Marxism and Film Activism Ewa Mazierska, Lars Kristensen, 2015-07-01 In Theses on Feuerbach Marx writes The philosophers have only interpreted the world differently the point is to change it This collection examines how filmmakers have tried to change the world by engaging in emancipatory politics through their work and how audiences have received them It presents a wide spectrum of case studies covering both film and digital technology with examples from throughout cinematic history and around the world including Soviet Russia Palestine South America and France Discussions range from the classic Marxist cinema of Aleksandr Medvedkin Chris Marker and Jean Luc Godard to recent media such as 5 Broken Cameras 2010 the phenomena of video blogging and bicycle activism films

The Identity Dilemma Aidan McGarry, James Jasper, 2015-06-19 Collective identities are politically necessary or at least useful as banners for recruiting others and engaging opponents and the state However not every member fits or accepts the label in the same way or to the same degree The Identity Dilemma provides eight diverse case studies of social movements to show the benefits risks and tradeoffs when a group develops a strong sense of collective identity The editors and contributors to this pathbreaking volume examine how collective identities can provide powerful advantages but also generate conflicts The various chapters help to develop our understanding of collective identity from how strategic identities are developed for protest groups to how stigmatized groups negotiate identity dilemmas Ultimately The Identity Dilemma contributes a new strategic approach to understanding social movements that highlights the choices and tensions that groups inevitably face in articulating their ideas and interests Contributors include Marian Barnes Cristina Flesher Fominaya Umut Korkut Elzbieta Korolczuk John Nagle Clare Saunders Neil Stammers Marisa Tramontano Huub Van Baar and the editors

SchNEWS at Ten SchNEWS., 2004 A decade of party and protest Ten years of direct action It all started in a squatted courthouse in Brighton back in 1994 with people wearing silly wigs reading out the alternative news Ever since then SchNEWS has been publishing continuous weekly newsheets full of radical get off your arse direct action politics from Britain and across the world This book brings together some of the key stories of the decade from the big roads protest and anti Criminal Justice Act movement in the nineties through to the global anti capitalist movement and opposition to the war in Iraq From Newbury to Seattle Liverpool Dockers to the Zapatistas with a lot of the less well known but equally important moments in between And not forgetting our crap arrests of the week

The Alternative Media Handbook Kate Coyer, Tony Dowmunt, Alan Fountain, 2007-12-27 Alternative Media is the term used to describe non mainstream media forms that are independently run and community focussed such as zines pirate radio online discussion boards community run and owned broadcasting companies and activist publications such as Red Pepper and Corporate Watch The book outlines the different types of alternative

Anarchy Alive! Uri Gordon, 2007-11-20 Anarchist politics are at the heart of today s most vibrant and radical social movements From squatted social centres and community gardens to acts of sabotage and raucous summit blockades anarchist groups and networks are spreading an ethos of direct

action non hierarchical organizing and self liberation that has redefined revolutionary struggle for the 21st century Anarchy Alive is a fascinating in depth look at the practice and theory of contemporary anarchism Uri Gordon draws on his activist experience and on interviews discussions and a vast selection of recent literature to explore the activities cultures and agendas shaping today s explosive anti authoritarian revival Anarchy Alive also addresses some of the most tense debates in the contemporary movement using a theory based on practice to provocatively reshape anarchist discussions of leadership violence technology and nationalism This is the ideal book for anyone looking for a fresh informed and critical engagement with anarchism as a mature and dynamic political force in the age of globalisation Chaos Theory and the Larrikin

Principle Bob Hodge,2010 Summary Four social scientists from the University of Western Sydney explore management and organizations today along with their theories and practices as the 2008 worldwide financial crisis continues from a perspective that questions much of the intellectual trappings of neo liberalism They cover what is wrong with business education the Larrikin Principle managerialism neo liberalism and its discontents corruption power versus goodness at the edge of chaos soft capital and the informal polity and culture and organizations in a global world **Alternative**

Journalism, Alternative Voices Tony Harcup,2013 Bringing together new and classic work by Tony Harcup this book considers the development of alternative journalism from the 1970s up until today Bringing theory and practice together Harcup builds an understanding of alternative media through the use of detailed case studies and surveys Including opinions of journalists who have worked in both mainstream and alternative media he considers the motivations practices and roles of alternative journalism as well as delving into ethical considerations Moving from the history of alternative journalism Harcup considers the recent spread of citizen journalism and the use of social media and asks what the role of alternative journalism is today **New and Alternative Social Movements in Spain** John Karamichas,2015-12-22 This collection originally

published in 2007 offers a diachronic analytical study of new and alternative social movements in Spain from the democratic transition to the first decade of the 21st century paying attention to anti war mobilizations and the use of new technologies as a mobilizing resource New and alternative social movements are studied through the prism of identified linkages among the left movement identities and global processes in the Spanish context Weight is given to certain important historical aspects like Spain s relatively recent authoritarian past and certain value added factors such as the weak associationalism and materialism exhibited by the Spanish public These are complemented by exploring insights offered by key theoretical approaches on social movements political opportunities structures resource mobilization The volume covers established social movement cases gender peace environmental movements as well as those with a more explicit connection to the current context of global contestation squatters and anti globalization movements This book was published as a special issue of South European Society and Politics *Understanding European Movements* Cristina Flesher Fominaya,Laurence Cox,2013-07-18 European social movements have been central to European history politics society and culture and have had

a global reach and impact Yet they have rarely been taken on their own terms in the English language literature considered rather as counterpoints to the US experience This has been exacerbated by the failure of Anglophone social movement theorists to pay attention to the substantial literatures in languages such as French German Spanish or Italian and by the increasing global dominance of English in the production of news and other forms of media This book sets out to take the European social movement experience seriously on its own terms including the European tradition of social movement theorising particularly in its attempt to understand movement development from the 1960s onwards the extent to which European movements between 1968 and 1999 became precursors for the contemporary anti globalisation movement the construction of the anti capitalist movement of movements within the European setting the new anti austerity protests in Iceland Greece Spain 15 M Indignados and elsewhere This book offers a comprehensive interdisciplinary perspective on the key European social movements in the past forty years It will be of interest for students and scholars of politics and international relations sociology history European studies and social theory
