they violently contested them Bringing anti Mexican violence into a common analytical framework with anti black violence A savage song examines several focal points in this oft ignored history including the 1915 rebellion of ethnic Mexicans in South Texas and its brutal repression by the Texas Rangers and the 1917 mutiny of black soldiers of the 24th Infantry Regiment in Houston Texas in response to police brutality Aragon considers both the continuities and stark contrasts across these different moments how were racialized constructions of masculinity differently employed How did African and Mexican American men including those in uniform respond to the violence of racism And how was their resistance including their claims to manhood and nation understood by law enforcement politicians and the press Building on extensive archival research the book examines how African and Mexican American men have been constructed as racial problems investigating in particular their relationship with law enforcement and ideas about black and Mexican criminality

Tradition, Translation, Trauma Jan Parker, Timothy Mathews, 2011-06-30 Tradition Trauma Translation is concerned with how Classic texts mainly Greek and Latin but also Arabic and Portuguese become present in later cultures and how they resonate in the modern A distinguished international team of contributors and responders examine the topic in different ways Some discuss singular encounters with the Classic those of Heaney Pope Fellini Freud Ibn Qutayba Cavafy and others and show how translations engage with the affective impact of texts over time and space Poet translator contributors draw on their own experience here Others offer images of translation as movement of a text over time space language and culture Some of these images are resistant even violent tradition as silencing translation as decapitation cannibalistic reception Others pose searching questions about the interaction of modernity with tradition what is entailed in The Price of the Modern Drawing as it does on Classical Modernist Translation Reception Comparative Literary and Intercultural Studies the volume has the potential to suggest critiques of practice in these disciplines but also concerns that are common to all these fields

The Holocaust in American Film Judith E. Doneson, 2002-01-01 This work offers insights into how specific films influenced the Americanization of the Holocaust and how the medium per se helped seed that event into the public consciousness In addition to an in depth study on films produced for both theatrical release and TV since 1937 including The Great Dictator Cabaret Julia and the mini series Holocaust this work provides an analysis of Schindler s List and the debate over the merit of Spielberg s vision of the Holocaust It also examines more thoroughly made for television movies such as Escape From Sobibor Playing For Time and War and Remembrance A special chapter on The Diary of Anne Frank discusses the evolution of that singularly European work into a universal symbol Paying special attention to the tumultuous 1960s in America it assesses the effect of the era on Holocaust films made during that time It also discusses how these films helped integrate the Holocaust into the fabric of American society transforming it into a metaphor for modern suffering Finally the work explores cinema in relation to the Americanization of the Jewish image

Jews in the Japanese Mind David G. Goodman, Masanori Miyazawa, 2000-01-01 Shortly before releasing deadly sarin gas on the Tokyo subway in March 1995 the Aum Shinrikyo

religious cult published a vicious 95 page antisemitic tract that declared war on its Jewish archenemy The gassing of the Tokyo subway was the culmination of a century of Japanese theorizing about Jews an important part of which has been antisemitic In recent years books blaming Jews for everything from the designs on Japanese currency to the 1995 Kobe earthquake have appeared and some have sold millions of copies What explains this virtual obsession with Jews in Japan a country that has no Jews In this highly original cultural and intellectual history David G Goodman and Masanori Miyazawa show that present day Japanese attitudes toward Jews are the result of a process of accretion that began nearly 200 years ago Skillfully tracing the historical development of Japanese images of Jews against the background of the development of modern Japanese culture they describe how these images reflect the great themes of modern Japanese intellectual life Spanning fields ranging from politics to poetry the authors demonstrate how Japanese attitudes toward Jews have had real political and cultural consequences culminating in the 1995 subway gassing and resonating into the twenty first century
