Coverage includes such timely topics as differentiated instruction, technology, and reading comprehension teaching. English language learners and the implications of current neuroscientific findings. Scholastic Literacy Place, 2000 **Taking Flight to Literacy and Leadership!** Jacqueline J. Brayman, Maureen A. Grey, 2010-12-16

*Taking Flight to Literacy and Leadership* provides a powerful model of what works in schools. It shows superintendents, principals, and teachers how to integrate best practices in literacy, adult learning, and systems thinking using concrete examples from authentic practice. *Taking Flight to Literacy and Leadership* creates a razor-sharp focus on instruction and places learning at the center of the effort. It brings people together to share what they know and learn collaboratively and provides tools for staff to develop new solutions to difficult problems. This book is a guide for Superintendents who want to grow their districts into a healthy, vibrant learning organization. Principals who seek to engage staff in dynamic, job-embedded learning about instruction. Teachers who hope to influence both classroom and district learning. *Challenges to*

*Implementing Effective Reading Intervention in Schools* Barbara Foorman, 2016-12-20 This special issue is a how-to on overcoming the many systems-level challenges in K-12 public education to implement effective reading interventions for the vast numbers of students reading below grade level. It emphasizes building researcher-practitioner partnerships, providing ongoing professional development for teachers, and removing institutional barriers to change as the keys to effective reading intervention. Interventions for the upper grades focus on the challenges of coaxing content-area teachers to learn new routines for building background knowledge, teaching academic vocabulary, and conducting discussions to foster critical reading and knowledge application. In the primary grades, interventions follow a multi-tiered system of support where enhanced classroom instruction is supported by small-group intervention for struggling readers. The volume also discusses

the importance of training special educators to implement data based individuation This is the 154th volume in this Jossey Bass series New Directions for Child and Adolescent Development Its mission is to provide scientific and scholarly presentations on cutting edge issues and concepts in this subject area Each volume focuses on a specific new direction or research topic and is edited by experts from that field **Summer Reading** Richard L.
