

Scenes of Instruction
a memoir Michael Awkward

Scenes Of Instruction A Memoir

Richard Biddle

Scenes Of Instruction A Memoir:

Scenes of Instruction Michael Awkward, 1999 A work of personal criticism by a leading Black male literary critic combining memoir with readings of African American fiction *Sissy Insurgencies* Marlon B. Ross, 2021-12-06 In *Sissy Insurgencies* Marlon B. Ross focuses on the figure of the sissy in order to rethink how Americans have imagined articulated and negotiated manhood and boyhood from the 1880s to the present Rather than collapsing sissiness into homosexuality Ross shows how sissiness constitutes a historically fluid range of gender practices that are expressed as a physical manifestation discursive epithet social identity and political phenomenon He reconsiders several black leaders intellectuals musicians and athletes within the context of sissiness from Booker T. Washington George Washington Carver and James Baldwin to Little Richard Amiri Baraka and Wilt Chamberlain Whether examining Washington's practice of cleaning as an iteration of sissiness Baldwin's self-fashioned sissy deportment or sissophobia in professional sports and black nationalism Ross demonstrates that sissiness can be embraced and exploited to conform to American gender norms or disrupt racialized patriarchy In this way sissiness constitutes a central element in modern understandings of race and gender **Reading**

Autobiography Now Sidonie Smith, Julia Watson, 2024-07-09 A user friendly guide to reading writing and theorizing autobiographical texts and practices for students scholars and practitioners of life narrative The boom in autobiographical narratives continues apace It now encompasses a global spectrum of texts and practices in such media as graphic memoir auto photography performance and plastic arts film and video and online platforms *Reading Autobiography Now* offers both a critical engagement with life narrative in historical perspective and a theoretical framework for interpreting texts and practices in this wide ranging field Hailed upon its initial publication as the Whole Earth Catalog of autobiography studies this essential book has been updated reorganized and expanded in scope to serve as an accessible and contemporary guide for scholars students and practitioners Sidonie Smith and Julia Watson explore definitions of life narrative probe issues of subjectivity and outline salient features of autobiographical acts and practices In this updated edition they address emergent topics such as autotheory autofiction and autoethnography expand the discussions of identity relationality and agency and introduce new material on autobiographical archives and the profusion of I's in contemporary works Smith and Watson also provide a helpful toolkit of strategies for reading life narrative and an extensive glossary of mini essays analyzing key theoretical concepts and dozens of autobiographical genres An indispensable exploration of this expansive transnational multimedia field *Reading Autobiography Now* meticulously unpacks the heterogeneous modes of life narratives through which people tell their stories from traditional memoirs and trauma narratives to collaborative life narrative and autobiographical comics **Womanist Forefathers** Gary L. Lemons, 2009-09-10 What role did African American men have in the early twentieth century struggle for women's suffrage How is gender significant to the historical and contemporary struggles for African American liberation In *Womanist Forefathers* Gary L. Lemons examines the memoirs and political

writings on women by Frederick Douglass and W E B Du Bois positioning these radical proponents of female equality as womanist forefathers to later generations of gender progressive black men Lemons argues that the writings of Douglass and Du Bois which merge confessional narrative with social criticism demonstrate the power of pro womanist thinking in the vision of racial uplift both men advanced Womanist Forefathers then traces the lineage between these early African American activists to contemporary pro feminist black men many of whom have similarly combined analyses of the personal with the political to envision a black male brotherhood founded on womanist principles free from nationalism rooted in patriarchy heterosexism and homophobia

American Philosophers Read Scripture Jacob L. Goodson, 2019-12-13 This collection introduces readers to the philosophical interpretation of Scripture specifically within American Philosophy The purpose of the collection concerns starting a conversation about the practice and task of the philosophical interpretation of Scripture Reflections on the philosophical interpretation of Scripture have been treated more as a conversation stopper than a conversation starter within the American academy To start such a conversation this collection offers substantive accounts of the role of Scripture in the philosophical thought of fifteen American philosophers Jane Addams Henry Bugbee Stanley Cavell John Dewey Jonathan Edwards Ralph Waldo Emerson Margaret Fuller William James Martin Luther King Jr Charles Sanders Peirce Josiah Royce Richard Rorty George Santayana Henry David Thoreau and Cornel West

The Other Side of Terror Erica R. Edwards, 2021-08-10 WINNER 2022 John Hope Franklin Prize given by the American Studies Association HONORABLE MENTION 2022 Gloria E Anzald a Book Prize given by the National Women s Studies Association Reveals the troubling intimacy between Black women and the making of US global power The year 1968 marked both the height of the worldwide Black liberation struggle and a turning point for the global reach of American power which was built on the counterinsurgency honed on Black and other oppressed populations at home The next five decades saw the consolidation of the culture of the American empire through what Erica R Edwards calls the imperial grammars of blackness This is a story of state power at its most devious and most absurd and at the same time a literary history of Black feminist radicalism at its most trenchant Edwards reveals how the long war on terror beginning with the late Cold War campaign against organizations like the Black Panther Party for Self Defense and the Black Liberation Army has relied on the labor and the fantasies of Black women to justify the imperial spread of capitalism Black feminist writers not only understood that this would demand a shift in racial gendered power but crafted ways of surviving it The Other Side of Terror offers an interdisciplinary Black feminist analysis of militarism security policing diversity representation intersectionality and resistance while discussing a wide array of literary and cultural texts from the unpublished work of Black radical feminist June Jordan to the memoirs of Condoleezza Rice to the television series Scandal With clear moving prose Edwards chronicles Black feminist organizing and writing on the other side of terror which tracked changes in racial power transformed African American literature and Black studies and predicted the crises of our current era with unsettling accuracy
