**The Publishers' Trade List Annual** ,2000      **Unsaid & Unspoken** Ayusha Bhajanka,2020-07-02 Our book *Unsaid and Unspoken* is an attempt to bring out the stories behind unseen scars and validate them A lot of times in life all we need is for someone to tell us It s Okay This book will show you that you re not alone No matter what is going on in your life with stories about family friendship relationship abuse loss and more True stories by real people just like you on their journey of trying to do life      **40+ Love II** Mi Sook Park Westman,2013-06-24 Two years have passed after the separation from eighteen years relationship Four seasons one year have passed after the divorce There have been pain and pleasure sorrow and happiness and frustrations and inspirations in every corner of four seasons for the lost heart and soul As you read through each line of the poems you can literally explore the landscape and the season that the author has experienced This book starts with winter and finishes with autumn Winter is the season of healing sores under silence and tranquil Spring is the season of hoping for a new love under excitement and whispers Summer is the season of hot passion under desire and lust Fall is the season of a peaceful balance under recollection and reflection The author refuses to give up a hope of everlasting love trust on humankind and belief in goodness and greatness in the universe Continuous visits to fear and pain but also to passion and hope reveal a fragile and imperfect humanity within her      *The Publishers' Circular and Booksellers' Record* ,1926      **Love in America** Francesca M. Cancian,1990-08-31 In the last twenty five years Americans have gained considerable freedom in thier personal lives Relationships are now more flexible and self development has become a primary goal for both men and women Most scholars have criticized this trend to greater freedom arguing that it undermines family bonds and promotes selfishness and extreme independence Francesca Cancian is more optimistic In this book she shows that many American couples succeed in combining self development with commitment and that interdependence not independence is their ideal In interdependent relationships love and self development do not conflict but reinforce each other *Love in America* compares traditional forms of marriage with these newer forms of close relationships Starting with the nineteenth century Cancian shows how gender roles became polarized with love which was identified with emotional expression no practical help being the responsibility of women while self development was regarded as a masculine concern These traditional images of love and relationships are still held by many Americans today even though as Cancian points out this can lead to marital conflict and individual stress and illness By contrast new images of love emphasizing self development for men and women and flexible androgynous roles began to emerge around 1900 accelerating in the 1960s She concludes that this trend to self development and androgyny will continue but that whether it will lead to more interdependent relationships or to more independence and isolation depends partly on economic and political changes in the wider society The evidence for Cancian s argument comes from sociological historical and psychological sources Her book will interest readers in these disciplines as well s appeal to a wide general audience      Fiction, 1876-1983: Authors R.R. **The Early Years : Progressivism : Aesthetics : Cities** Donald Leslie Johnson, 2016-10-14 Frank Lloyd Wright The Early  
 Years Progressivism Aesthetics Cities examines Wright's belief that all aspects of human life must embrace and celebrate an  
 aesthetic experience that would thereby lead to necessary social reforms Inherent in the theory was a belief that reform of  
 nineteenth century gluttony should include a contemporary interpretation of its material presence its bulk and space its  
 architectural landscape This book analyzes Wright's innovative profound theory of architecture that drew upon geometry and  
 notions of pure design and the indigenous as put into practice It outlines the design methodology that he applied to domestic  
 and non domestic buildings and presents reasons for the recognition of two Wright Styles and a Wright School The book also  
 studies how his design method was applied to city planning and implications of historical and theoretical contexts of the  
 period that surely influenced all of Wright's community and city planning      **LIFE**, 1940-06-17 LIFE Magazine is the
