Egon Schiele Otto Kallir,1970 **Prints & Drawings by the Great Masters of the 15th to 20th Centuries** William H. Schab Gallery,1960 **Schiele** Esther Selsdon,Jeanette Zwingerberger,2005 Egon Schiele 1890 1918 is one of the great Expressionist painters He was influenced by Klimt and the Viennese Secession and at a very early age broke with the traditions of official Austrian art **Schiele** Isabel Kuhl,2020-04-07 An elegant introduction to Egon Schiele's career this book untangles the mysteries and

misunderstandings behind his genius Egon Schiele left an enormous artistic legacy that is all the more powerful for the brevity of his career Isabel Kuhl's lively text follows Schiele's trajectory from an artist in the Art Nouveau style to a powerful interpreter of human sexuality and considers the many hardships including exile and even imprisonment faced by Schiele as a young and rebellious artist with a singular vision. Gorgeous reproductions of his most emblematic works are presented chronologically, allowing readers to appreciate the evolution of Schiele's radical style, his uncanny use of color and line, and his willingness to confront an oppressive society. From unflinching portraits to precisely detailed landscapes, Schiele's artistry shines through on every page.

New Statesman Society, 1991 *Egon Schiele and the Art of Popular Illustration* Claude Cernuschi, 2022-09-02 Presenting a radically different picture of Egon Schiele's work, this study documents in one to one comparisons the extent of the artist's visual borrowings from the Viennese humoristic journal *Die Muskete*. Claude Cernuschi analyzes each comparison on a case by case basis primarily because the interpretation of cartoons and caricatures is highly contingent on their specific historical and cultural context. Although this connection has gone unnoticed in the literature in retrospect, this correlation makes perfect sense. Not only was Schiele's artistic production frequently compared to caricature and derided for being grotesque, but Expressionism and caricature are natural allies. One may belong to high art and the other to popular culture, yet both presuppose similar assumptions and deploy a similar rhetorical position, namely that the exaggeration of human physiognomy allows deeper psychological truths to emerge. The book will be of interest to scholars working in art history, visual culture, popular culture, and politics.

Egon Schiele Tobias Günter Natter, 2017 A century after his death, Egon Schiele continues to stun with his contorted lines, distorted bodies, and eroticism. This XXL sized book features the complete catalogue of his paintings from 1909-1918. Nearly 600 illustrations are presented, many of them newly photographed alongside expert insights and Schiele's personal writings in this.

The oeuvre is comprised of a few hundred oil paintings and thousands of drawings and watercolors. Schiele's oils have often been reproduced and are well recognized. However, limited access to the fragile works on paper and dispersion among several collections have made for an unbalanced representation of his work as a draftsman. This book assembles drawings and watercolors from public and private collections and reproduces work from every year of the artist's career, beginning with the juvenilia and early academic studies. The focus means that work that is rarely reproduced is

represented extensively providing a unique opportunity to study the rapid artistic development of Schiele over the course of his brief twelve year career The book is organized chronologically and divided into year by year sections Each section includes a text that discusses the major events in Schiele s life and the interrelation between the artist s drawing and developments in his oil painting Features a previously unpublished Schiele watercolor and several works that have never been reproduced in color [Guide to Microforms in Print](#) ,1995 [Egon Schiele](#) Alessandra Comini,2017-01-03 The short life and startling works of Expressionist artist Egon Schiele 1890 1918 are examined within the cultural context of early 20th century Vienna [Art Journal](#) ,1988
