Literature of the Global Age Maurizio Ascari,2014-01-10 In an age of world citizenship literary scholarship is focusing increasingly on texts which communicate effectively over cultural lines Advocating a planetary approach to contemporary literature this critical text examines eight novels from eight cultures. The writers discussed are Julian Barnes Magda Szabo Abraham B Yehoshua Ian McEwan W G Sebald Murakami Haruki Jonathan Safran Foer and Azar Nafisi Focusing on the authors encouragement to meditate on life s most pressing issues the essays here invite us to reevaluate postmodernism as a current category **Falling in Love with Your Life** Alicia Castillo Holley, 2009-07-18 Falling in love with your life reminds us about the one power no one can ever take away from us the power we have to interpret things positively in ways that don t hurt us in ways that can propel us forward into a better life Dr Robert Epstein contributing editor for Scientific American Mind and the former Editor in Chief of Psychology Today Write Your Novel One Day at a Time J. W. Judge, 2022-11-01 You ve always had the ideas for your novel Now you can do the work of writing it Write Your Novel One Day at a Time will help develop the processes to do the creative work of writing your novel I will show you the power of consistency by giving you a look at my daily word counts and journal entries through the six month endeavor of writing my third novel while working my day job as a commercial litigator and raising a young family My writing has been twenty five years in the making and now includes four non fiction books and three novels All these books have been written in small chunks a few hundred words at a time because small increments are the only ones I have Through this book I will show you how showing up daily to do your creative work will help you deliver the book you want to write But I m not the only one who has had to juggle writing family and a career In Write Your Novel One Day at a Time I interview five successful writers who began writing their novels during

their professional careers Through these interviews and my own experiences I will help you develop a blueprint for how you can get your creative work done I am not a guru who has all the answers I am a writer who is figuring things out as I go So as I learn on the fly I want to help flatten the learning curve and provide some encouragement for those of you who also aspire to write novels and get your words and your work into the world **Bedtime Stories** Trey Ellis, 2008-02-05 How is a single dad supposed to navigate a new girlfriend into and out of his California king bed without his son or daughter noticing For Trey Ellis raising children while trying to find his way through the unfamiliar nuances of the contemporary dating scene as a single father has been a a sometimes nerve racking challenge A Don Juan with a heart of gold Ellis tracks both his sexy life as a swinging single father his dates have included a model a French actress and even an Italian contessa and his nurturing and loving relationship with his two young children The result is Bedtime Stories a charmingly poignant and hilarious story that shows what happens when the glamorous life of an LA singleton collides with the life of a less than glamorous dad who eats frozen dinners and changes dirty diapers **Time Missed** Allan James, 2009-06-30 I finished my psychoanalysis in 1991 It took about six years Psychoanalysis was hard work and I always imagined that finishing would feel like graduation a cause for celebrating I certainly felt pride at having faced my darkest fears At times I thought of analysis as a graduate degree in self knowledge In some ways leaving T the first letter of my therapist s last name felt like when I left Memphis my home town and went a thousand miles northeast to college I often said that I was relieved to be leaving my family and 25 year later my analyst to become independent But in both cases I was afraid and at times homesick This is a book about the first 15 months of my psychoanalysis This book covers what T called the material of my analysis basically my life story But it is also about the evolution of my relationship with T My vision of my personal history changed radically in the course of analysis But most of these changes were produced not by the ritual telling and retelling of events from my life but rather from the feelings I developed for T For those who are considering seeking help from a therapist I hope this account will give you the courage to make the plunge For those people already in therapy the purpose of this book is to offer encouragement No matter how difficult or complicated your life may seem it is possible to change things for the better And for practicing therapists and men and women training to become therapists I hope this book helps you better understand your patients vulnerability and the tremendous power for good you have for the people who come to you for help The Greatest Novels & Stories for Young Women Louisa May Alcott, Lucy Maud Montgomery, Jane Austen, Charlotte Brontë, Johanna Spyri, Lewis Carroll, L.
