## Second Coming Of Christ:

**Christ's Second Coming** David Brown, 1868      *The Second Coming* John MacArthur, 2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again Yet God's own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ's longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ's return as well as a certainty about how to live expectantly until He comes again

**The Second Coming of Christ, and the Resurrection** Ephraim Currier, 1841      **Christ's Second Coming: will it be pre-millennial?** David BROWN (Principal of the Free Church College, Aberdeen.), 1853      *Christ's Second Coming and what Will Follow* Herbert McClellan Riggle, 1918      **The Second Coming of Christ** Dwight Lyman Moody, 1896

**Signs of the Second Coming of Jesus Christ and the End of the World** Steve Urlick, 2009-08 One of the most interesting topics in the Bible is the doctrine of the Second Coming of Christ God has not left us in the dark concerning the details of Christ's future coming but has given us several clear prophetic signs to watch for Signs of the Second Coming of Jesus Christ and the End of the World looks at key events the Bible says will lead to the glorious return of the Lord Jesus at the end of the age If you ever wondered why the world is the way it is and where it is headed then you need to read this book Whether you are a Christian or not this revealing work will give you the vital information you need to prepare for what may come in the near future and for eternity itself this book gives much historical information compares worldviews and provides several charts for a better understanding of historical developments

**Come, Lord Jesus!** Stephen Motyer, 2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer's comprehensive

stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world

**Christ's Second Coming** Rice, John R.,1979

**The Second Coming of Jesus Christ** Hasanat Ahmad Syed,2009-04 For I tell you you will not see me again until you say Blessed is he who comes in the name of the Lord Matthew 23 39 Approximately three billion Christians and Muslims around the world hold the Second Coming of Jesus Christ as an article of faith Both the Holy Bible and Holy Qur'an speak about this spiritually monumental event Has He come again Author Hasanat Syed a journalist and research scholar has documented evidence supporting the appearance of the Second Coming He begins by describing four historical episodes that each occurred around the turn of the twentieth century and presents evidence of heavenly signs in each instance Drawing on his deep knowledge of the subject Syed combines thought from Christianity and Islam to marshal evidence with such conviction that nothing is left to doubt Distinguishing this work from others The Second Coming of Jesus Christ discusses this important event from a number of perspectives drawing together multiple sources throughout the text Christians Muslims and Hindus alike will be fascinated by this cogent discussion of an imminent Second Coming This book is a must read for anyone seeking answers to this heavily prophesized and centuries old enigma

**The Second Coming of Christ** Aimee Semple McPherson,2014-05-05 The Lord will come again He promised us that But is His church ready We know neither the day nor the hour of Christ's return but we are instructed to be ready at all times Aimee Semple McPherson felt the urgency of this call and she urges the church to be ready for His glorious return Join Sister Aimee whom Time magazine named one of the most influential people of the twentieth century in discovering what the second coming of Christ means to the church today In this book she answers questions that face many believers Is Christ coming How is He coming When is He coming For whom is He coming The harvest is ready and the Lord will come back to reap a bountiful mature body of believers Be prepared to rise up and meet Christ when He appears in the clouds of glory

*Chronological Signs of the Second Coming of Christ* Shaun Bailey, 2015-02-17 The second coming of Jesus Christ will be a great day for the righteous and a dreadful day for those who are wicked This book is designed to prepare you to warn you and to answer your questions about the coming of Christ Ultimately the most important thing you can do is to prepare yourself to enter the presence of the Lord Signs is a scriptural guidebook on that journey Author Shaun Bailey has used modern technology and a lifetime of study to search the scriptures for clues that don't just identify the signs of the times but put them in a useful chronological order Over 540 scriptural references and quotes from the prophets are compiled to explore 37 signs in depth and in context This is the first book in a two part series and deals with the events of the sixth seal or the time period before the great and dreadful day of the Lord

*The Second Coming of Jesus - Think Again* William H. Hogue, 2011-12-12 The overarching theme of this book is that the Second Coming of Jesus happened in AD 72 and that therefore Jesus is not coming again to rapture the church The book lays out a thorough exploration in support of this theme Daniels prophecies are foundational especially his prophecy of the Seventy Weeks in Dan 9 24 27 and his prophecy of four sequential Fertile Crescent Mediterranean empires see Dan 7 The Fourth Empire or the Roman Empire is the key to understanding my theme with stress on the meaning of the horns on the head of the Fourth Beast see Dan 7 7 8 As proof of my theme I use the Biblical code of two or three witnesses see e g Deut 19 15 Matt 18 16 John 8 17 and I John 5 8 The three witnesses I give are Daniel Jesus and the collective apostles all of whom taught and agreed that Jesus Second Coming would take place before Jesus generation passed away Matt 24 34 Furthermore I show how the epistles of the N T reflect this theme by citing scores of passages from them for my readers to consider Finally in Chapter Five of the book and in five appendixes I show how the Book of Revelation aptly interpreted fully agrees with this theme

***The Second Coming of Christ*** D. L. Moody, Harriet Beecher Stowe, J. C. Ryle, George Muller, D. W. White, G. C. Needham, Charles H. Spurgeon, 2019-08-18 This book was originally published in 1896 It has eight chapters each one written by a well known minister of the era except the last chapter written by an unknown with the initials J W Written for the layman not the scholar each chapter is in one way or another about the return of Christ It is a very good book for anyone seeking to learn the basics of the second coming of Christ called eschatology Even though I have written four books on Bible prophecy I plan to read this book and add it to my library Michael D Fortner publisher

*The Second Coming of Jesus Christ* David L. Toney, 2015-02-10 While the turn of the century has seen a number of secular sources proclaiming the end of the world such as Y2K or the end of the Mayan calendar only to see these events come and go there persists yet another source that still accurately foretells the events and phenomena we see play out on the world's scene Instead of focusing on fleeting signs and events the Bible shows us how a growing tide of global conflict human suffering and natural disasters points toward a

powerful truth we are living in the end times In *The Second Coming of Jesus Christ An Analysis of End Time Bible Prophecy* author David L Toney explores how contemporary events not only parallel but also signify the fulfilment of Bible prophecies throughout both the Old and New Testaments From the return of the Jews to Israel as foretold in Ezekiel to the rise of the Antichrist as anticipated in Revelation discover prophecies and the modern day events related to the end of the six thousand year reign of humanity the stirrings of World War III and the appearance of catastrophic natural phenomena That we are living in the end times is good news for good people and bad news for bad people and the most important event prophesied to take place in these latter yearsthe second coming of Jesus Christwill soon take place      **The Return** Thomas Ice,Timothy J.
