Second Coming Of Jesus Meditation And Commentary On The Of Revelation:

The Second Coming of Jesus Alfred McBride, 1993 Discover just what the Book of Revelation tells each of us about the end of time The Catholic Church and the Bible Peter M. J. Stravinskias, 2011-04-29 Are Catholics biblical illiterates So goes the frequent question proving that myths die hard But Catholics ought to be able to answer the charge made by many non Catholics in this regard This book is a response to Fundamentalist critics and an explanation of the Catholic biblical tradition The Catholic Church and the Bible is a significant scriptural study guide published from a Catholic perspective and particularly keyed to the new Catechism of the Catholic Church The well planned straight forward text is clearly outlined to make information easy to find and understand Main topics include The Catholic understanding of the Bible God s Word and its purpose in the Church A biblical theology of the Mass the place of the Bible in the Sacred Liturgy A question and answer section that deals with pertinent and popular inquiries made by Catholics and non Catholics alike This work should be heartily welcomed by both clergy and laity for Father Stravinskias sheds new light on Catholic Bible study by writing with candor clarity and scriptural backing This is ideal for high schools and RCIA programs An excellent tool for the Catholic apologist The reader has everything in one place pithy answers plus biblical and magisterial citations Fr Stravinskias is the best priest apologist in the country Karl Keating Author Catholicism and Fundamentalism Fr Peter M J Stravinskias is the well known editor of the The Catholic Answer magazine a contributing editor to National Catholic Register and has written over 500 articles for numerous Catholic publications **New Covenant** ,2001 *The Second Coming of Jesus Christ* Stanley LotegeLuaki, 2014-01-07 The Second Coming of Jesus Christ is close at hand The last 2000 years has been the Tribulation Soon in our generation especially in my lifetime Jesus is coming back I met Jesus on August 10th 2012 And I have a drawing that looks like Jesus that the Lord helped me to draw It is a copy of Adolfo Simeione s work an artist from Italy who was born in 1880 he drew a real picture of Jesus without knowing it Since I met Jesus I drew a picture of Him using Adolfo Simeiones work THE PICTURE ON THE COVER OF THIS BOOK PROVES TO THE WORLD THAT I MET JESUS AND ALL 50 OF MY BOOKS ARE ABOUT HIM JESUS CHRIST THE INTERGALACTIC SUPERSTAR THE STARCHILD When Jesus comes back and if He looks like the picture on the cover of this book that would prove that I met Him personally There is no Rapture or war before the Second Coming Isaiah chpt 22 put a curse on the visions of the Second Coming Read this book to see the error that Theologians have made with the help of Satan in the last 500 years Satan has been telling people when Jesus appears that He will be the enemy That s Satan entire defense He does not want people to worship Jesus when He appears Insane Theologians have been feeding the public with the wrong gospel of a preTribulation Midtribulation Post tribulation web of lies Also Satan other defense against the Church is the pedophile scandal that Jesus warned us about in Mathew chpt 18 Also the birth of Israel in 1948 proves that this is the last generation before the end where 1 3 of the human race is Taken to hell psalm 110 6 Revelation chpt 9 Jesus will appear with all of His Angels and the Saints He will at first live in The King David

Layman'S Commentary Volume 8 John Devine,2014-07-28 In todays world it can be difficult to maintain your faith Those seeking a greater understanding of the Bible have numerous excellent theological commentaries available to them but due to volume and depth many of these are out of reach of laypeople Others lose contact with the Bible because it no longer seems relevant to life They use a superficial knowledge of science and evolution to exclude God and faith from their experiences The Laymans Commentary Volume 8 General Epistles presents a passage by passage explanation of the nine letters of the Bible to the early churches from general authors who were eyewitnesses or associates and spoke of their experience of Jesus In this eighth volume author John Devine explains the practical relevance of these documents as they relate to effective everyday living He considers the relevance of creation and science as well as Gods moral standard which is of vital importance in modern society These letters are shown to conform with the Gospels and the letters of Paul Hebrews explains the connection of the Old Testament with the First Coming of Jesus Revelation describes the fulfillment with the Second Coming of Jesus Gods plan for a relationship with the individual is explained with the means by which this was made possible by the death and resurrection of his Son The notes confirm that science and faith are complementary in giving purpose and meaning to life The expectation of eternal life is also assured The Catholic Periodical and Literature Index ,1994 **What the Bible Says About the Collapse of the Universe: Book II** Stanley Lotegeluaki,2004-02-05 This book is a sequel to my first book What the Bible says about the collapse of the universe Life before the big bang And the 200 billion year history of Christianity the invisible war This book The doctrine of THIRD WAVE CHRISTIANITY is really a distillation of the first book The core of what the Lord revealed to me It is composed of small booklets Jesus Satan The Beast The Lake of fire and older booklets from the first book The Catholics were the first wave and they discomfited Satan The Protestants were the Second wave and they swarmed Satans camp and now are the Third wave Christians space age Christians who believe in the collapse of the universe and Life before the big bang who will over run Satans camp and completely wipe them out The book is designed for Christians who are also scientists and see no problem with the Bible and its compatibility with science It gives information about the collapse of the universe but with new material about the Beast Satan Jesus Africas unification and the founding history of all the nations Third wave Christians are not to go out and make new Churches but they are people who ate the refreshing new information that we missed in the Bible space age information This book proves that Christianity is superior to Islam Hinduism Buddhism Communism and those who make science into a religion Because the Bible says the universe will collapse and Science says the universe will collapse thats proof the Bible is Truth and that God exists Logicians and Christians who are Scientists can use this book to prove that the Bible is True therefore God exists **Armageddon Is 40 Billion +/- Years from Now, Wwiii, and the Lake of Fire.** Stanley O.
