are aggressively expanding toward New Mexico from the Great Plains and agents of the Spanish Inquisition have arrived in search of a brujo suspected of being in Santa Fe That brujo is Don Carlos respected citizen under the name of Don Alfonso Cabeza de Vaca his true identity known only to a small coterie of friends Given the many dangers that threaten the town will he be able to bring his powers to bear and still keep his brujo identity secret When his mortal enemy a sorcerer with formidable powers arrives on the scene in the midst of these troubles how will Don Carlos figure out a way to deal with him Includes Readers Guide [The Center of a Great Empire](#) Andrew Robert Lee Cayton, Stuart Dale Hobbs, 2005 A forested borderland dominated by American Indians in 1780 Ohio was a landscape of farms and towns inhabited by people from all over the world in 1830 *The Center of a Great Empire* The Ohio Country in the Early Republic chronicles this dramatic and all encompassing change Editors Andrew R L Cayton and Stuart D Hobbs have assembled a focused collection of articles by established and rising scholars that address the conquest of Native Americans the emergence of a democratic political culture the origins of capitalism the formation of public culture the growth of evangelical Protestantism the ambiguous status of African Americans and social life in a place that most contemporaries saw as on the cutting edge of human history Indeed to understand what was happening in the Ohio country in the decades after the American Revolution is to go a long way toward understanding what was happening in the United States and the Atlantic world as a whole For *The Center of a Great Empire* distinguished historians of the American nation in its first decades question conventional wisdom Downplaying the frontier character of Ohio they offer new answers and open new paths of inquiry through investigations of race education politics religion family commerce colonialism and conquest As it underscores key themes in the history of the United States *The Center of a Great Empire* pursues issues that have fascinated people for two centuries Andrew R L Cayton distinguished professor of history at Miami University in Oxford Ohio

is the author of several books including *Ohio The History of a People* and with Fred Anderson *The Dominion of War Liberty and Empire in North America 1500-2000*. Stuart D. Hobbs is program director for History in the Heartland, a professional development program for middle and high school teachers of history. Hobbs is the author of *The End of the American Avant Garde*. **The Image of the Frontier in Literature, the Media, and Society** Society for the Interdisciplinary Study of Social Imagery. Conference, 1997. Genealogies Cataloged by the Library of Congress Since 1986 Library of Congress, 1991. The bibliographic holdings of family histories at the Library of Congress Entries are arranged alphabetically of the works of those involved in Genealogy and also items available through the Library of Congress. *Nation of Nations* James West Davidson, 2002. Company Men Clark Davis, 2001-10-12. The story of the early decades of American big business when white collar jobs were new and their future uncertain. America's white collar workers form the core of the nation's corporate economy and its expansive middle class. But just a century ago white collar jobs were new and their future anything but certain. In *Company Men* Clark Davis places the corporate office at the heart of American social and cultural history, examining how the nation's first generation of white collar men created new understandings of masculinity, race, community, and success, all of which would dominate American experience for decades to come. *Company Men* is set in Los Angeles, the nation's corporate frontier of the early twentieth century. Davis shows how this California city, often considered on the fringe of American society for the very reason that it was new and growing so rapidly, displayed in sharp contours how America's corporate culture developed. The young men who left their rural homes for southern California a century ago not only helped build one of the world's great business centers but also redefined middle class values and morals. Of interest to students of business history, gender studies, and twentieth century culture, this work focuses on the company man as a pivotal actor in the saga of modern American history. **Women and Family in the Twentieth-century American West** Pat Devejian, 1990. We Specialize in the Wholly Impossible Darlene Clark Hine, Wilma King, Linda Reed, 1995-04. Essays by 30 authors attempt to reclaim and to create heightened awareness about individuals' contributions and struggles that have made African American women's survival and progress possible. *Bringing Your Family History to Life Through Social History* Katherine Scott Sturdevant, 2000. Katherine Scott Sturdevant shows you how to use social history, the study of ordinary people's everyday lives, to add depth, detail, and drama to your family's saga. Book jacket. A Patriot's History of the United States Larry Schweikart, Michael Patrick Allen, 2004-12-29. For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of dead white men. As a result, more emphasis is placed on Harriet Tubman than on George Washington, more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima, more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. *A Patriot's History of the United States* corrects those doctrinaire biases. In this

groundbreaking book America's discovery founding and development are reexamined with an appreciation for the elements of public virtue personal liberty and private property that make this nation uniquely successful This book offers a long overdue acknowledgment of America's true and proud history *Genealogical Journal* ,1986 **Historic Preservation** ,1986 **Rising in the West** Dan Morgan,1993 Focuses on one Depression Era family's move west their life after reaching their destination *Nexus* ,1999 The newsmagazine of the New England Historic Genealogic Society
