Second Coming An Exposition Of The Secon:

The Antichrist and the Second Coming Duncan W. McKenzie, 2012-04 What if the commonly held beliefs concerning the Antichrist are mistaken The Antichrist and the Second Coming looks at the Antichrist and the Second Advent of Christ from a preterist i e past fulfillment perspective and provides a unified interpretation of the little horn the prince to come the king of the North the man of lawlessness and the beast This is the second in a two volume set on the Antichrist it focuses on the book of Revelation This edition stands on its own and is recommended reading even if you have not read the first volume which focuses on Daniel and 2 Thessalonians McKenzie shows how the Antichrist was ultimately a spiritual ruler from the abyss Rev 11 7 that worked through Titus in his three and a half year destruction of the Jewish nation AD 67 70 cf Dan 9 26 This spirit of Antichrist was about to come out of the abyss in the first century Rev 17 8 NASB and was destroyed by the Second Advent of Jesus in AD 70 a spiritual event Continue reading to see how McKenzie convincingly makes the biblical case for this fascinating and controversial position and what it means for us today Dr Duncan McKenzie is a licensed psychologist Ph D in psychology who lives in Los Angeles California He has been studying Bible prophecy for the past twenty five years and has been researching and writing this two volume set for the last twelve years **An Exposition of Matthew Twenty-four**, 1890 **The Burning Bush** Edward Reaugh Smith, 1997-07 Even more significant for Christianity in the long run than the twentieth century Dead Sea and Nag Hammadi discoveries is the growing North American awareness of Rudolf Steiner's works Virtually unavailable until the end of the twentieth century English translations from the German archives are gradually coming into print Both Steiner and his works have thus far been virtually unknown in traditional theological circles No Bible commentary has yet reflected the remarkable spiritual insights of Anthroposophy Now ten years after first encountering a written comment about Rudolf Steiner Ed Smith combines his own extensive traditional biblical knowledge with his years of concentrated study and reflection on hundreds of assembled works by Steiner The result is the first Bible commentary in the light of anthroposophic insight This is the first volume of a series of Bible commentary by the author It is based on the anthroposophic understanding given to humanity by Rudolf Steiner during the first quarter of the twentieth century Bible commentaries have always reflected the general line of thinking of their authors However the dramatic newness of anthroposophic thought means that perhaps the usual method of using a Bible commentary is not appropriate here A large part of The Burning Bush is necessarily devoted to laying an anthroposophic or spiritual scientific groundwork A major assumption indulged in most Bible commentaries that one can go directly to portions dealing with given passages of scripture and understand what is being said about them does not fit [The Zondervan Encyclopedia of the Bible, Volume 5](#) Merrill C. Rapture John Musser,2018-09-11 One day while I was attending Brookside Baptist Church in Myrtle Springs Texas the pastor announced that starting the following Wednesday night service he would begin an in depth study on the rapture The study would be titled 16 Reasons for a Pretribulation Rapture That statement really piqued my curiosity Having had studied the subject for an extended period of time over the years I was amazed that someone could come up with that many reasons so I joined the study the following Wednesday After having received the handouts that evening I began to take a critical look I began to point out the errors in much of the reasoning behind the conclusions of that pastor When the pages became numerous I decided it was sufficient to be turned into a book I felt this study should be examined by every believer Many talk about salvation issues in Christianity Many say the rapture is not one of them That attitude alarms me While ones belief on the rapture will not affect his salvation in itself it will without a doubt become a stumbling block to being prepared to not receive the mark of the beast Of that mark the Bible says the one who receives that mark will have his fate sealed with the judgment of eternal damnation If one is confident in a pretribulation rapture he will be susceptible to dismissing the actual mark of the beast since he is convinced he will be taken out before that implementation And for this cause this book must be read **The Comprehensive Commentary on the Holy Bible: Acts-Revelation** William Jenks,1839 **The Scattered Nation**
