Second Banana:

Second Banana Blair Thornburgh, 2020-08-11 A girl is disappointed with her rotten role in the school play but the show must go on The kids in Mrs Millet s class are putting on their annual nutrition pageant Every kid plays a food Every kid gets a line It is a big deal But this year there aren t quite enough parts for everybody So the class is cast Fish Cheese Broccoli Blueberry Banana and Second Banana Second Banana feels rotten She wants to be the ONLY banana In this deliciously original school story Blair Thornburgh and Kate Berube recognize the dreadful disappointment that a casting list can cause as well as the power of friendship creative thinking and a good attitude to turn a rotten situation into one that s quite appealing Showtime

The Oxford Dictionary of Idioms Judith Siefring, 2005-11-10 Did you know that flavour of the month originated in a marketing campaign in American ice cream parlours in the 1940s when a particular flavour would be specially promoted for a month at a time And did you know that off the cuff refers to the rather messy practice of writing impromptu notes on one s shirt cuff before speaking in public These and many more idioms are explained and put into context in this second edition of the Oxford Dictionary of Idioms This vastly entertaining dictionary takes a fresh look at the idiomatic phrases and sayings that make English such a rich and intriguing language A major new edition it contains entries for over 5000 idioms including 350 new entries and over 500 new quotations The text has been updated to include many new idioms using the findings of the Oxford English Reading Programme the biggest language research programme in the world The entries are supported by a wealth of illustrative quotations from a wide range of sources and periods For example Rowling has not been asleep at the wheel in the three years since the last Potter novel and I am pleased to report that she has not confused sheer length with inspiration Guardian 2003 I made the speech of a lifetime I had them tearing up the seats and rolling in the aisles P G Woodhouse 1940 Many entries include boxed features which give more detailed background on the idiom in question For example did you know that taken aback was adopted from nautical terminology and described a ship unable to move forward because of a strong headwind pressing its sails back against the mast The text has been entirely redesigned so that it is both elegant and easy to use Anyone interested in the quirky side of the English language will have hours of fun browsing through this fascinating and informative volume

The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge s brilliant magnum opus The Dictionary of Slang and Unconventional English this two volume New Partridge Dictionary of Slang and Unconventional English is the definitive record of post WWII slang Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and

through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work. Unique, exciting, and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean; emphasis on post-World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK, and Australia; New terms from the language of social networking; Many entries now revised to include new dating, new citations from written sources, and new glosses. The New Partridge Dictionary of Slang and Unconventional English is a spectacular resource infused with humour and learning; it's rude, it's delightful, and it's a prize for anyone with a love of language. **iOS Apps for Masterminds 3rd Edition** J.D.
